Mayor Kenneth Hopkins
c/o Solicitor Millea

Cranston, RI 02910

RE: Mayoral duties

Dear Solicitor Millea,

It has recently come to my attention from sources outside of the mayor's office, that Mayor Hopkins departed Rhode Island on Friday, February 7, 2025, for a vacation and he remains out of state on vacation.

It is completely unacceptable that I have not been informed of this by the mayor, his staff or the solicitor. Today is day thirteen that he remains out of state according to the information that I now have.

Kindly advise me immediately of his whereabouts and his return date.

The City's Charter requires the city council president preside as the interim mayor when the mayor is away for more than ten days. For this reason, it is vital for the operation of the city that I be advised of his whereabouts immediately as this is consistent with the law.

Sincerely,

Jessica Marino
