Re: Readoption of the Fiscal Year 2026 Operating Budget

Madam Clerk:

Please accept this letter as confirmation that the readoption vote by the Council is being performed exclusively to cure a technical mistake and, in my opinion, will not reset the clock to trigger Section 6.10, Mayor's item veto.

Please also note that, whereby I did not exercise Section 6.10 with the original budget adoption, I have no intention of any veto of the readopted budget.

Sincerely,

Kenneth J. Hopkins, Mayor

City of Cranston
