THE CITY OF CRANSTON

RESOLUTION OF THE CITY COUNCIL

RESOLUTION MEMORIALIZING THE GENERAL ASSEMBLY TO ENACT LEGISLATION ESTABLISHING A TIMETABLE FOR EDUCATIONAL FINANCIAL SUPPORT

No. 97-3

Passed, January 27, 1997

Approved, January 27, 1997

Council President
Peter T. Pastore, Jr.

Mayor
Michael A. Traficante

Resolved, That

WHEREAS, primary and secondary education is a constitutional responsibility of the State Government, and

WHEREAS, over the past five years the proportion of primary and secondary education expenditures paid for from local funds (as opposed to State Aid) has increased, and

WHEREAS, it is essential that local communities have knowledge of state aid to education figures at the time they construct their local budgets, and

WHEREAS, a secondary and primary education is the largest expense of all or virtually all cities and towns in the State of Rhode Island, and

WHEREAS, the ability to appropriately plan Town and City budgets is essential to the taxpayers of this state

NOW, THEREFORE, BE IT RESOLVED that the City of Cranston requests its legislators to re-introduce and support legislation as speedily as possible that provides for the following

EDUCATIONAL FINANCIAL SUPPORT

The general assembly finds that primary and secondary education is a constitutional responsibility of the state government, and

That over the past five years the proportion of primary and secondary education expenditures paid for from local funds (as opposed to state aid) has increased, and

That it is essential that local communities have knowledge of state aid to education figures at the time they construct their local budgets, and

That a secondary and primary education is the largest expense of all or virtually all cities and towns in the State of Rhode Island, and

That the ability to appropriately plan town and city budgets is essential to the taxpayers of this state

TIMETABLE ESTABLISHED FOR APPROPRIATION TO MUNICIPALITIES FOR SUPPORT FOR EDUCATION

Not withstanding any provision of the general laws to the contrary, the governor shall submit to the general assembly by February 1 of each year his proposed state aid to education for each city, town, and school district for the fiscal year starting July 1 subsequent Further, the general assembly shall pass by March 1 the appropriate bills delineating state aid to education for each city, town, and school district for the fiscal year starting July 1 subsequent Further, should the governor choose to veto this state aid bill, it will be the joint responsibility of the general assembly and the governor to enact the appropriate general laws by March 15 which delineates state aid to education for each city, town, and school district for the fiscal year starting July 1 subsequent Finally, notwithstanding any other provisions of the general laws or this chapter nothing herein shall be construed to prevent the government from increasing aid to education after the effective date of this act but in so doing state aid to any community may not be decreased from the level determined by the general law which was enacted by March 15

This act shall take effect upon passage

BE IT FURTHER RESOLVED that copies of this resolution be sent to the City and Town Clerks of the other 38 cities and towns in the State of Rhode Island and the clerk of each school committee in the State of Rhode Island, along with a request that these bodies endorse this resolution and request their legislators support it

BE IT FURTHER RESOLVED that the City Clerk forward a certified copy of this resolution to the Rhode Island General Assembly immediately upon passage

THE CITY OF CRANSTON

RESOLUTION OF THE CITY COUNCIL

MEMORIALIZING THE MEMBERS OF THE GENERAL ASSEMBLY FROM CRANSTON TO INTRODUCE AND URGE THE PASSAGE OF LEGISLATION FOR THE ESTABLISHMENT OF THE CRANSTON 2000 CORPORATION

No **97-4**

Passed,
January 27, 1997

Approved,
January 27, 1997

Council President
Peter T. Pastore, Jr.

Mayor
Michael A. Traficante

Resolved, That

WHEREAS, The City of Cranston is among the many cities throughout the State of Rhode Island and the Nation competing to attract new businesses and maintain existing establishments In this competition, any municipality wishing to be competitive and successful must obtain the proper tools to attract worthy companies to their area AND

WHEREAS, There are many areas in the City of Cranston with a high concentration of senior residents Some of these areas within the City lack the convenience and accessibility of local businesses such as grocery stores, banks, hardware stores, and drug stores Further, many areas within the city have abandoned and dangerous buildings which are a result of an exodus of businesses AND

WHEREAS, It is the intent of the Cranston City Council that it arm the City with the tools necessary to compete among the many cities in attracting businesses to Cranston Further, it is the City Council's objective to foster the growth of present businesses in Cranston and to create in the City a conducive environment in which all businesses may thrive The Cranston City Council, while seeking a comprehensive plan for the development of businesses and neighborhoods for the remaining years of the 20th century and well into the 21th century, wishes to broaden the tax base and make the City less dependent upon residential property taxes AND

NOW THEREFORE BE IT RESOLVED THAT, The Cranston City Council hereby memorializes the members of the General Assembly from Cranston to introduce and urge the passage of legislation establishing the Cranston 2000 Corporation.

1. Creation of the Cranston 2000 Corporation The Cranston 2000 Corporation is a nonprofit economic development corporation designed to unite Cranston's public and private sectors in a common economic development mission The objective of the Cranston 2000 Corporation is to promote economic development that will enhance both the position and the perception of the City of Cranston as a desirable place to live, work, invest and/or visit The Corporation calls for the creativity and vitality of both the public sector and the private sector as well as the labor communities Further, the program offers continuity to the development process and transcends changing city administrations The corporation seeks to become a private/public partnership with the authority to engage in numerous economic and industrial development activities, including: owning and managing real estate, borrowing and lending money, issuing bonds and in general promoting the economic vitality of the City of Cranston.

2. Cranston 2000's Operating Budget. The Cranston 2000 Corporation's operating budget would be premised upon membership donations from businesses, labor unions and individuals. The City of Cranston, based on the availability of funding from the city, Community Development Block Grant and grant sources, could provide funding for specific programs The Cranston 2000 Corporation would function cooperatively with Cranston Economic Development Department, The Cranston Planning Department, and The Central Rhode Island Development Corporation

3. Cranston 2000's Governing Body The Cranston 2000 Corporation would be governed by a Board of Directors representing businesses large and small, labor unions and the city government. In addition, the Board has the authority of establishing the mission and general policy of the Corporation, while the daily management and implementation of policy objectives falls upon an Executive Director and a staff in conjunction with numerous volunteer committees comprising of Cranston 2000 members. Compensation for the Executive Director and staff will be funded through various grants secured by the Corporation and contributions from Cranston 2000 members

4 Cranston 2000's Economic Plan The Corporation will develop an aggressive plan of action for the economic advancement of the City of Cranston The plan should be developed in conformity with the City's long range master plan and shall include commercial district revitalization, retail development, building improvements, industrial attraction and retention, access/traffic control and improvements and commercial development.

BE IT FURTHER RESOLVED that the City Clerk forward a certified copy of this Resolution to the Rhode Island General Assembly immediately upon passage

Mayor
Michael A. Traficante

Resolved, That

WHEREAS, the City of Cranston has carried out mandated property tax revaluation in accordance with State law applicable to properties assessed beginning December 31, 1995 AND

WHEREAS, the effect of this revaluation was to dramatically increase the real estate taxes on the residential property in the City of Cranston AND

WHEREAS, this hardship on Cranston's homeowners was partially alleviated by enactment by the Rhode Island General Assembly and the Cranston City Council of a Homestead Exemption AND

WHEREAS, it is the intent and desire of the City Council to further alleviate the hardship imposed upon the taxpayers of Cranston brought about by the revaluation, by authorizing property classification as another device with which to assess property taxes

NOW THEREFORE BE IT RESOLVED THAT the Cranston City Council hereby memorializes the members of the Rhode Island General Assembly from Cranston to introduce and urge passage of legislation authorizing the City of Cranston to institute property classification as a lawful means by which the City of Cranston may assess taxable properties of December 31, 1996, in accordance with the intent set forth above

Council President
Peter T. Pastore, Jr.

Mayor
Michael A. Traficante

Resolved, That

WHEREAS, Rhode Island General Assembly authorized the City of Cranston to enact a Homestead Exemption applicable to the property taxes assessed within the City of Cranston AND

WHEREAS, Rhode Island law appears to prohibit the pro-rating of the Homestead Exemption so enacted, so that properties that are not owner-occupied as of the tax assessment date, e g December 31, 1996, and that are transferred in the following calendar year, are not eligible for a Homestead Exemption for that tax year, in whole or in part, even though the transferee of said property occupies the home during said following calendar year, and otherwise would qualify for said Homestead Exemption in the City of Cranston

WHEREAS, it is the intent and desire of the City Council and the City Administration that said Homestead Exemption, beginning with property taxes assessed as of December 31, 1996 and thereafter, be available and applied on a pro-rata basis, to a transferee of property who occupies said property during the calendar year following the tax assessment date, which was not owner-occupied as of the tax assessment date, and which otherwise qualifies for said Homestead Exemption It is the further intent and desire of the City Council and the City Administration that said pro-ration of said Homestead Exemption will be available to said transferee effective on the first day of the new quarter-year following the date of recording the transfer of said property in the Registry of Deeds for the City of Cranston

NOW THEREFORE BE IT RESOLVED THAT Mayor Michael A Traficante and the Cranston City Council hereby memorialize the members of the

General Assembly from Cranston to introduce and urge passage of legislation to allow for the pro-rating of Homestead Exemption in the City of Cranston, beginning with property taxes assessed as of December 31, 1996, in accordance with and under the circumstances described above

SECTION 3

Section 30-18 of the Code of the City of Cranston, entitled "Specific Performance Standards" is hereby amended by adding thereto the following

(S) Telecommunications Facilities

(1) Applicability No wireless communications equipment shall be erected or installed except in compliance with the provisions of this Article The provisions of this Article apply to all wireless communications equipment, whether such equipment is used as a main use or as an accessory use Where conflicts exist between this Article and the remainder of this Code, the provisions of this Article shall govern

(2) Application Conference There shall be a bi-annual application conference at which cellular communication providers will meet with the Planning Director or his designee to discuss future potential tower site locations These application conferences will also serve as an opportunity for the City of Cranston to minimize the proliferation of cellular communication towers throughout the City by allowing telecommunication providers to set up co-location agreements between themselves and other telecommunication service providers Unless otherwise noted and properly advertised, this bi-annual application conference shall take place in the months of January and July

(3) Development standards to telecommunications towers

(a) Telecommunications towers shall be prohibited in any historic district except by a use variance from the Zoning Board of Review as well as a Certificate of Appropriateness from the Historic District Commission

(b) In addition to the standard requirements for submittal to the Zoning Board of Review, applications for a use variance or a special use permit for telecommunications facilities shall be accompanied by the following information (1) site plans and (2) photographs of the site and surrounding area

(c) The following standards shall apply to all applications

1 A reasonable effort shall be made to utilize existing structures for telecommunications antennae Should an existing structure not be utilized, evidence as to why not shall be submitted

2 City owned sites which are located in the prospective area and which could potentially accommodate the proposed antennae and communication towers shall be identified

3 Communication towers shall be set back from all property lines a minimum of one (1) foot for each one (1) foot of tower height When the property abuts a residential district or an historic district, the setback distance shall be one and one-half (1 5) feet for each one (1) foot of tower height All guy wires and guyed towers shall be clearly marked so as to be visible at all times and all guy wires shall be set back from all property boundaries the minimum of the zoning district in which they are located

4 All communication tower supports and peripheral anchors shall be located entirely within the boundaries of the development site and shall be set back from all property boundaries the minimum of the zoning district in which the communication tower is located, but no less than twenty-five feet When located in or abutting a residential district or historic overlay district, the minimum distance shall be thirty five feet Supports and/or peripheral anchors shall not encroach upon the minimum landscaped screening requirement. All supports and anchors shall have at a minimum a ten foot horizontal setback from any overhead utility line

5 Communication equipment buildings and structures shall be considered accessory uses and comply with the following setbacks

a) 100 square feet or less shall be set back from all property boundaries a minimum of fifteen feet, unless located in or abutting a residential district or historic overlay district which shall require a minimum of 25 feet

b) Greater than 100 square feet shall be set back from all property boundaries a minimum of twenty five feet unless located within or abutting a residential district or historic overlay district which shall require a minimum of thirty five feet

6 Communication towers shall be constructed and situated in such a manner as to fit in with the topography and features of the surrounding environment Tower bases shall be completely screened from the adjacent properties and streets by plantings, and appropriately camouflaged if required Plantings shall be of such a height and density as to ensure complete screening Screening shall consist of plant and/or tree material accepted by the City's Subdivision and Land Development Regulations, or

as accepted by the Director of Planning Screening shall not be less than five feet in width unless located in or abutting a residential district or historic overlay district which will require that it not be less than ten feet in width Screening may be waived by the Zoning Board on those sides or sections which are adjacent to undevelopable lands or lands not in public view Existing vegetation may be used as a substitute for or supplement towards meeting the landscaped screening requirement The owner of the property shall be responsible for all maintenance and shall replace any dead plantings within thirty days

7 Communication towers shall be enclosed by a fence no less than eight feet in height or more than ten feet in height from the finished grade Access shall be through a locked gate Communication towers in or abutting a residential district or historic overlay district shall have fencing comprised of wood or stone

8 Finished Color Communication towers not requiring FAA painting/marking shall have either a galvanized finish or painted a non-contrasting blue or gray finish, or other color matching the natural surroundings

9 Communication towers shall not be artificially lighted except as required for public safety purposes, by the Federal Aviation Administration (FAA) or by the City

10 No signs shall be allowed on any communication tower except as required for public safety purposes by the Federal Communications Commission (FCC) or by the City

11 Abandonment In the event the use of any communication tower has been discontinued for a period of one hundred eighty (180) consecutive days, the tower shall be deemed to be abandoned Determination of the date of abandonment shall be made by the Zoning Official who shall have the right to request documentation and/or affidavits from the communication tower owner/operator regarding the issue of tower usage Upon such abandonment, the owner/operator of the tower shall have an additional one hundred eighty (180) days within which to (i) reactivate the use of the tower or transfer the tower to another owner/operator who makes actual use of the tower, or (ii) dismantle and remove the tower At the earlier of one hundred eighty one (181) days from the date of abandonment without reactivation or upon completion of dismantling and removal, any special exception and/or variance approval for the tower shall automatically expire

12 Communication antennae not attached to a communication tower shall be permitted as an accessory use to any commercial, industrial, office, institutional, or public utility structure, provided that

a) The antennae are not higher than twenty-five (25) feet above the highest point of the structure,

b) The antennae comply with applicable FCC and FAA regulations, and

c) The antennae comply with all applicable zoning requirements and building codes, with the exception of the restriction pertaining to height limitations

13 Co-location of communication antennas To minimize adverse visual impacts associated with the proliferation and clustering of communication towers, co-location of communication antennas by more than one carrier on existing or new communication towers shall take precedent over the construction of new single-use communication towers as follows

a) Proposed communication antennas may, and are encouraged to, co-locate onto existing communication towers Provided such co-location is accomplished in a manner consistent with this Article, then such co-locations are permitted by right and new or additional special exception approval shall not be required

b) Type of construction A communication tower which is modified or reconstructed to accommodate the co-location of an additional communication antenna shall be of the same tower type as the existing communication tower

c) Height

i An existing communication tower may be modified or rebuilt to a taller height, not to exceed twenty-five (25) feet over the tower's existing height, to accommodate the co-location of additional communication antennae

ii The height change referred to in subsection "C(i)" above may only occur one time per communication tower

iii The additional height referred to in subsection "C(i)" shall not require an additional distance separation as set forth in subsection "14" The communication tower's premodification height shall be used to calculate such distance separation

d) On-site location

i A communication tower which is being rebuilt to accommodate the co-location of an additional communication antenna may be moved on-site within fifty (50) feet of its existing location

ii After the communication tower is rebuilt to accommodate co-location, only one tower may remain on the site

iii A relocated on-site communication tower shall continue to be measured from the original tower location for the purposes of calculating separation distances between communication towers pursuant to subsection "14" The relocation of a tower hereunder shall in no way be deemed to cause a violation of subsection "14"

iv The on-site relocation of a communication tower which comes within the separation distances to residential units or residentially zoned lands as established in subsection "14" shall only be permitted when notarized written consent is obtained from those affected residential property owners

14 Communication towers shall comply with the following standards for the minimum separation distance from existing communication towers and/or communication towers that have received a valid special use permit, use permit or building permit

MINIMUM SEPARATION BETWEEN TOWERS (BY TOWER TYPE)

Proposed Tower Types	Self-Supporting	Guyed	Monopole - 75 Feet in Height or Greater	Monopole - Less than 75 Feet in Height
Self-Supporting	2 5 Miles	2 5 Miles	1 5 Miles	1 Mile
Guyed	2 5 Miles	2 5 Miles	1 5 Miles	1 Mile
Monopole - 75 Feet in Height or Greater	1 5 Miles	1 5 Miles	1 5 Miles	1 Mile
Monopole - Less than 75 Feet in Height	1 Mile	1 Mile	1 Mile	1 Mile

a) Separation distances shall be calculated and applied irrespective of jurisdictional boundaries

b) Separation distances shall be measured from the Global Positioning System location of the existing, approved, or proposed communication tower A certified survey showing the GPS location of the proposed communication tower shall be submitted with any application for a special use permit, use permit, or building permit to demonstrate conformance with separation requirements

c) Towers which exist prior to the passage of this ordinanc are exempt from the separation distances aforementioned

SECTION 4

Section 30-28 of the Code of the City of Cranston, 1970, entitled, "Variances" is hereby amended by adding the following text thereto

(D) In granting a variance relating exclusively to the construction of wireless service towers on sites located in historic districts, the Zoning Board of Review shall consider all of the following criteria in addition to the other applicable criteria set forth in Section 30-18, entitled, "Specific Performance Standards"

(1) Evidence of the lack of space on suitable existing towers, buildings or other structures to co-locate the proposed antenna, cells, microcells and the lack of space on existing tower sites to construct a tower for the proposed antenna within the service area,

(2) Whether the wireless service provider will be unable to provide wireless services without the tower site,

(3) Whether the application represents a request for multiple use of a tower or site or use on a site contiguous to an existing tower site,

(4) Whether the application contains a report that other potential uses of the site and tower have been contacted, and they have been contacted, and they have no current plans, to the best of their ability to determine, that could be fulfilled by joint use,

(5) Whether the application shows how the tower or site will be designated or laid out

to accommodate future multiple users Specific design features evaluated shall include but not be limited to height, wind loading, and coaxial cable capacity, and

(6) Whether the proposed tower is to be located in an area where it would be unobtrusive and would not substantially detract from aesthetic or neighborhood character or property values, due either to location, shape of the tower (such as an imitation pine tree tower) or to the nature of surrounding uses (such as industrial use) or to lack of visibility caused by natural growth, landscaping or other factors

(7) Anything in the "hardship clause" to the contrary not withstanding, for purposes of wireless service towers only, hardship sufficient for the granting of a variance shall include the effect upon the applicant's ability to provide wireless service

(8) The applicant shall have the duty of presenting evidence relating to the criteria set forth herein

SECTION 5

Section 30-29 of the Code of the City of Cranston entitled, "Special Use Permit" is hereby amended by adding the following text thereto

(4) For the following specified use, the applicant shall have the duty of presenting evidence and the duty of presenting all studies and materials required herein as well as the additional burden of persuading the Zoning Board that the following specific requirements have been met

a For wireless service facilities the Zoning Board of Review shall evaluate all of the following additional evidence, information and factors in determining whether or not to grant a special use permit,

i That the applicant supply a definition of the area of service needed for coverage or capacity,

ii That the applicant supply information showing the proposed facility would provide the needed coverage or capacity,

iii That the applicant provide a map showing all sites (alternative sites) from which the needed coverage could also be provided, indicating the zoning for all such sites,

iv That the applicant demonstrate that existing facilities cannot accommodate the proposed facility within the service area and that the applicant demonstrate that an existing public, community or institutional facility cannot accommodate the proposed facility within the service area,

v That the applicant demonstrate that they cannot co-locate the facility within the service area,

vi That the applicant demonstrate, by presenting technological evidence, that the facility must be located at the proposed site in order to satisfy the needs of the applicant's wireless service grid system,

vii That the applicant shall allow other wireless service providers using similar technology to co-locate on,

viii That the applicant demonstrate how the site will be designed to accommodate future multiple users,

ix That the development of the proposed facility will preserve the pre-existing character of the surrounding buildings and land use as much as possible All components of the proposed facility shall be integrated through location and design to be compatible with the existing characteristics of the site to the extent practical Existing on site vegetation shall be preserved or improved and the disturbance of the existing topography shall be minimized, unless such disturbance would result in less visual impact of the facility on the surrounding area, and

x That the Zoning Board shall not regulate the placement construction, and modification of personal wireless service facilities on the basis of the environmental effects of radio frequency emissions to the extent that such facilities comply with the Federal Communication Commission's regulations concerning such emissions

SECTION 6

Severability The provisions of this ordinance are severable, and if any provision or application is held illegal, such illegality shall not affect the remaining provisions It is the legislative intent of the Council that this ordinance would have been adopted if such illegal provision had not been included and any illegal application had not been made Should any provision of this ordinance be finally found to be invalid by a court of competent jurisdiction, such provision shall be severed from the remainder of the ordinance and such action shall not affect the enforceability of the remaining provisions of the ordinance

SECTION 7

This ordinance shall take effect upon its final adoption

THE CITY OF CRANSTON

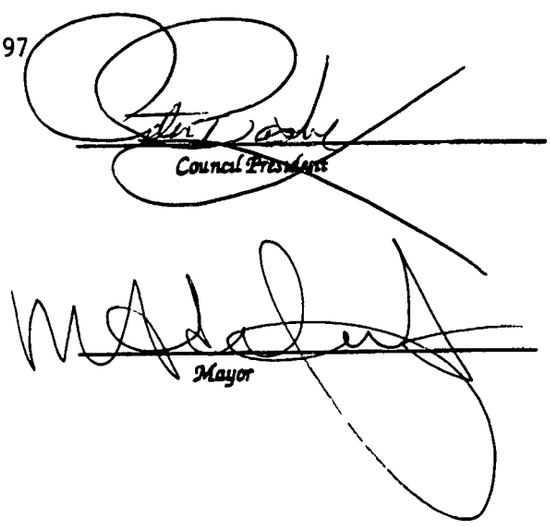

RESOLUTION OF THE CITY COUNCIL

RESOLUTION ESTABLISHING THE CRANSTON CITIZEN'S ADVISORY GROUP

No 97-11

Passed,
February 24, 1997

Approved,
February 24, 1997

Resolved, That

WHEREAS, It is the intent of the Cranston City Council to enhance the line of communication between the public and the elected officials by providing a bridge which narrows the gap between the people and their public officials. Although the elected officials have a prerogative to advocate the principles of their conscience, a wealth of information provides officials with a guide that enables them to discern those principles of conscience

NOW THEREFORE BE IT RESOLVED THAT,

1. **Creation of the Cranston Citizen's Advisory Group:** The Cranston City Council hereby establishes a Citizen's Advisory Group which will gather the information that the Council can utilize to make decisions. The Group will, from time to time as it sees fit, hold public forums to determine public opinion on matters facing the City Following such public forums, the group may report to the Council and Mayor, at the regular City Council meetings, their recommendations The Citizen's Advisory Group's recommendations to the Council and Mayor are non binding recommendations, whose sole purpose is to inform the Council and Administration

2. **The Group's Membership:** The Citizen's Advisory Group will consist of eleven (11) members, all of whom shall be residents of the City of Cranston, to be selected as follows

   a) One member to be appointed by the Mayor;
   b) Two members to be appointed by the City Council President, and

c) Eight (8) members to be appointed by the remaining eight (8) City Council persons, who each shall appoint one member Should any remaining City Council persons be unable or unwilling to appoint a member to said commission, that selection shall be made by the City Council Vice President in his or her place

The prospective members of the said Group shall be announced at the regular meeting of the Cranston City Council in April, 1997, or as such time thereafter as the City Council President shall determine. All members shall serve without financial compensation

3. **Purpose and Duties of the Group:** The Group is to collect public sentiment on issues it considers to be predominate in the City of Cranston The Group must manage and organize public forums. The purpose of any public forum held by the Cranston Citizen's Advisory Group is to act as a town meeting which enables all of the citizens of Cranston to voice their concerns Notice of said meetings shall be posted and advertised by the City Clerk in the same manner as a special City Council meeting The Group may then give its non-binding recommendation to the City Council

AGREEMENT

Agreement made this _____ day of _____, 1997 by and between the City of Cranston, a Rhode Island municipal corporation ("Cranston") with an address of 869 Park Avenue, Cranston, Rhode Island 02910 and W.F.D. ASSOCIATES, L.P., a Rhode Island limited partnership ("W.D.F.") with offices at 75 Lambert Lind Highway, Warwick, Rhode Island 02886

RECITALS

WHEREAS, Cranston is the owner of property designated as Lot 363 on Cranston Assessor's Plat 27/2 which was obtained by Cranston in a Deed recorded on May 11, 1990 in Book 702 at Page 157 (the "Cranston Property"); and

WHEREAS, W.F.D. is the owner of the property designated as Lot 14 and 30 on Cranston Assessor's Plat 28 and Lot 11 on Cranston Assessor's Plat 34 which was obtained by W.F.D. in a Deed recorded on June 22, 1994 in Book 869 at Page 319 (the "W.F.D. Property"); and

WHEREAS, W.F.D. is a developer of a residential subdivision on the W.F.D. Property known as Orchard Valley Estates located on Pippin Orchard Road in the City of Cranston; and

WHEREAS, a disagreement exists between Cranston and W.F.D. as to the proper location of the boundary line between their respective properties; and

WHEREAS, the existing common boundary line between the properties of the parties is uncertain and that the true location of this line has been made uncertain, and

WHEREAS, the parties desire to establish a new boundary line

for their mutual convenience.

For the reasons set forth above and in consideration of the following mutual covenants and promises, the parties agree as follows:

1. A new boundary line between the property owned by Cranston and W.F.D shall be located as depicted on that plan attached hereto as Exhibit "A".

2. The parties will accept the boundary line so located as the true common boundary line between their respective properties and will execute any necessary instruments embodying their agreement as to the location of the common boundary line.

3. Cranston and W.F.D. and their successors, heirs, executors and assigns shall thereafter respect the boundary line so located to that end and each will be able to plan and undertake use of their property without notice to the other.

4. It is agreed that this agreement shall governed by, construed and enforced in accordance with the laws of the State of Rhode Island.

5. This agreement constitutes the entire agreement between the parties and any prior understanding or representation of any kind preceding the date of this agreement shall not be binding on either party except to the extent incorporated in this agreement.

6. Any modification to this agreement or additional obligations assumed by another party in connection with this agreement shall be binding only if in writing signed by each party or an authorized representative of each party.

This agreement shall be recorded in the Land Evidence Records

of the City of Cranston. Said Agreement is authorized by the Cranston City Council by Ordinance No. 97-_____ approved _____, 1997.

IN WITNESS WHEREOF, each party of this agreement has caused it to be executed at the date and year first above written by its proper officers duly authorized

No 97-18

Passed, March 24, 1997

Approved, March 24, 1997

Council President
Peter T. Pastore, Jr.

Mayor
Michael A. Traficante

Resolved, That

Resolved, That

WHEREAS, It is the intent of the Cranston City Council to ease the financial burden on ratepayers affected by the recent sale of the Cranston Water System, which served the residents in Western Cranston, to the Providence Water Supply Board.

WHEREAS, the said affected residents/ratepayers will now access water use from the Providence Water Supply Board.

WHEREAS, the Providence Water Supply Board shall bill the residents/ratepayers residing the Western Cranston area directly, as a result of said Sale

WHEREAS, the said affected residents/ratepayers recently received their bills from THE CRANSTON WATER SUPPLY BOARD for the calendar year 1997, which reflects usage during the 1996 year.

WHEREAS, the recent billing received from the CRANSTON WATER SUPPLY BOARD requires a full pay off by the affected residents/ratepayers payable in two (2) installments due on or before March 17, 1997 and June 16, 1997 respectively.

WHEREAS, the full payoff of the affected residents/ratepayers' use for said periods of time by the stated due dates causes a financial hardship.

BE IT RESOLVED THAT, this City Council will approve any other reasonable payment installment plan payable by the affected residents/ratepayers to assist in easing their financial burden, as set forth hereinabove, such as the expansion of time over which they make payment for the water usage reflected on their current billing statements, as referenced hereinabove, including but not limited to an additional four (4) quarters for payment thereof.

It is ordained by the City Council of the City of Cranston as follows

SECTION 1

Section 30-3 of the Code of the City of Cranston, 1970, entitled, "Definitions" is hereby amended by adding thereto the following

Telecommunications Definitions The following definitions are related to the regulation and placement of telecommunication devices

Band A clearly defined range of radio frequencies dedicated to a particular purpose

Channel A segment of a frequency band Also referred to as "frequency"

Co-location Locating wireless communications equipment from more than one provider on a single tower or structure within a single site

Dish Antenna A dish-like antenna ranging from 2' to 8' in diameter used to link communications sites together by wireless transmission of voice or data Also called microwave antenna or microwave dish antenna

Guyed Tower A communication tower that is supported, in whole or in part, by guy wires and ground anchors

Latticed Tower A self-supporting communications tower, generally with three or four sides, open and made of a steel frame

Monopole Tower A communication tower consisting of a single pole, constructed without guy wires or ground anchors

Panel Antenna Also known as "sector antennas", these antennae have vertical and horizontal planes that aim signals in specific directions Panel antennae generally measure four to five feet in height, six to twelve inches in width, and six to eight inches in depth

Radio A generic term referring to communication of impulses, sounds, and pictures through space by means of electromagnetic waves

Telecommunications Antenna A device used in communications which transmits and/or receives telecommunications signals as authorized by the FCC Examples of such devices include dish, panel, and whip antennae

Telecommunications Facility A land use facility supporting antennas and microwave dishes that sends and/or receives radio frequency signals Communications facilities include structures or towers, and accessory buildings

Telecommunications Tower Towers intended to support equipment used to transmit and/or receive telecommunications signals, including latticed, guyed, and monopoles, or poles used for the provision of wireless services

Whip Antenna An antenna that transmits signals in 360 degrees Whip antennae are typically cylindrical in shape and are less than 6 inches in diameter and measure up to 18 feet in height also called omnidirectional, stick, or pipe antennas

SECTION 2

Section 30-8 of the Code of the City of Cranston, 1970, entitled, "Schedule of Uses" is hereby amended by adding thereto the following

SECTION 3

Section 30-18 of the Code of the City of Cranston, entitled "Specific Performance Standards" is hereby amended by adding thereto the following

(S) Telecommunications Facilities

(1) Applicability No wireless communications equipment shall be erected or installed except in compliance with the provisions of this Article The provisions of this Article apply to all wireless communications equipment, whether such equipment is used as a main use or as an accessory use Where conflicts exist between this Article and the remainder of this Code, the provisions of this Article shall govern

(2) Application Conference There shall be a bi-annual application conference at which cellular communication providers will meet with the Planning Director or his designee to discuss future potential tower site locations These application conferences will also serve as an opportunity for the City of Cranston to minimize the proliferation of cellular communication towers throughout the City by allowing telecommunication providers to set up co-location agreements between themselves and other telecommunication service providers Unless otherwise noted and properly advertised, this bi-annual application conference shall take place in the months of January and July

(3) Development standards to telecommunications towers

(a) Telecommunications towers shall be prohibited in any historic district except by a use variance from the Zoning Board of Review as well as a Certificate of Appropriateness from the Historic District Commission

(b) In addition to the standard requirements for submittal to the Zoning Board of Review, applications for a use variance or a special use permit for telecommunications facilities shall be accompanied by the following information (1) site plans and (2) photographs of the site and surrounding area

(c) The following standards shall apply to all applications

1 A reasonable effort shall be made to utilize existing structures for telecommunications antennae Should an existing structure not be utilized, evidence as to why not shall be submitted

2 City owned sites which are located in the prospective area and which could potentially accommodate the proposed antennae and communication towers shall be identified

3 Communication towers shall be set back from all property lines a minimum of one (1) foot for each one (1) foot of tower height When the property abuts a residential district or an historic district, the setback distance shall be one and one-half (1 5) feet for each one (1) foot of tower height All guy wires and guyed towers shall be clearly marked so as to be visible at all times and all guy wires shall be set back from all property boundaries the minimum of the zoning district in which they are located

4 All communication tower supports and peripheral anchors shall be located entirely within the boundaries of the development site and shall set back from all property boundaries the minimum of the zoning dist in which the communication tower is located, but no less than twenty- feet When located in or abutting a residential district or historic overlay district, the minimum distance shall be thirty five feet Supports and/or peripheral anchors shall not encroach upon the minimum landscaped screening requirement All supports and anchors shall have at a minimum a ten foot horizontal setback from any overhead utility line

5 Communication equipment buildings and structures shall be considered accessory uses and comply with the following setbacks

a) 100 square feet or less shall be set back from all property boundaries a minimum of fifteen feet, unless located in or abutting a residential district or historic overlay district which shall require a minimum of 25 feet

b) Greater than 100 square feet shall be set back from all property boundaries a minimum of twenty five feet unless located within or abutting a residential district or historic overlay district which shall require a minimum of thirty five feet

6 Communication towers shall be constructed and situated in suc manner as to fit in with the topography and features of the surround environment Tower bases shall be completely screened from the adjacent properties and streets by plantings, and appropriately camouflaged if required Plantings shall be of such a height and density as to ensure complete screening Screening shall consist of plant and/or tree material accepted by the City's Subdivision and Land Development Regulations, or

as accepted by the Director of Planning Screening shall not be less than five feet in width unless located in or abutting a residential district or historic overlay district which will require that it not be less than ten feet in width Screening may be waived by the Zoning Board on those sides or sections which are adjacent to undevelopable lands or lands not in public view Existing vegetation may be used as a substitute for or supplement towards meeting the landscaped screening requirement The owner of the property shall be responsible for all maintenance and shall replace any dead plantings within thirty days

7 Communication towers shall be enclosed by a fence no less than eight feet in height or more than ten feet in height from the finished grade Access shall be through a locked gate Communication towers in or abutting a residential district or historic overlay district shall have fencing comprised of wood or stone

8 Finished Color Communication towers not requiring FAA painting/marking shall have either a galvanized finish or painted a non-contrasting blue or gray finish, or other color matching the natural surroundings

9 Communication towers shall not be artificially lighted except as required for public safety purposes, by the Federal Aviation Administration (FAA) or by the City

10 No signs shall be allowed on any communication tower except as required for public safety purposes by the Federal Communications Commission (FCC) or by the City

11 Abandonment In the event the use of any communication tower has been discontinued for a period of one hundred eighty (180) consecutive days, the tower shall be deemed to be abandoned Determination of the date of abandonment shall be made by the Zoning Official who shall have the right to request documentation and/or affidavits from the communication tower owner/operator regarding the issue of tower usage Upon such abandonment, the owner/operator of the tower shall have an additional one hundred eighty (180) days within which to (i) reactivate the use of the tower or transfer the tower to another owner/operator who makes actual use of the tower, or (ii) dismantle and remove the tower At the earlier of one hundred eighty one (181) days from the date of abandonment without reactivation or upon completion of dismantling and removal, any special exception and/or variance approval for the tower shall automatically expire

12 Communication antennae not attached to a communication tower shall be permitted as an accessory use to any commercial, industrial, office, institutional, or public utility structure, provided that

a) The antennae are not higher than twenty-five (25) feet above the highest point of the structure,

b) The antennae comply with applicable FCC and FAA regulations, and

c) The antennae comply with all applicable zoning requirements and building codes, with the exception of the restriction pertaining to height limitations

13 Co-location of communication antennas To minimize adverse visual impacts associated with the proliferation and clustering of communication towers, co-location of communication antennas by more than one carrier on existing or new communication towers shall take precedent over the construction of new single-use communication towers as follows

a) Proposed communication antennas may, and are encouraged to, co-locate onto existing communication towers Provided such co-location is accomplished in a manner consistent with this Article, then such co-locations are permitted by right and new additional special exception approval shall not be required

b) Type of construction A communication tower which is modified or reconstructed to accommodate the co-location of an additional communication antenna shall be of the same tower type as the existing communication tower

c) Height

i An existing communication tower may be modified or rebuilt to a taller height, not to exceed twenty-five (25) feet over the tower's existing height, to accommodate the co-location of additional communication antennae

ii The height change referred to in subsection "C(i)" above may only occur one time per communication tower

iii The additional height referred to in subsection "C(i)" shall not require an additional distance separation as set forth in subsection "14" The communication tower's premodification height shall be used to calculate su distance separation

d) On-site location

i A communication tower which is being rebuilt to accommodate the co-location of an additional communication antenna may be moved on-site within fifty (50) feet of its existing location

ii After the communication tower is rebuilt to accommodate co-location, only one tower may remain on the site

iii A relocated on-site communication tower shall continue to be measured from the original tower location for the purposes of calculating separation distances between communication towers pursuant to subsection "14" The relocation of a tower hereunder shall in no way be deemed to cause a violation of subsection "14"

iv The on-site relocation of a communication tow which comes within the separation distances to residenti units or residentially zoned lands as established subsection "14" shall only be permitted when notarized written consent is obtained from those affected residential property owners

ix That the development of the proposed facility will preserve the pre-existing character of the surrounding buildings and land use as much as possible All components of the proposed facility shall be integrated through location and design to be compatible with the existing characteristics of the site to the extent practical Existing on site vegetation shall be preserved or improved and the disturbance of the existing topography shall be minimized, unless such disturbance would result in less visual impact of the facility on the surrounding area, and

x That the Zoning Board shall not regulate the placement, construction, and modification of personal wireless service facilities on the basis of the environmental effects of radio frequency emissions to the extent that such facilities comply with the Federal Communication Commission's regulations concerning such emissions

SECTION 6

Severability The provisions of this ordinance are severable, and if any provision or application is held illegal, such illegality shall not affect the remaining provisions It is the legislative intent of the Council that this ordinance would have been adopted if such illegal provision had not been included and any illegal application had not been made Should any provision of this ordinance be finally found to be invalid by a court of competent jurisdiction, such provision shall be severed from the remainder of the ordinance and such action shall not affect the enforceability of the remaining provisions of the ordinance

SECTION 7

This ordinance shall take effect upon its final adoption

Approved as to form and legality

On motion by Councilman Hersey, seconded by Councilman Pagliarini, the following Ordinance was adopted on a vote of 9 "yes" The following being recorded as voting "aye" Councilmen McAllister, Mancini, Councilwoman O'Hara, Councilmen Hersey, Pagliarini, Councilwoman Crudele, Councilmen Carlino, DeLorenzo and Council President Pastore -9

14 Communication towers shall comply with the following standards for the minimum separation distance from existing communication towers and/or communication towers that have received a valid special use permit, use permit or building permit

MINIMUM SEPARATION BETWEEN TOWERS (BY TOWER TYPE)

Proposed Tower Types	Self-Supporting	Guyed	Monopole - 75 Feet in Height or Greater	Monopole - Less than 75 Feet in Height
Self-Supporting	2 5 Miles	2 5 Miles	1 5 Miles	1 Mile
Guyed	2 5 Miles	2 5 Miles	1 5 Miles	1 Mile
Monopole - 75 Feet in Height or Greater	1 5 Miles	1 5 Miles	1 5 Miles	1 Mile
Monopole - Less than 75 Feet in Height	1 Mile	1 Mile	1 Mile	1 Mile

a) Separation distances shall be calculated and applied irrespective of jurisdictional boundaries

b) Separation distances shall be measured from the Global Positioning System location of the existing, approved, or proposed communication tower A certified survey showing the GPS location of the proposed communication tower shall be submitted with any application for a special use permit, use permit, or building permit to demonstrate conformance with separation requirements

c) Towers which exist prior to the passage of this ordinance are exempt from the separation distances aforementioned

SECTION 4

Section 30-28 of the Code of the City of Cranston, 1970, entitled, "Variances" is hereby amended by adding the following text thereto

(D) In granting a variance relating exclusively to the construction of wireless service towers on sites located in historic districts, the Zoning Board of Review shall consider all of the following criteria in addition to the other applicable criteria set forth in Section 30-18, entitled, "Specific Performance Standards"

(1) Evidence of the lack of space on suitable existing towers, buildings or other structures to co-locate the proposed antenna, cells, microcells and the lack of space on existing tower sites to construct a tower for the proposed antenna within the service area,

(2) Whether the wireless service provider will be unable to provide wireless services without the tower site,

(3) Whether the application represents a request for multiple use of a tower or site, or use on a site contiguous to an existing tower site,

(4) Whether the application contains a report that other potential uses of the site and tower have been contacted, and they have been contacted, and they have no current plans, to the best of their ability to determine, that could be fulfilled by joint use,

(5) Whether the application shows how the tower or site will be designated or laid out

to accommodate future multiple users Specific design features evaluated shall include but not be limited to height, wind loading, and coaxial cable capacity, and

(6) Whether the proposed tower is to be located in an area where it would be unobtrusive and would not substantially detract from aesthetic or neighborhood character or property values, due either to location, shape of the tower (such as an imitation pine tree tower) or to the nature of surrounding uses (such as industrial use) or to lack of visibility caused by natural growth, landscaping or other factors

(7) Anything in the "hardship clause" to the contrary not withstanding, for purpo[illegible] of wireless service towers only, hardship sufficient for the granting of a variance s[illegible] include the effect upon the applicant's ability to provide wireless service

(8) The applicant shall have the duty of presenting evidence relating to the criteria set forth herein

SECTION 5

Section 30-29 of the Code of the City of Cranston entitled, "Special Use Permit" is hereby amended by adding the following text thereto

(4) For the following specified use, the applicant shall have the duty of presenting evidence and the duty of presenting all studies and materials required herein as well as the additional burden of persuading the Zoning Board that the following specific requirements have been met

a For wireless service facilities the Zoning Board of Review shall evaluate all of the following additional evidence, information and factors in determining whether or not to grant a special use permit,

i That the applicant supply a definition of the area of service nee[illegible] for coverage or capacity,

ii That the applicant supply information showing the proposed facility would provide the needed coverage or capacity,

iii That the applicant provide a map showing all sites (alternative sites) from which the needed coverage could also be provided, indicating the zoning for all such sites,

iv That the applicant demonstrate that existing facilities cannot accommodate the proposed facility within the service area and that the applicant demonstrate that an existing public, community or institutional facility cannot accommodate the proposed facility within the service area,

v That the applicant demonstrate that they cannot co-locate the facility within the service area,

vi That the applicant demonstrate, by presenting technological evidence, that the facility must be located at the proposed site in order to satisfy the needs of the applicant's wireless service grid system,

vii That the applicant shall allow other wireless service providers us[illegible] similar technology to co-locate on,

viii That the applicant demonstrate how the site will be designed to accommodate future multiple users,

FEDERAL GRANT PROGRAMS

FEDERAL AND STATE GRANTS - ANNUAL REPORT
To the Members of the City Council.

For the fourth year, I am pleased to present a report on the City's of federal, state and private grant funds

Historically these monies have been used to supplement existing programs, to undertake demonstration activities designed to promote a specific concept, or to initiate and support programs that could not otherwise be offered, because of lack of municipal funding

In the past, federal and state funds have been used to expand our sewage treatment plant and to extend sewer service to developing parts of the City Grants have also assisted in water system expansion, repair and reconstruction of roads, expansion of school facilities and to underwrite a variety of social services

Over a decade ago, this began to come to an end. In some cases, block grants for instance, the old categorical programs were replaced with improved versions allowing cities far more latitude in the use of federal funds In other cases, especially in the area of water and sewers, the federal government eased itself out of the aid business altogether

I mention this in this report, because we are continuing to experience a major downsizing in federal and state aid that will affect us for years to come

The Department of Community Development

The Department of Community will be merging with the Department of Planning and the Department of Economic Development to form the Department of Planning and Development. This will provide for a more efficient and user friendly method of operation for Cranston residents **As a result of this consolidation, the Department of Community Development will be experiencing a 24% cut in salary expenditures as the position of Housing Program Manager will be eliminated. This will cut existing staff by 20%, however the duties will be absorbed by current CDBG staff and by members of the Planning Department.**

The Community Development Block Grant (CDBG), which is received throughout the Department of Housing and Urban Development (HUD), is the only grant administered by the City as a self-contained program. In 1996-97, the CDBG entitlement was $1,220,000 and we expect the 1997-98 allocation to be $1,216,000 The City also received through repayments of housing rehabilitation loans totaling approximately $237,373

The City has also spent $168,000 to date on a R.I. Housing grant on improvements to the Connetta Mobile Home Park on Dyer Avenue You may recall the City took a loan under Section 108 of the community development Act of 1974 to provide the Mobile Home owner's cooperative with a mortgage on the property The cooperative is repaying the loan

By far the largest program conducted with CDBG funds during this period was the first phase of a multi-year infrastructure improvement for the Arlington neighborhood. Several streets were resurfaced and the neighborhood saw newly paved sidewalks, rebuilt curbs and handicapped access ramps This project, including planning, supervision and construction cost $626,000 Phase two was a high priority for the 1996-97 program year and approximately $600,000 was spent. Phase three, commencing July 1, 1997 will cost approximately

$675,000 to complete. As part of the Arlington project, the City offered home improvement grants in the form of deferred loans to homeowners who met HUD's income eligibility standards Loans under this program do not have to be re-paid if the homeowner lives in the property for a minimum of five years after the rehabilitation is completed. In phase one, 21 homeowners received assistance totaling 140,904, while in phase two, 28 units were serviced totaling $131,752

In other areas, CDBG funds continued to support programs to assist families dealing with the tragedy of sexual abuse, to reach out to minority families in the community needed health care, to low income youths seeking higher education opportunities and to families needing assistance with food and rent.

Mayor Traficante will soon be announcing a major housing initiative which will focus on housing issues affecting Cranston into the next millennium.

Job Training

This is the City's primary source for job training programs for the residents of Cranston and Providence It is a unique private-public partnership with a Private Industry Council made up of business people and government officials controlling funding and programming Cranston is in a partnership with the City of Providence, a partnership that began with passage of the Act in 1982. Since the beginning of the two-city consortium, more than $32 million in job training money has flowed into the two communities. Last year, the total JTPA grant was $2,723,376 That includes a Summer Youth Employment Program that provides 600 young people with skills, training, and work experience, a dislocated workers program and educational opportunities for workers

The main objective of the department is to establish programs to prepare youth and unskilled adults for entry or re-entry into the labor force, and to afford job training to those economically disadvantaged individuals and others facing barriers to employment who are in special need of such training to obtain productive employment.

The Department of Senior Services

In 1996, the Department of Senior Services received federal grants totaling $45,000 and state grants totaling $275,695 95 The federal grant supported the Retired Senior Volunteer Program (RSVP), which places older citizens in public and private agencies where the expertise they have developed over a lifetime can assist other people.

Of the state grants, $208,000 is applied to the Transvan program which translates to reimbursement for about 30 percent of the rides provided to seniors and handicapped individuals Other state grants assist the department's social work program and the Adult Day Care program.

Public Libraries

In 1996, the City's public library system received a total of $110,027 in grants Most came from the state through the Department of Library Services Following are the specific grant programs

The state grant in aid which is designed for general library support. The amount was $37,384

The largest private grant came from the Champlin Foundation and assisted in the purchase of books and computer, CD-ROM supplies It was for $72,643 Other smaller grants came from the state for literacy efforts, from the Cranston Rotary Club to help at risk children in the Arlington area and from Citizens Bank for a summer reading program.

Department of Economic Development

The basic mission of this department is to maintain the current base and to attract new business to the city through services and programs The office serves as a liaison between business and government, assists in site selection for new clients and continues to co-sponsor several events for the business community

In 1996, the Cranston Office of Economic Development continued to assist business to locate or expand in the city through its principal, funding vehicle, the Cranston Revolving Loan Fund. Originally capitalized in the early 80's by a grant from the US department of Commerce, Economic Development Administration, in the amount of $600,000 with a 25% contribution of $200,000 from the city, the fund is fueled by repayments from clients and interest earned on the account. The city's contribution averages about 15% of the total investment of a project with the remainder provided by private sources

This fixed asset, gap financing program has provided assistance to 45 companies for a total dollar amount loaned of $2M. The fund has created ~~or retained 1,~~000 jobs in the community since its inception.

During 1996, the efforts of the Central West Bay Coalition were transformed into a regional economic development initiative with the creation of the Central RI Development Corporation, a 501c3 entity representing the seven communities of Cranston, Coventry, Warwick, West Warwick, East Greenwich, Johnston, and North Kingstown The mission of the organization is to develop the manufacturing base in the region to create jobs and an expanded tax base, to provide financial support for marketing and business plans and workforce training, and to serve as an advocate for economic development initiatives in the region

Presently, the corporation is seeking a $350,000 implementation grant from EDA in order to set their programs in motion.

1997-1998 Budget Message

INTRODUCTION

MR COUNCIL PRESIDENT, MEMBERS OF THE CITY COUNCIL, DR EDWARD MYERS, SUPERINTENDENT OF PUBLIC SCHOOLS, MEMBERS OF THE SCHOOL COMMITTEE, MUNICIPAL EMPLOYEES, TAXPAYERS, LADIES AND GENTLEMEN TONIGHT I SUBMIT TO THE CITY COUNCIL, FOR THEIR CONSIDERATION AND ACTION, MY PROPOSED BUDGET FOR THE FISCAL YEAR BEGINNING JULY 1, 1997 AND ENDING JUNE 30, 1998

AS I HAVE STATED EVERY YEAR, FOR THE PAST 13 YEARS I HAVE PRESENTED A BUDGET TO THE CITY COUNCIL, THE CREATION OF A SPENDING, SERVICE AND PROGRAM DOCUMENT AND POLICY FOR OUR CITY DOES NOT GET EASIER WITH THE PASSAGE OF TIME HOWEVER , ALTHOUGH ECONOMIC RECOVERY CONTINUES TO BE SLOWER IN RHODE ISLAND COMPARED WITH THE REST OF THE COUNTRY, THERE ARE SOME ENCOURAGING SIGNS LOCALLY, SUCH AS THE IMPROVEMENT IN THE GROWTH OF OUR CITY'S TAX BASE WHICH I WILL DISCUSS SHORTLY ADDITIONALLY, OVER THE PAST TWO YEARS THERE HAVE BEEN INITIATIVES TAKEN BY THIS ADMINISTRATION, SUPPORTED IN A BI-PARTISAN MANNER BY THE PRESENT AND PRECEDING CITY COUNCIL, THAT WILL HAVE AN EXTREMELY POSITIVE FINANCIAL IMPACT ON THIS BUDGET AND THE FINANCIAL STABILITY OF OUR CITY FOR YEARS TO COME

I WANT TO DRAW YOUR ATTENTION TO THREE INITIATIVES THAT WERE ACCOMPLISHED IN THE LAST 12 TO 18 MONTHS THESE INITIATIVES ARE THE LEASE CONTRACT OF THE WASTE WATER TREATMENT PLANT,

THE TRANSFER OF THE WESTERN CRANSTON WATER SYSTEM TO THE PROVIDENCE WATER SUPPLY BOARD, AND, THE MAJOR REFORM IN THE CITY'S POLICE AND FIRE PAY AS YOU GO PENSION SYSTEMS ALL OF THE AFOREMENTIONED IMPACT THIS BUDGET, AND ALL HAVE LONG TERM BENEFITS FOR THE TAXPAYERS OF THIS CITY HOWEVER, NONE OF THESE INITIATIVES COULD HAVE BEEN POSSIBLE OR SUCCESSFUL WITHOUT THE SUPPORT OF THE MEMBERS OF THE CITY COUNCIL IN BOTH POLITICAL PARTIES, AND THE ASSISTANCE, PROFESSIONAL ATTITUDE AND DEDICATION OF SEVERAL DEPARTMENT AND DIVISION EXECUTIVES TO EACH OF YOU, AND TO THE MEMBERS OF THE CITY COUNCIL, BOTH PAST AND PRESENT, MY HEARTIEST CONGRATULATIONS AND GRATITUDE FOR A JOB WELL DONE ON BEHALF OF THE TAXPAYERS OF OUR CITY I WILL DISCUSS THESE INITIATIVES IN MORE DETAIL LATER IN THIS BUDGET PRESENTATION

MEMBERS OF THE COUNCIL AND TAXPAYERS, PLEASE BE ASSURED THAT EVERY EFFORT HAS BEEN MADE IN THIS BUDGET TO MAINTAIN AN ACCEPTABLE LEVEL OF ESSENTIAL SERVICES, AND YET, TO TAKE THOSE STEPS AND PUT IN PLACE THOSE POLICIES THAT WILL INSURE ECONOMICAL, AFFORDABLE AND EFFICIENT OPERATIONS IN ESSENCE, THIS IS A *"BACK TO BASICS"* BUDGET STRESSING THE SERVICES THAT MEAN THE MOST TO OUR CITIZENS . THIS BUDGET WILL ENSURE THAT WE WILL PICK UP THE TRASH, PLOW THE SNOW, POLICE THE STREETS TO KEEP OUR COMMUNITY AND ITS RESIDENTS SAFE, PROVIDE THE FINEST FIRE AND RESCUE SERVICES, DEMAND AND DELIVER THE BEST EDUCATIONAL OPPORTUNITIES FOR OUR CHILDREN, OFFER AND

MAINTAIN THE FINEST YOUTH AND ADULT RECREATIONAL FACILITIES IN THE STATE, CONTINUE OUR COMMITMENT TO THE ELDERLY AND PROVIDE THE FINEST SENIOR SERVICES IN THE COUNTRY, REPAIR OUR ROADS AND INFRASTRUCTURE, AND, MAINTAIN THE INTEGRITY OF ALL OUR NEIGHBORHOODS

AND WE WILL DO THIS, LADIES AND GENTLEMEN, WITH FEWER RESOURCES BY PLACING GREATER RESPONSIBILITY ON AND DEMANDING GREATER PRODUCTIVITY FROM OUR MUNICIPAL EMPLOYEES I KNOW EMPHATICALLY, THEY WILL MEET THE CHALLENGE

THE 1997/1998 FINANCIAL POLICY OF THE CITY

THIS EVENING I PRESENT TO THE HONORABLE CITY COUNCIL A GROSS MUNICIPAL BUDGET OF $134,956,521 WHICH REPRESENTS A TOTAL INCREASE OF $728,857 OVER THE CURRENT GROSS BUDGET THAT, LADIES AND GENTLEMEN AND MEMBERS OF THE COUNCIL, IS AN INCREASE OF 54% OR JUST LITTLE MORE THAN ONE HALF OF ONE PER CENT THIRTY-NINE AND TWENTY-THREE HUNDREDS (39 23%) PER CENT OF THE GROSS BUDGET OR $52,941,816 IS PROPOSED FOR THE EXPENSES OF CITY DEPARTMENTS THE PROPOSED CITY BUDGET REPRESENTS AN INCREASE OF 4 99% OVER THE CURRENT CITY BUDGET CITY DEBT PAYMENTS ARE $6,943,648 OR 5 15% OF THE GROSS MUNICIPAL BUDGET AND THAT PAYMENT REPRESENTS A REDUCTION OF $1,876,915 MILLION OR A 21 28% DECREASE ON THE CURRENT YEAR'S DEBT SCHEDULE THE RECOMMENDED BUDGET FOR PUBLIC EDUCATION IS $75,071,057 AND THAT PROPOSED BUDGET REPRESENTS 55 63% OF THE GROSS MUNICIPAL

BUDGET THE SCHOOL BUDGET REPRESENTS AN INCREASE OF 3 90% OR $2,817,551 OVER THE CURRENT EDUCATIONAL BUDGET AS PASSED BY THE CITY COUNCIL

LADIES AND GENTLEMEN AND MEMBERS OF THE CITY COUNCIL, I SPEAK FROM EXPERIENCE WHEN I STATE THAT THESE PROPOSED BUDGETARY INCREASES COMPRISING THE GROSS MUNICIPAL BUDGET REPRESENT THE SMALLEST INCREASES IN RECENT HISTORY

WASTE WATER TREATMENT LEASE CONTRACT

THERE ARE SEVERAL REASONS FOR THE IMPROVED BUDGETARY PICTURE I AM ABOUT TO PRESENT TO YOU PERHAPS THE MAIN REASON IS THE CONTRACT LEASE OF THE WASTE WATER TREATMENT PLANT THIS IS, UNDOUBTEDLY, THE LARGEST PUBLIC WORKS FINANCING VENTURE IN OUR CITY'S HISTORY AND IT IS A CONTRACT WITH NATIONAL AND HISTORICAL RAMIFICATIONS WHAT IS HAPPENING IN CRANSTON IS BEING WATCHED WITH GREAT INTEREST BY SCORES OF COMMUNITIES ACROSS THE COUNTRY WE ARE ON THE CUTTING EDGE OF A NEW EVOLVING MARKET THAT WILL BENEFIT OUR FELLOW CITIZENS FOR GENERATIONS TO COME AND THOSE OF OTHER CITIES AS WELL

YES, IT HAS BEEN CONTROVERSIAL, AND YES, WE STILL HAVE OUR CRITICS I WOULD LIKE TO BE EXTREMELY CHARITABLE AT THIS TIME AND ATTRIBUTE NOTHING BUT THE NOBLEST OBJECTIVES TO OUR OPPONENTS HOWEVER, I AM EXTREMELY COMFORTABLE THAT WITH EACH DAY AND IN EVERY WAY THEY WILL

BE PROVEN WRONG TO GIVE YOU AN IDEA OF HOW PEOPLE IN THE FINANCIAL COMMUNITY VIEW THIS TRANSACTION, I WOULD LIKE TO QUOTE FROM A RECENT ANALYSIS MADE BY MAUREEN GURGHIGIAN, SENIOR VICE PRESIDENT AT FLEET SECURITIES, INCORPORATED FLEET, AS YOU ARE AWARE, IS THE CITY'S FINANCIAL ADVISOR SHE WROTE IN A RECENT FINANCIAL ANALYSIS OF THE TRANSACTION, *"IT IS OUR UNDERSTANDING THAT THE ADMINISTRATION PROPOSED TO UTILIZE THE $48 MILLION UP-FRONT PAYMENT RESULTING FROM THE PRIVATIZATION CONTRACT TO ELIMINATE THE CITY'S CUMULATIVE DEFICIT, TO DECREASE OR PAYOFF SEWER DEBT AND ESTABLISH A FUND BALANCE "* SHE GOES ON TO SAY THAT *"THOSE MEASURES WILL BENEFIT THE CITY IN THE FOLLOWING WAYS*

1 A STRONGER FINANCIAL POSITION FOR THE CITY'S GENERAL FUND AND SEWER FUND

2 IMPROVED LIQUIDITY AND ELIMINATION OF COSTLY SHORT TERM CASH FLOW BORROWING

3 A REDUCED DEBT BURDEN

4 ENHANCED CAPACITY TO MEET FUTURE CAPITAL NEEDS "

MRS GURGHIGIAN GOES ON FURTHER TO STATE THAT , *"THE COMBINED IMPACT OF THESE FACTORS CAN TRANSLATE INTO TAX RATE STABILIZATION, GREATER BUDGET FLEXIBILITY AND AN IMPROVED CREDIT POSTURE FOR THE CITY ONCE THE PROGRAM IS IN PLACE WE WOULD ADVISE THE CITY TO MEET WITH AND BRIEF THE RATING AGENCY ANALYSTS TO PRESENT SIMILAR INFORMATION TO THEM AND TO RESPOND TO THEIR*

QUESTIONS" I BELIEVE THE AFOREMENTIONED ANALYSIS BY OUR FINANCIAL ADVISORS SPEAKS VOLUMES FOR OUR CITY, THIS ADMINISTRATION, THE CITY COUNCIL AND THIS LEASE CONTRACT, AND ILLUSTRATES BOTH SHORT AND LONG TERM BENEFICIAL EFFECTS OF A WIDE RANGE OF ECONOMIC FUNCTIONS

MAY I ALSO POINT OUT THAT IN THIS PROPOSED BUDGET ALONE, THE TAXPAYERS OF OUR CITY ARE ALREADY REALIZING THE FINANCIAL BENEFITS OF THIS CONTRACT IN THE FOLLOWING AREAS FIRST, NOT A SINGLE PENNY OF TAX DOLLARS HAD TO BE DEDICATED FOR DEFICIT REDUCTION PURPOSES THUS SAVING THE TAXPAYER APPROXIMATELY THREE MILLION DOLLARS SECOND, THE SIGNIFICANT REDUCTION IN DEBT SERVICE COSTS, SOME $1,876,915 RECORDED AS PART OF THIS BUDGET, IS ALSO IN PART DIRECTLY DUE TO THE TREATMENT PLANT CONTRACT THIRD, THE INFUSION OF SOME $48 MILLION IN CASH FROM THE UP-FRONT LEASE FEE PAYMENTS HAS ALLOWED US TO PROJECT AN INCREASE OF INVESTMENT INCOME OF $779,500 TO BRING THE EXPECTED TOTAL OF $1,138,500 FOURTH, RESIDENTIAL HOME OWNERS WILL SEE A DECREASE OF $2 25 A YEAR IN THEIR ANNUAL SEWER USER RATE LASTLY, WE HAVE ALSO BEEN ABLE TO REALIZE PERSONNEL SAVINGS OF $570,418 IN THE ENTERPRISE BUDGET BECAUSE OF THE ELIMINATION OF AND RESPONSIBILITY FOR 15 POSITIONS IN THE SEWER MAINTENANCE DIVISION THOSE 15 POSITIONS WILL BE ABSORBED BY THE PRIVATIZATION PLANT OPERATOR IN ORDER TO PROVIDE THE SAME LEVEL OF SERVICES CRANSTON RESIDENTS PRESENTLY RECEIVE EVERYTHING I HAVE TALKED ABOUT, TO THIS POINT, WOULD RESULT IN A SIGNIFICANT TAX RATE REDUCTION,

HOWEVER, THERE ARE CERTAIN UNAVOIDABLE EXPENDITURE INCREASES THAT OFFSET MANY OF THESE SAVINGS

I AM HAPPY TO REPORT THAT, AS OF THIS DATE, THE REGULATORY AGENCY PROCESS, NAMELY THE RHODE ISLAND DEPARTMENT OF ENVIRONMENTAL MANAGEMENT AND THE UNITED STATES ENVIRONMENTAL PROTECTION AGENCY, IS PROCEEDING IN A VERY SATISFACTORY MANNER, AND I AM CONFIDENT THE NEGOTIATIONS WITH THE REGULATORS WILL BE COMPLETED BY THE MAY 15 ADOPTION OF THIS BUDGET THIS LEASE CONTRACT YIELDS BENEFITS TO THE CITY'S FINANCIAL ATMOSPHERE , FAR GREATER THAN WE HAD ANTICIPATED AT THE OUTSET OF THIS ECONOMIC AND ENVIRONMENTAL VENTURE OUR OBJECTIVES WERE NOT ONLY MET BUT WERE EXCEEDED BOTH FINANCIALLY AND ENVIRONMENTALLY

PERSONNEL CHANGES

WHILE THE TREATMENT PLANT LEASE CONTRACT HAS GIVEN OUR CITY THE OPPORTUNITY FOR FUTURE FINANCIAL STABILITY, THIS BUDGET ALSO INCLUDES SOME IMPORTANT PERSONNEL DECISIONS THAT CAUSE A FURTHER FINANCIAL IMPACT UPON THE BUDGET IN PUBLIC WORKS YOU WILL NOTE THAT THERE ARE SIGNIFICANT CHANGES THAT WILL COME ABOUT DUE TO IMPENDING RETIREMENTS OF TWO VERY DEDICATED SENIOR CITY EMPLOYEES, WHOM I MAY ADD, WILL BE DEARLY MISSED UPON THE DEPARTURE OF THE ASSISTANT PUBLIC WORKS DIRECTOR/TRAFFIC ENGINEER, I WILL REASSIGN HIS DUTIES AND ELIMINATE ONE

EXECUTIVE LEVEL JOB UNDER THIS REASSIGNMENT, THE POSITION OF TRAFFIC ENGINEER WILL BE FUNDED THROUGH THE END OF THE CALENDAR YEAR, AS WILL THE JOB OF ASSISTANT PUBLIC WORKS DIRECTOR AT THAT TIME, THE DUTIES OF THE TRAFFIC ENGINEER WILL BE TRANSFERRED TO THE PUBLIC WORKS ENGINEERING DIVISION AND THE JOB OF TRAFFIC ENGINEER WILL BE ELIMINATED THE DUTIES OF THE TRAFFIC ENGINEER WILL BE UNDERTAKEN BY THE ASSISTANT ENGINEER WITH NO ADDITIONAL COMPENSATION THE DUTIES OF ASSISTANT PUBLIC WORKS DIRECTOR WILL BE UNDERTAKEN BY THE DIRECTOR OF PARKS AND RECREATION AS ADDITIONAL BUT UNCOMPENSATED WORK AS WELL

UPON THE DEPARTURE OF THE CHIEF ENGINEER ON MARCH 1, 1998, THE ASSISTANT ENGINEER POSITION WILL BE DOWNGRADED TWO SALARY RANGES AND THE POSITION OF CHIEF ENGINEER WILL BE DOWNGRADED ONE SALARY RANGE THE CURRENT ASSISTANT ENGINEER WILL ASSUME THE DUTIES OF THE CHIEF ENGINEER THAT REASSIGNMENT OF RESPONSIBILITIES AND CHANGES IN SALARY GRADE WILL SAVE $50,574 IN THE FORTHCOMING BUDGET YEAR

OTHER SIGNIFICANT PERSONNEL CHANGES ARE

- ELIMINATION OF THE TRANSVAN DIRECTOR FOR A SAVINGS OF $56,224 THE ELIMINATION OF THIS MANAGERIAL LEVEL POSITION IS DUE TO A CONTRACT ARRANGEMENT WITH THE STATE RIDE/COMSIS PROGRAM THAT WILL ASSUME APPROXIMATELY 50% OF THE SCHEDULING AND TRIPS AND SOME

ADMINISTRATIVE DUTIES AS WELL, PRESENTLY COVERED BY TRANSVAN,

- DOWNGRADE THE ASSISTANT ASSESSOR/ADMINISTRATOR TO DEPUTY ASSESSOR AT A SAVINGS OF $14,064,
- DOWNGRADE THE AUDITOR/CONTROLLER FROM RANGE 37 TO RANGE 36 THE POSITION OF ASSISTANT FINANCE DIRECTOR IS ALSO ELIMINATED THROUGH ATTRITION THUS SAVING $13,875,
- ALSO THROUGH ATTRITION THE ELIMINATION OF THE HOUSING PROGRAMS MANAGER IN THE DEPARTMENT OF COMMUNITY DEVELOPMENT AT A SAVINGS OF $74,275

ALL OF THE AFOREMENTIONED CHANGES COME TO A SAVINGS OF $779,430

IN ADDITION TO THOSE IN PUBLIC WORKS, ENGINEERING, TRAFFIC SAFETY AND RECREATION, AS A METHOD TO IMPROVE EFFICIENCY I HAVE ALSO APPROVED A MERGER OF THE PLANNING/COMMUNITY DEVELOPMENT AND ECONOMIC DEVELOPMENT DEPARTMENTS THIS WILL PROVIDE A GREATER FOCUS ON CITY DEVELOPMENT IN ALL ITS ASPECTS BY CONCENTRATING ALL RESOURCES IN THIS AREA UNDER ONE JURISDICTION THIS CLEARLY DEMONSTRATES A WILLINGNESS OF THIS ADMINISTRATION AND ITS DEPARTMENT HEADS TO SEIZE OPPORTUNITIES AS THEY DEVELOP TO REALIGN OUR WORK FORCE IN THE MOST EFFICIENT WAY POSSIBLE

MY ADMINISTRATION HAS ALSO HAD PRELIMINARY INFORMAL DISCUSSIONS WITH COUNCIL MEMBERS CONCERNING THE POSSIBILITY OF AN EARLY RETIREMENT PLAN IT IS VERY SIMILAR TO THE ONE PROPOSED

LAST YEAR WHICH WAS TABLED AT THE REQUEST OF THE GENERAL ASSEMBLY IN ORDER TO SECURE AN ACTUARIAL STUDY THE ACTUARIAL STUDY WAS COMPLETED, BUT MORE IMPORTANTLY, WE HAVE DISCOVERED THAT THE MUNICIPAL EMPLOYEES RETIREMENT PLAN, WHICH IS ADMINISTERED BY THE STATE, IS SIGNIFICANTLY OVER FUNDED TO THE TUNE OF ABOUT $20 MILLION WHICH COULD DRASTICALLY REDUCE THE COST OF SUCH A PROPOSAL I HAVE NOT INCLUDED THIS PROPOSED PLAN OR ANY PROJECTED SAVINGS IN THIS BUDGET PROPOSAL UNTIL I HAVE HAD SUFFICIENT TIME TO MEET WITH AND BRIEF ALL COUNCIL MEMBERS

MORE INITIATIVES

THE PERSONNEL SHIFTS I HAVE DESCRIBED HAVE PARALLELS IN POLICY DECISIONS THAT ARE ALSO PART OF THIS BUDGET IN PUBLIC WORKS, WE WILL PRESS AHEAD WITH IMPLEMENTATION OF EXPANDED RECYCLING WHILE WE HAVE NOT INCLUDED SAVINGS IN THIS BUDGET, PAST EXPERIENCE HAS TAUGHT US THAT WHEN WE ENHANCE OUR RECYCLING EFFORTS PEOPLE RESPOND POSITIVELY AND THERE WILL BE SAVINGS NEGOTIATIONS ARE NOW UNDERWAY WITH OUR CONTRACTOR TO BEGIN THIS PROGRAM IN THIS COMING YEAR HOPEFULLY THESE NEGOTIATIONS WILL BE COMPLETED PRIOR TO MAY 15 SO THAT THIS BUDGET CAN REFLECT THE SAVINGS OF AN EXPANDED RECYCLING PROGRAM

I ALSO WANT TO ALERT THE COUNCIL THAT DISCUSSIONS WITH CIBA GEIGY HAVE RESUMED AND ARE PROGRESSING WELL I BELIEVE WE WILL BE ASKING YOU IN THE NEAR FUTURE FOR PERMISSION TO SIGN AN

AGREEMENT WITH THE COMPANY FOR THEIR MILL STREET PROPERTY, AND BY THIS TIME NEXT YEAR, A NUMBER OF CITY DEPARTMENTS AND DIVISIONS WILL RELOCATE TO THAT SITE THIS MOVE WILL OFFER SOME EXCITING OPPORTUNITIES FOR RESTRUCTURING IN THE PUBLIC WORKS, PLANNING, COMMUNITY DEVELOPMENT, ECONOMIC DEVELOPMENT, RECREATION AND INSPECTIONS AREAS THAT WILL SAVE TAX DOLLARS, MAKE OUR WORK FORCE MORE EFFICIENT AND LEAD TO INTERESTING INNOVATIONS IN MANAGEMENT GOAL SETTING I HAVE ALSO BEEN APPROACHED BY DR EDWARD MYERS, SUPERINTENDENT OF PUBLIC SCHOOLS, AND THE CRANSTON SCHOOL DEPARTMENT ABOUT RELOCATING THEIR ADMINISTRATIVE HEADQUARTERS AT THE CIBA SITE THIS LOOKS PROMISING AS WELL AND WOULD RELEASE MUCH NEEDED CLASSROOM SPACE TO CRANSTON HIGH SCHOOL EAST

OUR RECREATION DEPARTMENT HAS ALSO BEEN ACTIVE IN FINDING NEW WAYS TO DELIVER SERVICES FOR EXAMPLE, THE SUMMER SPORTS CAMP OPERATED BY THE DEPARTMENT IS TOTALLY SELF SUFFICIENT, SUPPORTED BY FEES AND PRIVATE BUSINESS AND MUNICIPAL DONATIONS THIS IS ALSO TRUE OF THE ANNUAL TREE LIGHTING CEREMONY HELD AT CHRISTMAS TIME AT THE ICE RINK AS WELL AS THE ANNUAL HALLOWEEN PARTIES HELD AT OUR LOCAL FIRE STATIONS

WHEN THIS DEPARTMENT WAS FACED WITH REOPENING THE BUDLONG POOL, IT WORKED CLOSELY WITH ADVOCATES OF THE POOL TO FORM AN ADVISORY COMMITTEE THAT IS COMMITTED TO RAISING $12,000 TO HELP

OFFSET THE EXPENSES OF OPERATING THE NEWLY RENOVATED FACILITY

REGARDING THE PLAYGROUND PROGRAMS, THE DEPARTMENT HAS TAKEN A HARD LOOK AT COSTS AND THROUGH THIS BUDGET PROCESS IS SEEKING TO RAISE USER FEES EQUITABLY TO OFFSET INCREASES IN THE MINIMUM WAGE AND SUPERVISORY EXPENSES

THESE INITIATIVES HAVE TO BE SEEN IN THE CONTEXT OF PROGRESSIVE PRIVATIZING OF MANY SERVICES FORMERLY PERFORMED BY PUBLIC EMPLOYEES FOR EXAMPLE, IN RECENT YEARS WE HAVE PRIVATIZED SNOW PLOWING, NUMEROUS CUSTODIAL AND MAINTENANCE FUNCTIONS, CARE OF LAWNS AND CARE OF TREES, CITY-WIDE PAVING, REFUSE COLLECTION, INDUSTRIAL PRETREATMENT, EMERGENCY SEWER CLEANING, OPERATION OF THE ICE RINK, AND OF COURSE, THE OPERATION OF THE WASTE WATER TREATMENT PLANT THESE INITIATIVES HAVE LITERALLY SAVED MILLIONS OF DOLLARS FOR OUR CITY'S TAXPAYERS IN RECENT YEARS IN BOTH THE OPERATIONAL AND PERSONNEL AREAS, AND IT IS A TREND THAT DESERVES FUTURE CONSIDERATION

SERVICES FOR SENIORS

I WANT TO TAKE A FEW MOMENTS TO TALK ABOUT AN AREA OF CITY SERVICE, THAT HAS BEEN A PRIORITY OF THIS ADMINISTRATION THAT IS THE WORK OF THE DEPARTMENT OF SENIOR SERVICES THIS CITY IS BLESSED WITH A VIGOROUS AND COMMITTED POPULATION OF OLDER CITIZENS WHO HAVE AND WANT TO

CONTINUE TO CONTRIBUTE TO THE COMMUNITY THROUGH ITS RSVP VOLUNTEER PROGRAMS, THE DEPARTMENT OF SENIOR SERVICES PROVIDES THE VEHICLE FOR SENIOR VOLUNTEERS TO HELP OTHER CRANSTONIANS IN THE PUBLIC AND NON-PROFIT AREAS THE DEPARTMENT ALSO ASSISTS OLDER RESIDENTS AND THEIR FAMILIES WITH SOCIAL SERVICE ISSUES, DAY CARE SUPPORT AND WITH TRANSPORTATION IN THE LATTER AREA THE DEPARTMENT HAS CLEARLY DEMONSTRATED A WILLINGNESS TO EXAMINE ITS PRIORITIES AND TO JOIN WITH THE STATE IN ITS RIDE PROGRAM TO REDUCE THE EXPENSE AND RESPONSIBILITIES OF THE TRANSVAN DIVISION WHICH IN TURN HAS REDUCED OUR OFFICE OVERHEAD AND CUT THE SCHEDULING FUNCTION BY 50% AS INDICATED PREVIOUSLY THE DIRECTOR'S JOB HAS BEEN ELIMINATED AND THE DEPARTMENT'S DEPUTY DIRECTOR WILL ASSUME MANY OF THE ADMINISTRATIVE RESPONSIBILITIES

THE IMPLEMENTATION OF A FEE INCREASE FOR ALL PROGRAMS HAS ENABLED THE PROGRAM'S DEPARTMENT TO BECOME MORE SELF SUPPORTING THE NUTRITION DIVISION CONTINUES TO EXPAND ITS SERVICES TO SENIORS WHILE BEING COGNIZANT OF KEEPING EXPENSES DOWN

THE WORK OF THE DEPARTMENT GOES FAR BEYOND ITS WALLS ON CRANSTON STREET THROUGH EDUCATIONAL PROGRAMS, LECTURES AND WORKSHOPS THE DEPARTMENT REACHES OUT TO SHARE ITS KNOWLEDGE AND EXPERTISE WITH THE COMMUNITY AND ESPECIALLY TO CARE GIVERS

FOR THE FUTURE, THE DEPARTMENT IS CONTINUING ITS COLLABORATIONS WITH THE VNA OF RHODE

ISLAND, IS ENGAGED IN SERIOUS TALKS WITH MAJOR HEALTH CARE PROVIDERS FOR MORE COMMUNITY BASED SERVICES AND CONTINUES TO DEVELOP RELATIONSHIPS WITH A NUMBER OF LOCAL BUSINESSES TO SUPPORT MANY ACTIVITIES FOR SENIORS

THROUGH A MYRIAD OF FUND RAISING EFFORTS, THE ADULT DAY CARE, SENIOR SERVICES AND RSVP ADVISORY BOARDS HAVE DONATED A MINIMUM OF $15,000 PER YEAR AND HAVE PURCHASED NECESSARY EQUIPMENT THAT WOULD HAVE BEEN IMPOSSIBLE TO BE FUNDED THROUGH THE OPERATING BUDGET WE DEEPLY APPRECIATE ALL OF THEIR HARD WORK AND COMMITMENT AND GENEROSITY IN THIS BUDGET THIS DEPARTMENT HAS SHOWN THE FRUIT OF ITS EFFORTS TO EXPAND ITS BASE OF GRANTS AND DONATIONS AND INCREASED ITS REVENUES BY $187,880 WHICH IS AN INCREASE OF 13 5% OVER THE CURRENT YEAR AND REDUCED ITS DEPENDANCE ON CITY DOLLARS BY OVER TWO THOUSAND DOLLARS THIS IS AN OUTSTANDING ACHIEVEMENT AND I SALUTE THE STAFF FOR THEIR DEDICATION AND INITIATIVE

AS A SIDE NOTE, TO ADD TO OUR NATIONAL RECOGNITION, THE UNITED STATES CONFERENCE OF MAYORS HAS RECENTLY NOTIFIED US THAT WE HAVE BEEN SELECTED AS A FINALIST FOR THEIR 1997 CITY LIVABILITY AWARD FOR OUR CITY'S WORK IN THE SENIOR DAY CARE AND ALZHEIMER DAY CARE ARENAS

NON-PERSONNEL ITEMS

IF YOU EXAMINE THE LINE ITEMS IN THIS BUDGET THAT DEAL WITH NON-PERSONNEL COSTS YOU WILL

DISCOVER AN INCREASE OF $656,047 OF THAT INCREASE, APPROXIMATELY 73% IS DIRECTLY DUE TO THREE ITEMS ELECTRICITY, REFUSE AND INSURANCE COSTS IN THE AREA OF ELECTRICITY, WE HAVE BEEN NOTIFIED BY NARRAGANSETT ELECTRIC THAT OUR COSTS FOR STREET LIGHTING WILL INCREASE BY MORE THAN $200,000 PERHAPS ALL OF YOU HAVE NOTICED THAT YOUR ELECTRIC BILLS HAVE INCREASED SIGNIFICANTLY DUE TO THE SO CALLED UTILITY RESTRUCTURING MEASURE PASSED BY THE GENERAL ASSEMBLY AND SIGNED BY THE GOVERNOR LAST YEAR WHETHER LONG TERM SAVINGS WILL OCCUR REMAINS TO BE SEEN, BUT IN THE SHORT RUN, WE ARE ALL PAYING MORE AND CITIES AND TOWNS ARE NOT IMMUNE FROM THIS WHILE WE HAVE NO CONTROL OVER THE RATES ALLOWED BY THE PUBLIC UTILITIES COMMISSION, WE CAN DEAL WITH OUR OWN CONSUMPTION TO THAT END, WE ARE TALKING WITH ENERGY MANAGEMENT COMPANIES TO FIND WAYS OF REDUCING OUR COSTS OF FUEL AND ELECTRICITY THERE IS ALSO A $200,000 INCREASE IN OUR CONTRIBUTION TO THE CITY'S SELF INSURANCE FUND THAT IS MADE NECESSARY BY THE REDUCTION OF THE CONTRIBUTION IN THE ENTERPRISE FUND AND THE NEED TO KEEP THE FUND SOLVENT WITH SUFFICIENT RESOURCES TO PAY CLAIMS AND OTHER INSURANCE COSTS I WOULD LIKE TO STRESS TO YOU THAT OF THE CITY'S 38 BUDGETARY DIVISIONS, 16 HAVE EXPERIENCED DECREASES IN NON-PERSONNEL LINE ITEMS AND 7 HAVE HELD TO THE STATUS QUO

PERSONNEL COSTS AND LABOR NEGOTIATIONS

PERSONNEL COSTS HAVE INCREASED IN THIS BUDGET DUE TO THE NEED TO HONOR EXISTING CONTRACTS, PAY FOR SEASONAL HELP AS WELL AS TO CONTINUE TO FUND OUR PUBLIC SAFETY PENSION PROGRAM THIS BUDGET ALSO CALLS FOR THE ADDITION OF FIVE CIVILIAN NEW DISPATCHER POSITIONS TO THE POLICE DEPARTMENT SEVERAL YEARS AGO, WITH THE APPROVAL OF THE CITY COUNCIL, WE MADE A DECISION TO CONVERT TO CIVILIAN DISPATCHERS THUS ELIMINATING THE NEED TO HAVE UNIFORMED POLICE OFFICERS WORKING AT THAT TASK SWORN POLICE OFFICERS ARE MORE EFFECTIVE DOING WHAT THEY ARE TRAINED TO DO, BE OUT ON THE STREET PROTECTING OUR CITIZENS AS THIS SYSTEM HAS DEVELOPED IT HAS BECOME CLEAR THAT BECAUSE OF THE NATURE OF THE DISPATCHING DUTIES AND THE SCHEDULE THEY WORK, WE NEED MORE FULL TIME EMPLOYEES TO FURTHER PROTECT THE HEALTH, SAFETY AND WELFARE OF OUR RESIDENTS I STRONGLY BELIEVE THAT THE HEALTH, SAFETY AND WELFARE OF OUR POLICE OFFICERS ON THE STREET, AND THE CITIZENS THEY ARE SERVING, DEPENDS UPON A STRONGER AND MORE EFFECTIVE DISPATCHING SYSTEM I KNOW THE COUNCIL MAY BE TEMPTED TO CUT THESE NEW JOBS BUT I URGE YOU TO LISTEN CAREFULLY TO COLONEL VINCENT McATEER WHEN HE MAKES HIS STRONG CASE FOR THESE JOBS THE ADDITIONAL DISPATCHERS ADD APPROXIMATELY $175,000 TO THE POLICE PERSONNEL BUDGET. THIS BUDGET REFLECTS PERSONNEL COSTS INCREASING FOR ALL MUNICIPAL EMPLOYEES BY APPROXIMATELY $1 5 MILLION BEFORE

I LEAVE THIS AREA, I WANT TO TOUCH BRIEFLY ON CONTRACT NEGOTIATIONS THIS YEAR WE WILL BE NEGOTIATING WITH THE POLICE AND FIRE UNIONS WE INTEND TO CONDUCT VIGOROUS NEGOTIATIONS AND WE WILL BE LOOKING FOR THE KIND OF FORWARD LOOKING CONTRACT THAT WAS NEGOTIATED LAST YEAR WITH THE CRANSTON MUNICIPAL EMPLOYEES ASSOCIATION AND THE NATIONAL ASSOCIATION OF GOVERNMENT EMPLOYEES THIS BUDGET DOES NOT INCLUDE PAY RAISES FOR EITHER UNION, NOR DOES IT INCLUDE PAY RAISES FOR THE SIX UNIONS THE SCHOOL DEPARTMENT IS PRESENTLY NEGOTIATING WITH I AM NOT AT LIBERTY TO SAY ANY MORE ABOUT OUR STRATEGY BUT I WILL KEEP THE COUNCIL INFORMED ABOUT OUR PROGRESS AND I WILL SEEK YOUR INPUT AT ALL STAGES OF THE NEGOTIATIONS

PUBLIC EDUCATION

AS I NOTED EARLIER THE RECOMMENDED BUDGET FOR PUBLIC SCHOOLS HAS RISEN BY $2,817,551 OVER THE BUDGET APPROPRIATED BY THE CITY COUNCIL IN 1996-1997 THAT INCREASE BREAKS DOWN THIS WAY $1,347,888 STATE AID FOR OPERATIONS,$228,000 MISCELLANEOUS REVENUES AND $1,240,789 IS NEW CITY TAX DOLLARS THIS WILL YIELD A TOTAL SCHOOL BUDGET FOR 1997-1998 OF $75,071,057 I STRONGLY BELIEVE THAT THE BUDGET PROPOSED FOR SCHOOL PURPOSES IS ADEQUATE, IN THIS DAY OF LIMITED RESOURCES TO MEET THEIR MANDATE TO OFFER OUR CHILDREN THE FINEST EDUCATION POSSIBLE

CAPITAL BUDGET AND CAPITAL IMPROVEMENTS

THIS BUDGET ALSO INCLUDES A PROGRAM FOR CAPITAL IMPROVEMENTS AND A CAPITAL BUDGET TO FINANCE THOSE IMPROVEMENTS THE AMOUNT I AM RECOMMENDING TO THE CITY COUNCIL IS $4,091,000, A $115,000 INCREASE OR A 3% INCREASE OVER THE CURRENT YEARS CAPITAL BUDGET THIS IS APPROXIMATELY $378,000 LESS THAN THE $4,468,861 OF BOND PRINCIPAL WHICH THE CITY EXPECTS TO RETIRE THIS YEAR THIS IS A SOUND PRACTICE THAT WE SHOULD CONTINUE TO ADHERED TO THE BUDGET INCLUDES ONLY PROJECTS THAT HAVE BONDING AUTHORITY THUS, THERE IS NO CAPITAL SPENDING FOR THE POLICE AND FIRE DEPARTMENTS BECAUSE THOSE BONDS ARE EXHAUSTED AND NO NEW AUTHORITY WAS GIVEN BY THE VOTERS AT THE LAST ELECTION THE NEEDS FOR THESE TWO DEPARTMENTS, IN PARTICULAR, REMAIN AND CITIZENS OF THIS CITY WILL HAVE TO ADDRESS THEM IN FUTURE REFERENDUMS

THE CAPITAL PLAN FOR THIS YEAR DOES INCLUDE NEEDED MAJOR REPAIRS AND RENOVATIONS TO PUBLIC SCHOOLS, MODERATE HIGHWAY IMPROVEMENTS AND CONTINUED IMPROVEMENTS TO COMMUNITY RECREATIONAL FACILITIES, HOWEVER, THERE ARE NO NEW RECREATIONAL PROJECTS I WOULD LIKE TO NOTE THAT SCHOOL DEPARTMENT PROJECTS ACCOUNT FOR OVER 74% OF THE TOTAL CAPITAL BUDGET

I ALSO WANT TO INFORM YOU THAT WE ARE MAKING THE MOST EFFECTIVE USE OF FUNDS TO IMPROVE OUR ROADS MONIES FROM THE FEDERAL INTERMODAL SURFACE EFFICIENCY TRANSPORTATION ACT (WHICH

IS KNOWN FONDLY AS ISTEA), FOLLOWING RIDOT APPROVAL, WILL BE USED TO RESURFACE PORTIONS OF CRANSTON STREET, WEBSTER AVENUE, OLNEY ARNOLD ROAD, COMSTOCK PARKWAY, PHENIX AVENUE AND FURNACE HILL ROAD, PARK AVENUE AND THE GLADSTONE/CHESTNUT HILL AREA WE WILL ALSO CONTINUE OUR $2 MILLION COMMITMENT TO THE ARLINGTON AREA WITH COMMUNITY DEVELOPMENT FUNDS

THE FUTURE-COOPERATION

TONIGHT THE CITY ADMINISTRATION WILL TAKE A STEP TOWARDS THE FUTURE A FUTURE OF INDUSTRIAL AND BUSINESS EXPANSION IN THE CITY WHICH WILL MEAN MORE AND BETTER JOBS FOR OUR RESIDENTS THE TIME HAS COME FOR THE CITY TO THINK SERIOUSLY OF ECONOMIC INCENTIVES TO STIMULATE THE DEVELOPMENT OR REDEVELOPMENT OF TARGETED SITES OTHER COMMUNITIES ARE OFFERING A VARIETY OF INCENTIVES TO ATTRACT BUSINESS AND CRANSTON CANNOT LET ITSELF LAG BEHIND TONIGHT, WITH COUNCIL PRESIDENT PETER PASTORE AND THE MEMBERS OF THE COUNCIL, I WILL INTRODUCE A RESOLUTION THAT WILL ASK LEGISLATIVE APPROVAL FOR THE COUNCIL TO DESIGNATE DEVELOPMENT AREAS AND TO OFFER BUSINESS INCENTIVES TO LOCATE IN THIS AREAS CERTAINLY AREAS SUCH AS THE FORMER NARRAGANSETT BREWERY, THE FORMER TRAINING SCHOOL PARCELS AND THE PONTIAC AVENUE RIDOT SITE COME IMMEDIATELY TO MIND AS CANDIDATES FOR TAX INCENTIVE STIMULATION THESE ARE CRUCIAL FIRST STEPS IN A PROGRAM THAT CAN PRODUCE A MORE BUSINESS AND JOBS FRIENDLY ATMOSPHERE IN CRANSTON AS TIME GOES ON, I WILL BE

WORKING WITH THE MEMBERS OF THE COUNCIL TO DEVELOP A PROGRAM TO HOPEFULLY PHASE OUT THE RETAIL INVENTORY TAX WHICH POSES SUCH A DISINCENTIVE TO MANY BUSINESSES THESE ARE IMPORTANT STEPS THAT WE MUST TAKE, BUT THEY MUST BE TAKEN CAREFULLY SO THAT WE DO NOT THROW OUT OF BALANCE THE TAX BASE THAT SUPPORTS THIS CITY

IN THAT REGARD, THE COUNCIL AND I ARE ALSO WORKING TO EXTEND THE HOMESTEAD EXEMPTION TO MULTI-FAMILY DWELLINGS AND TO DEVELOP A PRORATION OF THE HOMESTEAD EXEMPTION FOR NEW OWNERS WHO PURCHASE PROPERTY DURING THE CALENDAR YEAR

I AM CONFIDENT THAT WE WILL SEE A NEW ERA OF COOPERATION AND BI-PARTISANSHIP BECAUSE WE ARE BENEFITING FROM SUCH AN ERA NOW THIS YEAR AND LAST, SAW THE APPROVAL OF THE TREATMENT PLANT CONTRACT AND THE ANNEXATION OF THE WESTERN CRANSTON WATER SYSTEM WHICH HAS SAVED TAXPAYERS SUBSTANTIALLY IN BONDING COSTS AND FUTURE CAPITAL IMPROVEMENT COSTS THE OTHER AREA OF COOPERATION WAS THE REFORM AND SOLVENCY OF THE PUBLIC SAFETY PENSION SYSTEM IN THIS MATTER, WE WERE ABLE TO CREATE A NEW PENSION FOR POLICE AND FIRE RECRUITS IN THE STATE SYSTEM THAT IS FUNDED, AND WE BEGAN THE TASK OF FUNDING OUR OWN CITY MANAGED SYSTEM THIS YEAR HAS SEEN THE CREATION OF CRANSTON 2000, A NEW ECONOMIC DEVELOPMENT VENTURE WHICH WAS INITIATED BY THE COUNCIL PRESIDENT AND COUNCILMAN JOHN MANCINI AND ONE WHICH HAS THE FULL SUPPORT OF MY OFFICE

YOU WILL NOTE THAT I HAVE NOT BUDGETED ANY INCREASE IN PILOT AID, ALTHOUGH I AM HOPEFUL THAT WITH THE ASSISTANCE OF COUNCILMAN JOSEPH DiLORENZO, THE COUNCIL'S LEGISLATIVE LIAISON OFFICER AND OUR LEGISLATORS THE GENERAL ASSEMBLY WILL GIVE US SOME RELIEF I BELIEVE ANY SUCH INCREASE IN STATE AID CAN BE USED IN A VARIETY OF WAYS WITH COUNCIL APPROVAL I E

- ADDITIONAL SCHOOL AID,
- OFFSET ANY TAX CONCESSIONS,
- BUDGET ENHANCEMENTS OR
- ADDITIONAL PROPERTY TAX RELIEF

CONCLUSION

AS YOU EXAMINE THIS BUDGET, I BELIEVE YOU WILL SEE THAT WE HAVE HEARD THE PLEAS OF TAXPAYERS TO HOLD DOWN SPENDING, TO RIGHT-SIZE GOVERNMENT, TO BE INNOVATIVE AND TO ELIMINATE OR REDUCE THE COSTS OF JOBS WHEREVER POSSIBLE THIS YEAR WE ARE PROJECTING SIGNIFICANT REVENUE INCREASES OF APPROXIMATELY $2 1 MILLION INCLUDING AN INCREASE OF $938,620 THOUSAND IN NEW ADDITIONAL REAL ESTATE NET TAXES THAT ALONE DEMONSTRATES THE REEMERGENCE OF A HEALTHY REAL ESTATE MARKET IN CRANSTON, DESPITE THE PREDICTIONS OF THE DOOMSAYERS LAST YEAR

BECAUSE OF THE EFFORTS OF CITY DEPARTMENT MANAGERS TO MAKE THIS CITY WORK EVEN WHEN THEIR

RESOURCES HAVE BEEN DECREASED, BECAUSE OF INITIATIVES LIKE THE LEASE CONTRACT OF WASTE WATER TREATMENT PLANT AND THE ANNEXATION OF THE WESTERN CRANSTON WATER SYSTEM AS WELL AS INCREASED REVENUES AND PERSONNEL REDUCTIONS, THIS BUDGET, IF ADOPTED, AS PRESENTED WILL REQUIRE A TAX RATE OF $31 98 PER THOUSAND FOR REAL ESTATE AND PERSONAL PROPERTY, WHICH IS A REDUCTION OF 11 CENTS PER THOUSAND I RECOGNIZE THAT THIS IS NOT A LARGE AMOUNT, BUT I TRULY BELIEVE IT REPRESENTS AN IMPORTANT STEP, AND IT DEMONSTRATES THAT WE ARE ON THE ROAD TO SOUND FISCAL HEALTH

I THANK YOU FOR YOUR ATTENTION AND I LOOK FORWARD TO WORKING WITH YOU IN THE DAYS AND WEEKS AHEAD TO FASHION AN EFFECTIVE FINANCIAL POLICY FOR OUR CITY

THANK YOU

ANNUAL BUDGET

CRANSTON PUBLIC SCHOOLS

CRANSTON, RHODE ISLAND

1997-1998

CRANSTON PUBLIC SCHOOLS
845 Park Avenue
Cranston, Rhode Island 02910-2790

EDWARD J. MYERS, Ed.D.
Superintendent of Schools

The budget originally submitted to the Cranston School Committee was in the amount of $79,619,947 (an increase of $6,557,238) During the course of three Public Budget Work Sessions, the School Committee reduced the budget by $3,423,875 This reduced the budget request to the amount of the enclosed budget - $76,196,072 (an increase of $3,133,363)

The Superintendent's Budget Message which follows is the message which accompanied the original budget request to the Cranston School Committee on January 21, 1997 in the amount of $79,619,947

Budget Message
1997-1998
Edward J. Myers, Superintendent of Schools
Cranston Public Schools

A factor that has characterized the budget process nearly every year of this decade is the difficult fiscal reality confronting state and local government Unfortunately, as we prepare our budget request for 1997-1998, we do not have a state revenue projection as we have had in previous years. We will not have that information available to us until the Governor's budget message which will be delivered in February Coupled with this is the fact that the contracts of all bargaining units within the Cranston Public Schools will end this year, and are in the process of being negotiated

Notwithstanding all of this, requested budget recommendations to the Cranston School Committee FY 1998 is in the amount of $79,619.947.00. This represents an 8.975 per cent increase. While this is a considerable increase over the previous year, it does represent the lowest requested increase in recent years. This budget recognizes the fact that there has been considerable pupil growth in Cranston during the past couple of years. During the present school year, we have increased 283 students with a 191 projected increase for next year. At the same time, we have been forced to reduce both certified and non-certified staff to levels below 1995-1996. This was necessitated by fiscal constraints imposed by the last budget. However it has resulted in very large classes with over 100 classes being at student cap or above the cap. Consequently, there is a need to add considerable personnel in our budget requests. We have provided information in this budget proposal for an increase of certified staff of approximately nineteen positions. In addition, we have also provided rationale for a relatively modest increase in the non-certified staff again reflecting both the increased enrollment and the fact that we have had to make major cuts this year. Although no additional central office administrators are proposed in this budget, I am strongly recommending the hiring of two additional assistant principals for our high schools and a special education

administrator. The additional assistant principals positions were recognized a number of years ago when we first proposed moving to the four year high school, but because of the budget constraints over the past few years, we have not been able to fill those necessary positions. With the growth in our high school populations and the fact that both of our high schools are spread out in more than one building, together with the increase in student diversity and the number of students with emotional and behavioral issues, these additional positions are clearly needed. We are also proposing an additional special education administrator to deal with the increasing numbers and complexity of this very sensitive and important area. Based on population statistics of public and non-public school students as well as our growing pre-school population, this data, by itself, requires that we add a third special education administrative position.

This budget proposal recognizes the necessity of increasing pupil allocation for the purchase of books, supplies and educational materials. This allocation has not increased in the last five years, and during that time inflation has eaten up a great deal of the purchasing power of the allocated funds. For example, paper products have risen between fifty and eighty per cent in the last five years! Based on the importance that we place on providing adequate supplies and materials to our students, it is critical that we address an increase in this area.

In the area of physical plant, we are attempting to restore funding in the various accounts to the approximate levels of the 1995-1996 budget. We are also adding a new account in the plant area, one that we are identifying as an Asset Protection Account in the amount of $375,000.00 This important account will allow us to take on many of the important and necessary projects that we should be addressing but are not able to because of budget limitations. These are projects that typically require more resources than we have available in our operating budget but are less than the scope of the kinds of things that we handle through our capital budget. Examples of this would be improvements to our parking lots, extensive painting needs, tile replacements and other important projects which can be very expensive. Each building has a number of projects that could be well addressed through the support of such an account.

There are numerous other areas that are driving the increase in this budget, an example of which is a needed increase in our special education tuitions in an amount in excess of $100,000.00. This is necessitated by high costs in this area and the fact that we recently had a number of students move into the district that had individualized educational programs in place which required high cost outside placements.

We anticipate increases in our health benefits, based on a recommendation of our health consultant, to include a ten per cent increase in health insurance and a five per cent increase in dental insurance. Utilities continue to go up, and we need look no further than what has happened to oil and gasoline prices during the past year, as well as gas rates. Also, despite deregulation, we are told to anticipate increases in the electric costs in the year ahead.

A very important area that we need to respond to in this budget is the recommendations of the New England Association of Schools and Colleges. Cranston East went through an

accreditation process during the 1995-1996 school year, and Cranston West is scheduled for a review in the spring of 1997. We are already aware of a considerable number of recommendations that we must address with respect to Cranston East, and I am sure there will be a number of recommendations that will come out of the West accreditation review. Since there is a need to directly respond to these recommendations in a manner that is both expeditious and well documented, I am recommending the creation of a specific account which will deal with these various necessary expenditures.

We have also included in our budget a proposal of $75,000.00 for development of an alternate educational program. That program recognizes the fact that we are dealing with a great number of students at the secondary level who are not well served by the traditional educational program and need alternate types of education. For example, a type of student that this program would serve might be a youngster who has been excluded from school for some behavior, possibly of a violent nature, but recognizing that there is a need to continue the youngster's education. However, because of safety concerns, it should be done in an alternate setting.

There are obviously many things that we hope to accomplish in this budget in our total educational program K-12, for both our regular and our exceptional students. A number of these points are detailed in the various budget messages provided by central office administration.

For Cranston to continue to provide a quality educational program to all of its students, this budget proposal deserves serious consideration, and hopefully, the full support of the School Committee and the community.

THE CITY OF CRANSTON

RESOLUTION OF THE CITY COUNCIL

RESOLUTION MEMORIALIZING THE GENERAL ASSEMBLY TO ENACT LEGISLATION AUTHORIZING AN ECONOMIC DEVELOPMENT TAX INCENTIVE PROGRAM IN THE CITY OF CRANSTON

No 97-23

Passed, April 2, 1997

Approved, April 2, 1997

Council President
Peter T. Pastore, Jr.

Mayor
Michael A. Traficante

Resolved, That

WHEREAS, there are several parcels of real estate located within the City of Cranston which have the potential to be developed for industrial, commercial, retail, entertainment, hotel, research & development, distribution, office, and manufacturing purposes, among others, and

WHEREAS, it is the intent of the City Administration and the City Council to assist property owners in attracting and accommodating all types of business entities and commercial enterprises for the purposes, among others, of generating tax revenue by enlarging the tax base, increasing commercial building investment, and generally expanding employment and employment opportunities in the State of Rhode Island and for the residents of the City of Cranston, and

WHEREAS, it is the intent of the City Administration and the City Council to implement a tax incentive program in the City of Cranston to assist property owners to lease, rent, build-to-suit or otherwise develop sub-divided portions of the various parcels of real property to commercial firms and enterprises who locate in the City of Cranston, and

WHEREAS, both the City Administration and the City Council agree that it is in the best interest of the taxpayers of the City of Cranston to assist the development of said property by the stabilization, reduction, modification, and/or abatement of the assessment, levy, and/or payment of certain real estate and tangible personal property taxes, and/or the exemption of certain property, in whole or in part, from the assessment, levy, and/or payment of certain real estate and tangible personal property taxes, in order to encourage the development of said property and to attract numerous and substantial commercial enterprises. to the City, to eventually substantially increase the City's tax base, and to generally expand employment and employment opportunities in the State of Rhode Island and for the residents of the City of Cranston

NOW, THEREFORE, BE IT RESOLVED that Mayor Michael A. Traficante and the Cranston City Council hereby urge the members of the Rhode Island General Assembly to introduce and pass enabling legislation authorizing the City of Cranston to create an Economic Development Tax Incentive Program for the City of Cranston to provide for a schedule of exemptions from assessed valuation for real and tangible personal property of property owners or businesses which create jobs in the City of Cranston and also provide for a schedule of exemptions from assessed valuation or determine a stabilized amount of taxes to be paid for real and tangible personal property of property owners or businesses for any retrofit, expansion, or renovation of specifically permitted uses, provided, however, that such exemption shall be for a period of no more than ten (10) years

BE IT FURTHER RESOLVED, that the amount of the exemption or stabilization and the rules and regulations regarding the eligibility and qualification for said exemption or stabilization shall be provided by ordinance and the City Council may, from time to time, by amendment to said ordinance make such changes in the amount of exemption or stabilization or in the rules and regulations regarding eligibility and qualification for said exemption as it deems necessary

BE IT FURTHER RESOLVED, that the City Clerk forward a certified copy of this resolution to the Rhode Island General Assembly immediately upon passage

On motion by Councilwoman O'Hara, seconded by Councilman DeLorenzo, the following Resolution was adopted on a vote of 9 "yes", unanimous consent having been given for its immediate consideration. The following being recorded as voting "aye" Councilmen McAllister, Mancini, Councilwoman O'Hara, Councilmen Pagliarini, Hersey, Councilwoman Crudele, Councilmen Carlino, DeLorenzo and Council President Pastore -9.

-APRIL 2, 1997-

THE CITY OF CRANSTON

RESOLUTION OF THE CITY COUNCIL

REQUESTING THE GENERAL ASSEMBLY TO ENACT LEGISLATION RELATING TO REAL ESTATE NONUTILIZATION TAX

No 97-24

Passed
April 2, 1997

Approved
April 2, 1997

Council President
Peter J. Pastore, Jr.

Mayor
Michael A. Traficante

Resolved, That

Whereas, There are numerous vacant and abandoned properties in the city of Cranston, and the existence of these properties within the city contributes to the deterioration of its viable real estate, and

Whereas, vacant and abandoned properties sometimes place a greater demand on essential city services such as police, fire and code enforcement than do occupied properties comparably assessed for real estate purposes, and

Whereas, the owners of vacant and abandoned properties do not always contribute fair share of the costs of providing the foregoing essential city services, financed in part by real estate tax revenues, and

Whereas, some properties are deliberately left vacant by their owners in the hope that real estate values will increase, thereby enabling the owners to sell these properties at a substantial profit without making any of the required repairs or improvements to the property, and

Whereas, the owners of vacant and abandoned property must be required, through the city's power to tax, to pay a fair share of the cost of providing certain essential city services,

Therefore, be it resolved that, Sections 44-5.1-1 and 44-5 1-3 of the General Laws in Chapter 44-5.1 entitled "Real Estate Nonutilization Tax" be amended so that the city of Cranston be empowered to impose a tax upon the owners of vacant and abandoned property within the city The tax shall be inaddition to any other taxes authorized by the general or public laws.

Councilman Carlino announced the following dates for hearings on the budget.

Public Hearing - Thursday, April 3, 1997 at 7 00 PM at Park View Junior High School.

THE CITY OF CRANSTON

ORDINANCE OF THE CITY COUNCIL

IN AMENDMENT OF CHAPTER 26 OF THE CODE OF THE CITY OF CRANSTON, 1970, ENTITLED "SEWERS"

Passed April 28, 1997

No 97-13

Council President

Approved

April 28, 1997

Mayor

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Article XI of Chapter 26 of the Code of the City of Cranston, 1970, entitled "Sewer Use Charges" is hereby amended by deleting therefrom the following:

(Sec. 26-69. Participation.

Under Section 204(b)(1)(A) of the Federal Water Pollution Control Act Amendment of 1972 (PL 92-500), and specifically under the Code of Federal Regulations, 40 CFR Part 35, Subpart E, Sections 35.925-11, 35.935-13 and Appendix B to Subpart E, the City of Cranston will be required to enact a system of user charges to assure that each recipient of waste treatment services pay its proportionate share of the costs of operation and maintenance costs. The schedule of charges presented herein shall remain in use until Step 3 of the Construction Grants Program is underway within the city. To conform with the Act, the user charges will be modified at that time to generate sufficient revenue to offset the cost of treatment plus operation and maintenance provided by the city.

Sec. 26-70. Classification of users.

All users shall be classified by assigning each one to a user classification category according to the principal wastewater constituents and characteristics for that type of user as determined by the director. The purpose of such classification is to etablish a system of user charges and fees which will insure an equitable recovery of operation and maintenance cost. There shall be two classifications, industrial and domestic. Industrial users are those which discharge greater concentrations of BOD, TSS, TKN, or priority polluntants than those found discharged from typical domestic dischargers. Users shall be monitored according to article VII of this chapter to determine their discharge concentrations for classification. All other discharges will be classified as domestic users.

Sec. 26-71. Payments.

Pursuant to the authority conferred by Section 10 of Chapter 750 of the Public Laws, 1939, as amended by Chapter 1372 of the Public Laws, 1943, and by Chapter 1891 of the Public Laws, 1947, the following annual charges for the use of the sewerage system of the city are hereby established, to be paid by every person whose particular sewer entered into such system at 12:01 A.M., January, 1, 1990, and by every person whose particular sewer enters into such system at 12:01 A.M., January 1, of each year thereafter.

The annual charge shall be due and payable on July 15, 1990, and that all annual charges remaining unpaid at 4:00 P.M. on July 15, 1990 shall carry, until collected, a penalty at the rate of twelve percentum per annum from July 15, 1990, upon said unpaid annual charge, provided however, that said annual charge may be paid in four installments, the first installment of twenty-five percentum on or before the 15th day of July A.D. 1990, and the remaining installments as follows: Twenty-five percentum on or before the 15th day of October A.D. 1990, twenty-five percentum on or before the 15th day of January A.D. 1991 and twenty-five percentum on or before the 15th day of April A.D. 1991.

Each installment of annual charge if paid on or before the last day of each installment period successively and in order shall be free from any charge for interest.

If the first installment or any succeeding installment of annual charge is not paid by the last day of the respective installment period or periods as they occur then the whole annual charge or remaining unpaid balance of the annual charge, as the case may be shall immediately become due and payable and shall carry until collected a penalty at the rate of twelve percent per annum from July 15, 1990.

In the event of non-payment, as noted herein, there shall be a penalty, which penalty shall be the same as the tax rate penalty set by ordinance.

For any building or premises situated within the city, discharging sanitary sewage or industrial waste either directly or indirectly into such sewerage sytem the following rates per annum:

(a) Dwellings and apartments:

Single family	$ 185.00
Two family	370.00
Three family	555.00

And $185.00 for each and every additional family unit. Duplex houses that have more than one connection shall be billed as separate units.

(b) Buildings containing clubs, libraries and hospitals·

One unit	$ 250.00
Two units	500.00
Three units	750.00

And $250.00 for each unit in excess of three. Each such club, library and hospital and each dwelling or apartment contained in such building shall be deemed one unit.

(c) Buildings containing retail establishments and business offices·

Each business office or retail establishment will be considered one unit. Any such retail establishment or business office in which ten or less persons are regularly employed shall be charged two hundred fifty dollars. Any such retail establishment or business office in which more than ten and less then twenty-one persons are regularly employed shall be charged five hundred dollars. Any such retail establishment or business office in which more than twenty and less than fifty persons are regularly employed shall be charged one thousand five hundred dollars. Any such retail establishment or business office in which fifty or more persons are regularly employed shall be charged two thousand dollars.

(d) Restaurants, cafes, Club C licenses, and automatic self-service laundries:

Such charges shall be fixed and determined according to the flow at the rates of two thousand two hundred forty dollars per million gallons and at a like rate for any fraction thereof. Subject to the determination of the charges, there shall be charged for each of the following establishments a minimum charge as follows:

(1) Restaurants and cafes having seating capacity of twenty-five or less	$ 491.00
(2) Restaurants and cafes having seating capacity of more than twenty-five but less than fifty-one	$1,021.00
(3) Restaurants and cafes having seating capacity of more than fifty and less than one hundred one	$1,535.00
(4) Restaurants and cafes having seating capacity of more than one hundred	$2,044.00
(5) Class C liquor establishments	$ 298.00
(6) Automatic self-service laundries per washing unit	$ 121.00

(e) Buildings used for manufacturing or industrial operations of any kind (including laundries and dairies):

(1) Such charges shall be fixed and determined according to the flow at the rates of two thousand two hundred forty dollars per million gallons and at a like rate for any fraction thereof. Any such establishment in which ten or less persons are regularly employed shall be charged a minimum of six hundred thirty-eight dollars. Any such establishment in which more than ten and less than fifty-one persons are regularly employed shall be charged a minimum of one thousand two hundred eighty dollars. Any such establishment

in which more than fifty persons are regularly employed shall be charged a minimum of two thousand two hundred forty dollars. For the purpose of this section, each individual business in the building or building complex shall be considered an independent establishment.

(2) To the above charges shall be added a pretreatment surcharge for all industries discharging any priority pollutant at a concentration in excess of the limit given in section 26-47 of this chapter. That surcharge shall be calculated by first determining the difference between the industry's permitted concentration and the chapter limit, then multiplying that difference times the gallonage of flow (in million gallons) associated with that priority pollutant times a conversion factor to determine the annual pound loading of priority pollutant, then multiplying that pound loading by a rate in dollars per pound loading established by the director for that priority pollutant. The rate for each priority pollutant or class of priority pollutants shall be determined annually based on an equitable proportioning, as determined by the director, of fifty percent of the actual costs to the city of administering the pretreatment program. (The remaining costs of administering the pretreatment program will be incorporated in the charges under paragraph (e)(1) above.). At the option of the director (or the building owner if the director does not exercise the option) each industry within a building housing more than one industry shall or need not have its own flow meter and monitoring facilities for industrial wastewaters. A violation of the permit concentration during the billing year shall cause the billing to be based on the highest measured concentration in excess of the permit value and an increase in the dollar per pound rate for that priority pollutant by a factor of 2. That factor will serve the purpose of defraying costs of additional monitoring required for industries in violation of permit limits. The additional charges resulting from such violation shall be separate from and in addition to any fines or penalties levied as a result of such violation. The industry shall have the right to appeal to the director for a negotiated price of lieu of such additional cost, based on the actual cost to the city of the additional monitoring. Any further appeal process shall be in accordance with section 26-61 of this chapter.

(f) Charges for the depositing of wastes from cesspool cleaning shall be as follows:

(1) For septage collected from Cranston residents, three dollars eight-five cents for each one hundred gallon capacity of tank truck so deposited, provided, however, that there shall be a minimum charge of thirty dollars for each deposit. For septage collected outside Cranston four dollars seventy cents for each one hundred gallon of tank capacity of tank truck so deposited, provided, however, that there shall be a minimum charge of forty dollars for each deposit. Fee for trailer campers per dumping shall be five dollars.

(g) Public buildings· There is hereby established an annual charge of twenty-one dollars for each fixture located in buildings owned by the city.

(h) Charge for non-users An annual charge of fifty-five dollars is established, to be paid by every owner of land on which there was located at 12·01 A.M. on January 1, 1990, and on which there is located at 12·01 A.M. on January 1st of each year thereafter any building used for residential, business, or industrial purposes, which land abuts upon that portion of any street or highway or right-of-way in which there is a sewer and the sewerage of which land is not then connected with such sewer; such charge to be paid in full at the time and place that the first installment of the regular city taxes is payable.

Fees collected under this chapter from non-users will only be used to recover costs of sewer system capital improvements.

(i) Sewer lateral service installations. Sewer laterals are installed by the Cranston sewer division from the sewer main line in the street to the property line. The charge for this installation will be based upon current prices per the "City-Wide Sewer Service Conenction Contract.")

and by adding thereto the following:

Sec. 26-69. Participation.

Under Section 204(b)(1)(A) of the Federal Water Pollution Control Act Amendment of 1972 (PL 92-500), and specifically under the Code of Federal Regulations, 40 CFR Part 35, Subpart E, Section 35.925-11, 35.935-13 and

Appendix B to Subpart E, the City of Cranston will be required to enact a system of user charges to assure that each recipient of waste treatment services pay its proportionate share of the costs of operation and maintenance costs.

Sec. 26-70. Classification of users.

All users shall be classified by assigning each one to a user classification category according to the principal wastewater consituents and characteristics for that type of user as determined by the director. The purpose of such classification is to establish a system of user charges and fees which will insure an equitable recovery of operation and maintenance cost. There shall be two classifications, industrial and domestic. Industrial users are those which discharge greater concentrations of BOD, TSS, TKN, or priority pollutants than those found discharged from typical domestic dischargers. Users shall be monitored according to article VII of this chapter to determine their discharge concentrations for classification. All other discharges will be classified as domestic users.

Sec. 26-71. Payments.

Pursuant to the authority conferred by Section 10 of Chapter 750, of the Public Laws, 1939, as amended by Chapter 1372 of the Public Law, 1943, and by Chapter 1891 of the Public Laws, 1947, the following annual charges for the use of the sewerage system of the city are hereby established, to be paid by every person whose particular sewer entered into such system at 12:01 A.M., January 1, 1997, and by every person whose particular sewer enters into such system at 12:01 A.M., January 1, of each year thereafter.

The annual charge shall be due and payable on July 15, 1997, and that all annual charges remaining unpaid at 4·00 P.M. on July 15, 1997 shall carry, until collected, a penalty at the rate of twelve percentum per annum from July 15, 1997, upon said unpaid annual charge, provided however, that said annual charge may be paid in four installments, the first installment of twenty-five percentum on or before the 15th day of July A.D. 1997, and the remaining installments as follows Twenty-five percentum on or before the 15th day of October A.D. 1997, twenty-five percentum on or before the 15th day of January A.D. 1998 and twenty-five percentum on or before the 15th day of April A.D., 1998.

Each installment of annual charge if paid on or before the last day of each installment period successively and in order shall be free from any charge for interest.

If the first installment or any succeeding installment of annual charge is not paid by the last day of the respective installment period or periods as they occur then the whole annual charge or remaining unpaid balance of the annual charge, as the case may be shall immediately become due and payable and shall carry until collected a penalty at the rate of twelve percent per annum from July 15, 1997.

In the event of non-payment, as noted herein, there shall be a penalty, which penalty shall be the same as the tax rate penalty set by ordinance.

For any building or premises situated within the city, discharging sanitary sewage or industrial waste either directly or indirectly into such sewerage system the following rates per annum·

(a) Dwellings and apartments·

Single family	$ 229.00
Two family	462.50
Three family	693.75

And $231.25 for each and every additional family unit. Duplex houses that have more than one connection shall be billed as separate units.

(b) Buildings containing clubs, libraries and hospitals:

One unit	$ 312.50
Two units	625.00
Three units	940.50

And $312.50 for each unit in excess of three. Each such club, library and hospital and each dwelling or apartment contained in such building shall be deemed one unit.

(c) Buildings containing retail establishments and business offices

Each business office or retail establishment will be considered one unit. Any such retail establishment or business office in which ten or less persons are regularly employed shall be charged three hundred and twelve dollars and fifty cents. Any such retail establishment or business office in which more than ten and less then twenty-one persons are regularly employed shall be charged six hundred and twenty five dollars. (1) Such charges shall be fixed and determined according to the flow at the rates of two thousand eight hundred dollars per million gallons and at a like rate for any fraction thereof. Any such establishment in which ten or less persons are regularly employed shall be charged a minimum of seven hundred ninety seven dollars and fifty cents. Any such establishment in which more than ten and less than fifty-one persons are regularly employed shall be charged a minimum of one thousand six hundred dollars. Any such establishment in which more than fifty persons are regularly employed shall be charged a minimum of two thousand eight hundred dollars. For the purpose of this section, each individual business in the building or building complex shall be considered an independent establishment.

(2) To the above charges shall be added a pretreatment surcharge for all industries discharging any priority pollutant at a concentration in excess of the limit given in section 26-47 of this chapter. That surcharge shall be calculated by first determining the difference between the industry's permitted concentration and the chapter limit, then multiplying that difference times the gallonage of flow (in million gallons) associated with that priority pollutant times a conversion factor to determine the annual pound loading of priority pollutant, then multiplying that pound loading by a rate in dollars per pound loading established by the director for that priority pollutant. The rate for each priority pollutant or class of priority pollutants shall be determined annually based on an equitable proportioning, as determined by the director, of fifty percent of the actual costs to the city of administering the pretreatment program. (The remaining costs of administering the pretreatment program will be incorporated in the charges under paragraph (e)(1) above.). At the option of the director (or the building owner if the director does not exercise the option) each industry within a building housing more than one industry shall or need not have its own flow meter and monitoring facilities for industrial wastewaters. A violation of the permit concentration during the billing year shall cause the billing to be based on the highest measured concentration in excess of the permit value and an increase in the dollar per pound rate

for that priority pollutant by a factor of 2. That factor will serve the purpose of defraying costs of additional monitoring required for industries in violation of permit limits. The additional charges resulting from such violation shall be separate from and in addition to any fines or penalties levied as a result of such violation. The industry shall have the right to appeal to the director for a negotiated price in lieu of such additional cost, based on the actual cost to the city of the additional monitoring. Any further appeal process shall be in accordance with section 26-61 of this chapter.

(f) Charges for the depositing of wastes from cesspool cleaning shall be as follows:

(1) For septage collected from Cranston residents, three dollars eight-five cents for each one hundred gallon capacity of tank truck so deposited, provided, however, that there shall be a minimum charge of thirty dollars for each deposit. For septage collected outside Cranston four dollars seventy cents for each one hundred gallon of tank capacity of tank truck so deposited, provided, however, that there shall be a minimum charge of forty dollars for each deposit. Fee for trailer campers per dumping shall be five dollars.

(g) Public buildings. There is hereby established an annual charge of twenty six dollars and twenty five cents for each fixture located in buildings owned by the city.

(h) Charge for non-users. An annual charge of sixty eight dollars and seventy five cents is established, to be paid by every owner of land on which there was located at 12·01 A.M. on January 1, 1997, and on which there is located at 12·01 A.M. on January 1st of each year thereafter any building used for residential, business, or industrial purposes, which land abuts upon that portion of any street or highway or right-of-way in which there is then a sewer and the sewerage of which land is not then connected with such sewer, such charge to be paid in full at the time and place that the first installment of the regular city taxes is payable.

Fees collected under this chapter from non-users will only be used to recover costs of sewer system capital improvements.

(i) Sewer lateral service installations. Sewer laterals are installed by the Cranston sewer division from the sewer main line in the street to the property line. The charge for this installation will be based upon current prices per the "City-Wide Sewer Service Connection Contract."

SECTION 2. Article XI of Chapter 26 of the Code of the City of Cranston, 1970, entitled "Sewer Use Charges" is hereby amended by deleting therefrom the following section in its entirety:

(Sec. 26-71.1 Surcharges).

SECTION 3. This Ordinance shall take effect upon its final adoption.

ORDINANCE OF THE CITY COUNCIL

ESTABLISHING CHAPTER 16D OF THE CODE OF THE CITY OF CRANSTON, 1970, ENTITLED "SECURITY ALARM SYSTEMS"

Passed *No*

_____
Council President

Approved _____
Mayor

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Chapter 16D of the Code of the City of Cranston, 1970, entitled, "Security alarm systems" is hereby established by adding the following.

Sec. 16D-1. DECLARATION OF POLICY.

The Cranston City Council has determined that the number of false or needless security alarms being generated in the City of Cranston are causing a drain on both the manpower and the resources of the Cranston Police and Fire Departments, as well as having a negative impact on the delivery of Safety Services to the citizens of the city. In order to reduce this drain, the Council has drafted and passed this chapter

Sec. 16D-2. PURPOSE AND SCOPE.

A. The purpose of this chapter is to set standards for the use of alarm systems, as defined herein, in the City of Cranston, to encourage the proper care and maintenance of alarm systems, and to ease the potential of injury to firefighters, police officers or the public as a result of response to a false alarm

B. This chapter shall apply to all alarm systems, as defined herein, located on commercial, industrial or residential real property.

Sec. 16D-3. DEFINITIONS.

Unless the context clearly indicates otherwise, the words and phrases used in this chapter shall have the following meanings.

A. **Alarm Business** - The business of any individual, partnership, corporation or other entity engaged in the sale, lease, maintenance, service, repair, alteration, replacement, moving or installation of any alarm system or in causing any alarm system to be sold, leased, maintained, serviced, repaired, altered, replaced, moved or installed in or on any building, structure or facility in the City of Cranston

B. **Alarm System** - Any assembly of equipment or devices, whether mechanical, electrical or otherwise, located on real property within the City of Cranston, which said equipment or devices are arranged to signal the presence of a hazard, requiring the urgent attention and to which the Police or Fire Departments are expected to respond. In this chapter the term "alarm system" shall include, but not be limited to, the terms "automatic holdup alarm systems", "burglar alarm systems", "holdup alarm systems", "audible-visible alarm systems", and "fire alarm systems".

C **Alarm User** - The person, firm, partnership, association, corporation, company

D. **Appeal Officer** - The Chief of Police or an individual designated by the Chief of Police to act in the capacity as an impartial arbitrator to review appeals related to the enforcement of this chapter.

E. **Audible-Visible Alarm (local alarm)** - Any alarm system which generates an external audible bell, horn, siren or other sound, or flashing light, or both, when activated

F. **False or Nuisance Alarms** - The activation of an alarm system to which the Police and/or Fire Department responds which is not caused by.

1. Fire, a criminal act or other emergency.

2. An act of nature such as earthquake, tornado, hurricane or other severe weather conditions.

3. Circumstances occurring off the protected property and not within the control of the alarm user, the alarm business or answering service, including, but not limited to, electrical failure or telephone line malfunctions.

4. A person motivated solely by criminal, malicious or mischievous intent.

Sec. 16D-4. ITEMS NECESSARY FOR ALARM SYSTEMS TO QUALIFY.

A. All alarm systems shall have a backup power supply that will become effective in the event of a power failure or outage in the source of electricity from the utility company

B. All audible-visible alarm systems shall be equipped with an automatic shut-off device which will de-activate the alarm system within fifteen (15) minutes of activation All alarm users with audible-visible alarm systems shall install and maintain such automatic shut-off device within ninety (90) days of the effective date of this chapter

Sec. 16D-5. RESPONSE TO ALARM-DETERMINATION AND VALIDITY.

A. Whenever an alarm is activated in the city, thereby requiring an emergency response to the location by the Police or Fire Departments, and said department does respond, a Police Officer on the scene of the activated alarm system shall inspect the area protected by the system and shall determine whether the emergency response was, in fact, required as indicated by the alarm system or whether, in some way, the alarm system malfunctioned and thereby activated a false alarm.

B. Should the Police Officer at the scene of the activated alarm system determine the alarm to be false, said Officer shall make a report of the false alarm, a notification of which shall be mailed or delivered to the alarm user, at the address of the said alarm system installation location, advising the alarm user of the false alarm

Sec. 16D-6. FALSE ALARM ASSESSMENT SCHEDULE.

After the Chief of Police or his designee has recorded three (3) separate false alarms from a security alarm system of one (1) user within any one (1) calendar year, then the alarm user will be notified by the Chief of Police, by certified mail of such facts and require the alarm user to submit within ten (10) workings days of receipt of such notice, a report describing the alarm user's efforts to discover and eliminate the cause or causes of the false alarms. This notice shall further contain the dates and times of each alleged false alarm After three (3) false alarms in a calendar year the alarm system shall be inspected and certified by a licensed alarm business.

If the Chief of Police is satisfied based on the report submitted by the user, that the action taken will substantially reduce the likelihood of further false alarms, the Chief of Police will notify the alarm user in writing that no assessment will be made at that time However, the alarm user will be subject to assessment proceedings on the next false alarm

In the event that the Chief of Police determines that a report submitted in accordance with the preceding paragraph is unsatisfactory or that the alarm user has failed to show by the report that responsible steps have been taken to eliminate or reduce false alarms, then the Chief of Police will inform the alarm user by certified mail that subsequent false alarms will cause the alarm user to be assessed penalties as follows.

4th false alarm in a calendar year	$ 50.00
5th false alarm in a calendar year	$ 75.00
6th false alarm in a calendar year	$100.00

The City shall not charge any fee for responding to or answering any security alarm.

The provisions of this section shall not apply to security alarm systems owned and/or operated by agencies of the City of Cranston, State of Rhode Island or the United States of America.

Sec. 16D-7. APPEALS.

Any alarm user who is aggrieved by a decision of the Chief of Police may, within five (5) working days of the issuance of the Chief's decision, appeal said decision to the Cranston Municipal Court.

The only grounds for appealing a decision of the Chief of Police are.

a. Proof that a false alarm was caused by a violent condition of nature or actions of the telephone company.

b. Written verification from the alarm user and the alarm business that all necessary steps have been taken to upgrade, improve and insure the accuracy of the security alarm system.

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Section 32-13 of Chapter 32 of the Code of the City of Cranston, 1970, entitled "Acting judge/acting clerk" is hereby amended by deleting therefrom the following

["Acting judge/acting clerk" In case of sickness, absence, or other disability or ineligibility of the municipal court judge which shall be less than fourteen days, said judge may appoint an acting judge, and said clerk may appoint an acting clerk, at the same compensation, or at such salary as the city council may determine, for the term of such sickness, absence, disability, or ineligibility of said judge or clerk. An acting municipal court judge or acting municipal court clerk shall perform all duties of the municipal court judge or municipal court clerk, respectively

In case of a prolonged sickness, absence, or other disability or ineligibility of the municipal court judge or the municipal court clerk that shall be in excess of fourteen days, the city council may, by resolution, appoint an acting municipal court judge or an acting municipal court clerk, respectively, for the term of such sickness, absence, disability, or ineligibility of the municipal court judge or municipal court clerk, respectively, at the same compensation, or at such salary as the city council may determine An acting municipal court judge or acting municipal court clerk shall perform all duties of the municipal court judge or municipal court clerk, respectively, and in the performance of said duties, shall have the same effect as if performed by the municipal court judge or municipal court clerk, respectively.]

SECTION 2 Sec 32-13 of Chapter 32 of the Code of the City of Cranston, 1970, is hereby amended by re-titling the section "Acting judge/acgting clerk/auxiliary judge" and adding thereto the following

In case of sickness, absence, or other disability or ineligibility of the municipal court judge, the Cranston probate

judge shall serve as the acting municipal court judge, with all powers and duties of the municipal court judge, and shall receive the pro rata salary of the municipal court judge during his or her tenure as acting municipal court judge. In the further event the Cranston probate judge is unavailable to serve as the acting municipal court judge, then the Cranston auxiliary judge, who shall be appointed as described below, shall then serve as the acting municipal court judge, with of all powers and duties of the municipal court judge, and he or she shall receive the pro rata salary of the municipal court judge during his or her tenure as the acting municipal court judge. Said pro rata salary shall be deducted from the salary of the municipal court judge.

There shall be appointed by the city council for a term of two years from the first Monday in January following each council election, a Cranston auxiliary judge. Said judge shall have no permanent salary, but shall receive per diem compensation representing the pro rata salary of the judicial officer in whose place said auxiliary judge shall serve. The Cranston auxiliary judge shall be a qualified elector of the City of Cranston, an attorney at law admitted to practice in the courts of Rhode Island, and shall at the time of his or her appointment have so practiced for five year. Said Cranston auxiliary judge shall be empowered, in addition to serving as the acting municipal court judge under the circumstances described above (which are incorporated herein), to serve as the acting probate court judge, whenever the probate judge is temporarily unable to serve as probate judge due to illness, absence or other disability. In that event, the auxiliary judge shall receive the pro rata salary of the probate court judge during his or her tenure as the acting probate court judge. Said pro rata salary shall be deducted from the salary of the probate court judge.

In case of sickness, absence, or other disability or ineligibility of the municipal court clerk which shall be less than fourteen days, said clerk may appoint an acting clerk, at the same compensation, or at such salary as the city council may determine, for the term of such sickness, absence, disability, or ineligibility of said clerk. The acting municipal court clerk shall perform all duties of the municipal court clerk in his or her absence. In the event of a sickness, absence, or other disability or ineligibility of the municipal court clerk which shall be fourteen or more days, the city council may, by resolution, appoint an acting municipal court clerk, for the term of such sickness, absence, disability or ineligibility of the municipal court clerk, at the same compensation, or at such salary as the city council may determine. An acting municipal court clerk shall perform all duties of the municipal court clerk, and in the performance of said duties, shall have the same effect as if performed by the municipal court clerk.

CERTIFICATION

I, Michael Hanley, hereby certify that I have delivered at the place of residence of each member of the City Council a notification by the City Clerk and a Call by the Council President of a special meeting of the City Council to be held on FRIDAY, JUNE 20, 1997 at 7:30 o'clock P.M. in the Council Chamber, City Hall, Cranston, RI.

The date and time of delivery of said call and notification are noted on each of the attached copies incorporated herein by reference.

Each said call and notification was delivered as aforesaid at least 24 hours prior to the time fixed for said meeting.

/s/ Michael J. Hanley

Discussion took place on the hiring of an attorney to represent the City Council in Court on Monday, June 23, 1997 which would confirm and arbitrator's award relating to the four lay-offs in the 1996/1997 municipal budget.

Councilman McAllister requested Mr. Ragosta to have this matter continued, have a motion filed to modify or vacate the arbitrator's award.

Robert Connaughton read from a letter from Mayor Traficante.

CITY OF CRANSTON RHODE ISLAND

The Honorable Kevin J McAllister
Vice President
Cranston City Council
136 Lawnacre Drive

Dear Councilman McAllister

I read with interest your comments in today's **Providence Journal-Bulletin.** I am very concerned that the City Council, acting at your behest, is prepared to take precipitous action to attempt to vacate an arbitration award that is beneficial to the city and its taxpayers

The decision by Arbitrator Altman confirmed the city's ability to layoff employees giving this municipal administration "managerial authority unique among Rhode Island municipal employees" according to our labor lawyer, Vincent Ragosta. Arbitrator Altman's decision also saved us any liability for back pay or other costs relating directly to the four employees whom the council laid off in the 1996-97 budget.

This is a clear, unequivocal victory for the City and its taxpayers, and any effort by the council to overturn it could be disastrous

I understand that you are concerned about Arbitrator Altman's ruling that the council exceeded its authority under the charter when it eliminated these four jobs What surprised me and our attorneys is your surprise The Altman decision broke no new ground in the view of our attorneys He merely confirmed what the charter says about the relative authority of the Mayor and the council over personnel, and further confirmed what has been consistent practice in this city since the onset of labor relations that the Mayor is the city's labor negotiator Under Section 3 16, of the Cranston City Charter, the City Council only has the power by ordinance to modify departments ***upon recommendation of the Mayor.*** The City Council has the authority to ratify or reject contracts During our recent budget deliberations I found the council willing to discuss potential changes in department structure as well as personnel The decision to set aside $100,000 for a professional consolidation study and our agreement to work together on future changes in city government demonstrates to me that the charter as currently structured can work when the council and Mayor act in a spirit of good will and bi-partisanship

While I believe you share my interest in bi-partisan cooperation, I understand that you are concerned about the council's authority to act independently on these matters

I believe our disagreement on this issue will not be settled by attempting to overturn a very favorable labor arbitration

Let me suggest another route **Let's ask the Superior Court to issue a declaratory judgment on where the authority lies in the charter over personnel matters and department reorganization. In this way a judge will make a decision based on the facts. The issue will then be clarified and the decision can become the basis for charter amendments if necessary. I am told this could take about six months and thus could be completed before the next budget adoption. It is my understanding that such a judgement would take precedence over any pertinent provisions of the arbitration award as well.**

I would say let the union's confirmation motion go forward and let us agree to air this issue in a more appropriate setting

As you may know I am not in town and will not be able to be at the council meeting tonight However, Bob Connaughton, Vin Ragosta, and Kelly Sheridan will be present and can discuss this issue with you and the council

We both agree that this is a serious matter, but it is separate and apart from the labor issues contained in the Altman award I appeal to you and the council not to disturb this very favorable decision when there are other ways of dealing with our disagreement over separation of powers in the Cranston City Charter

Sincerely yours,

Michael A. Traficante
Mayor

Vincent Ragosta stated the arbitrator's award should be confirmed.

Kelly Sheridan stated he was retained by the Mayor last fall to review Charter with respect to powers of Mayor, City Council and Personnel

Councilman McAllister read Sec. 6.09 of the Charter.

Councilman McAllister selected John Finan, III, from the Law Office of Finan & Grourke, Pawtucket, RI, who has been practicing in RI since 1991 to modify or vacate the arbitrator's award

On motion by Councilman McAllister, seconded by Councilwoman Crudele, it was voted to hire JOHN FINAN, III at the rate of $125 per hour, to be paid from the Forensic Audit Account on a vote of 5 "yes". THE CITY OF CRANSTON

ORDINANCE OF THE CITY COUNCIL

IN AMENDMENT OF CHAPTER 32 OF THE CODE OF THE CITY OF CRANSTON, 1970, ENTITLED "MUNICIPAL COURT"

No 97-34

Passed
June 23, 1997

Peter T. Pastore, Jr. *Council President*

Approved
June 30, 1997

Michael A. Traficante *Mayor*

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Section 32-13 of Chapter 32 of the Code of the City of Cranston, 1970, entitled "Acting judge/acting clerk" is hereby amended by deleting therefrom the following.

["Acting judge/acting clerk" In case of sickness, absence, or other disability or ineligibility of the municipal court judge which shall be less than fourteen days, said judge may appoint an acting judge, and said clerk may appoint an acting clerk, at the same compensation, or at such salary as the city council may determine, for the term of such sickness, absence, disability, or ineligibility of said judge or clerk. An acting municipal court judge or acting municipal court clerk shall perform all duties of the municipal court judge or municipal court clerk, respectively

In case of a prolonged sickness, absence, or other disability or ineligibility of the municipal court judge or the municipal court clerk that shall be in excess of fourteen days, the city council may, by resolution, appoint an acting municipal court judge or an acting municipal court clerk, respectively, for the term of such sickness, absence, disability, or ineligibility of the municipal court judge or municipal court clerk, respectively, at the same compensation, or at such salary as the city council may determine An acting municipal court judge or acting municipal court clerk shall perform all duties of the municipal court judge or municipal court clerk, respectively, and in the performance of said duties, shall have the same effect as if performed by the municipal court judge or municipal court clerk, respectively]

SECTION 2. Sec. 32-13 of Chapter 32 of the Code of the City of Cranston, 1970, is hereby amended by re-titling the section "Acting judge/acgting clerk/auxiliary judge" and adding thereto the following

In case of sickness, absence, or other disability or ineligibility of the municipal court judge, the Cranston probate

judge shall serve as the acting municipal court judge, with all powers and duties of the municipal court judge, and shall receive the pro rata salary of the municipal court judge during his or her tenure as acting municipal court judge. In the further event the Cranston probate judge is unavailable to serve as the acting municipal court judge, then the Cranston auxiliary judge, who shall be appointed as described below, shall then serve as the acting municipal court judge, with of all powers and duties of the municipal court judge, and he or she shall receive the pro rata salary of the municipal court judge during his or her tenure as the acting municipal court judge. Said pro rata salary shall be deducted from the salary of the municipal court judge.

There shall be appointed by the city council for a term of two years from the first Monday in January following each council election, a Cranston auxiliary judge. Said judge shall have no permanent salary, but shall receive per diem compensation representing the pro rata salary of the judicial officer in whose place said auxiliary judge shall serve. The Cranston auxiliary judge shall be a qualified elector of the City of Cranston, an attorney at law admitted to practice in the courts of Rhode Island, and shall at the time of his or her appointment have so practiced for five year. Said Cranston auxiliary judge shall be empowered, in addition to serving as the acting municipal court judge under the circumstances described above (which are incorporated herein), to serve as the acting probate court judge, whenever the probate judge is temporarily unable to serve as probate judge due to illness, absence or other disability. In that event, the auxiliary judge shall receive the pro rata salary of the probate court judge during his or her tenure as the acting probate court judge. Said pro rata salary shall be deducted from the salary of the probate court judge.

In case of sickness, absence, or other disability or ineligibility of the municipal court clerk which shall be less than fourteen days, said clerk may appoint an acting clerk, at the same compensation, or at such salary as the city council may determine, for the term of such sickness, absence, disability, or ineligibility of said clerk. The acting municipal court clerk shall perform all duties of the municipal court clerk in his or her absence. In the event of a sickness, absence, or other disability or ineligibility of the municipal court clerk which shall be fourteen or more days, the city council may, by resolution, appoint an acting municipal court clerk, for the term of such sickness, absence, disability or ineligibility of the municipal court clerk, at the same compensation, or at such salary as the city council may determine. An acting municipal court clerk shall perform all duties of the municipal court clerk, and in the performance of said duties, shall have the same effect as if performed by the municipal court clerk.

THE CITY OF CRANSTON

ORDINANCE OF THE CITY COUNCIL

ESTABLISHING CHAPTER 16D OF THE CODE OF THE CITY OF CRANSTON, 1970, ENTITLED "SECURITY ALARM SYSTEMS"

Passed *No*

Council President

Approved

Mayor

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Chapter 16D of the Code of the City of Cranston, 1970, entitled, "Security alarm systems " is hereby established by adding the following

Sec. 16D-1. DECLARATION OF POLICY.

The Cranston City Council has determined that the number of false or needless security alarms being generated in the City of Cranston are causing a drain on both the manpower and the resources of the Cranston Police and Fire Departments, as well as having a negative impact on the delivery of Safety Services to the citizens of the city. In order to reduce this drain, the Council has drafted and passed this chapter

Sec. 16D-2. PURPOSE AND SCOPE.

A. The purpose of this chapter is to set standards for the use of alarm systems, as defined herein, in the City of Cranston, to encourage the proper care and maintenance of alarm systems, and to ease the potential of injury to firefighters, police officers or the public as a result of response to a false alarm.

B. This chapter shall apply to all alarm systems, as defined herein, located on commercial, industrial or residential real property

Sec. 16D-3. DEFINITIONS.

Unless the context clearly indicates otherwise, the words and phrases used in this chapter shall have the following meanings.

A. **Alarm Business** - The business of any individual, partnership, corporation or other entity engaged in the sale, lease, maintenance, service, repair, alteration, replacement, moving or installation of any alarm system or in causing any alarm system to be sold, leased, maintained, serviced, repaired, altered, replaced, moved or installed in or on any building, structure or facility in the City of Cranston.

B. **Alarm System** - Any assembly of equipment or devices, whether mechanical, electrical or otherwise, located on real property within the City of Cranston, which said equipment or devices are arranged to signal the presence of a hazard, requiring the urgent attention and to which the Police or Fire Departments are expected to respond In this chapter the term "alarm system" shall include, but not be limited to, the terms "automatic holdup alarm systems", "burglar alarm systems", "holdup alarm systems", and "audible-visible alarm systems". This definition shall not include "fire alarm systems" as defined by RIGL 23-28.25-1, et seq

D. **Appeal Officer** - The Chief of Police or an individual designated by the Chief of Police to act in the capacity as an impartial arbitrator to review appeals related to the enforcement of this chapter.

E. **Audible-Visible Alarm (local alarm)** - Any alarm system which generates an external audible bell, horn, siren or other sound, or flashing light, or both, when activated.

F. **False or Nuisance Alarms** - The activation of an alarm system to which the Police and/or Fire Department responds which is not caused by.

1. Fire, a criminal act or other emergency.

2. An act of nature such as earthquake, tornado, hurricane or other severe weather conditions.

3. Circumstances occurring off the protected property and not within the control of the alarm user, the alarm business or answering service, including, but not limited to, electrical failure or telephone line malfunctions.

4. A person motivated solely by criminal, malicious or mischievous intent.

Sec. 16D-4. ITEMS NECESSARY FOR ALARM SYSTEMS.

A. All alarm systems shall have a backup power supply that will become effective in the event of a power failure or outage in the source of electricity from the utility company.

B. All audible-visible alarm systems excepting fire alarm systems as defined in RIGL 23-28.25-1, et. seq., shall be equipped with an automatic shut-off device which will de-activate the alarm system within fifteen (15) minutes of activation. All alarm users with audible-visible alarm systems shall install and maintain such automatic shut-off device within ninety (90) days of the effective date of this chapter.

Sec. 16D-5. RESPONSE TO ALARM-DETERMINATION AND VALIDITY.

A. Whenever an alarm is activated in the city, thereby requiring an emergency response to the location by the Police or Fire Departments, and said department does respond, a Police Officer on the scene of the activated alarm system shall inspect the area protected by the system and shall determine whether the emergency response was, in fact, required as indicated by the alarm system or whether, in some way, the alarm system malfunctioned and thereby activated a false alarm.

B. Should the Police Officer at the scene of the activated alarm system determine the alarm to be false, said Officer shall make a report of the false alarm, a notification of which shall be mailed or delivered to the alarm user, at the address of the said alarm system installation location, advising the alarm user of the false alarm.

Sec. 16D-6. FALSE ALARM ASSESSMENT SCHEDULE.

After the Chief of Police or his designee has recorded three (3) separate false alarms from a security alarm system of one (1) user within any twelve month period, then the alarm user will be notified by the Chief of Police, by certified mail of such facts and require the alarm user to submit within ten (10) workings days of receipt of such notice, a report describing the alarm user's efforts to discover and eliminate the cause or causes of the false alarms. This notice shall further contain the dates and times of each alleged false alarm. After three (3) false alarms in any twelve month period the alarm system shall be inspected and certified by a licensed alarm business.

If the Chief of Police is satisfied based on the report submitted by the user, that the action taken will substantially reduce the likelihood of further false alarms, the Chief of Police will notify the alarm user in writing that no assessment will be made at that time However, the alarm user will be subject to assessment proceedings on the next false alarm signal transmitted

In the event that the Chief of Police determines that a report submitted in accordance with the preceding paragraph is unsatisfactory or that the alarm user has failed to show by the report that responsible steps have been taken to eliminate or reduce false alarms, then the Chief of Police will inform the alarm user by certified mail that subsequent false alarms will cause the alarm user to be assessed penalties as follows.

4th false alarm in any twelve month period	$ 50.00
5th false alarm in any twelve month period	$ 75.00
6th and any subsequent false alarms in any twelve month period	$100.00

The City shall not charge any fee for responding to or answering any security alarm.

The provisions of this section shall not apply to security alarm systems owned and/or operated by agencies of the City of Cranston, State of Rhode Island or the United States of America.

Sec. 16D-7. APPEALS.

Any alarm user who is aggrieved by a decision of the Chief of Police may, within five (5) working days of the issuance of the Chief's decision, appeal said decision to the Cranston Municipal Court

The only grounds for appealing a decision of the Chief of Police are.

a. Proof that a false alarm was caused by a violent condition of nature or actions of the telephone company.

b. Written verification from the alarm user and the alarm business that all necessary steps have been taken to upgrade, improve and insure the accuracy of the security alarm system

Sec. 16D-8. PENALTIES.

Failure to obey an order of the Chief of Police to discontinue use of a security alarm system after exhaustion of the right to appeal and/or failure to pay two (2) or more consecutive penalties as set forth in Sec. 16D-6 of this chapter within sixty (60) days from the date of assessment shall constitute a violation of this chapter punishable by a fine of up to Two Hundred and 00/100 Dollars ($200.00).

Sec. 16D-9. REGULATIONS.

The Chief of Police shall promulgate such regulations as may be necessary for the implementation of this chapter.

Sec. 16D-10. SEVERABILITY.

The invalidity of any section or sections or parts of any section or sections shall affect the validity of the remainder of this chapter.

SECTION 2. This Ordinance shall take effect upon its final adoption

THE CITY OF CRANSTON

RESOLUTION OF THE CITY COUNCIL

MEMORIALIZING THE MAYOR THAT THE CITY COUNCIL PROTESTS AND REPUDIATES THE EMPLOYMENT OF SPECIAL COUNSEL TO THE MAYOR, R KELLY SHERIDAN, ESQ , AND THE RELATED EXPENDITURE OF PUBLIC FUNDS, WHEN THE PURPOSE OF THE EMPLOYMENT IS TO UNDERMINE THE BUDGET AUTHORITY OF THE CITY COUNCIL UNDER SECTION 6 09 OF THE CITY CHARTER, AND TO MEMORIALIZE THE MAYOR THAT THE CITY COUNCIL VIEWS THE PAYMENT OF SAID SPECIAL COUNSEL TO BE UNAUTHORIZED AND HEREAFTER, ILLEGAL

NO 97-33

Passed July 28, 1997

Council President

Approved --

Mayor

Resolved, That

SECTION 1. Whereas, the City Council of the City of Cranston hereby memorializes Mayor Michael A Traficante that it protests and repudiates the employment by the Mayor of Special Counsel R Kelly Sheridan, Esq , and the apparent payment of said Special Counsel out of public funds, because the apparent purpose of the employment of said Special Counsel is to undermine the Budget authority of the City Council under Section 6 09 of the City Charter, and to increase the powers of the Office of the Mayor

SECTION 2. Whereas, the City Council of the City of Cranston specifically notes that the fiscal year 1997-98 Budget adopted on May 14, 1997 included a line item for the use of outside labor relations counsel under the Department of Law, and it hereby declares that the use of any appropriated funds for the purpose of compensating said Special Counsel, his Firm, or his successors and/or assigns, from this line item, or from the ouside legal services line item under Risk Management, or from any other budgeted account or line item under the 1997-98 adopted Budget, is hereafter to be considered unauthorized and against the specific intent and authorization of the City Council

SECTION 3. Whereas, the City Council of the City of Cranston declares its opinion and resolve that the use hereafter of City of Cranston funds to pay or compensate said Special Counsel (his Firm, or his successors and/or assigns) to be illegal

SECTION 4. NOW, THEREFORE BE IT FURTHER RESOLVED THAT the City Council of the City of Cranston, in the public interest, urges the Mayor to immediately cease and desist with his ill-advised and costly efforts to undermine the City Council's authority under Section 6 09 of the City Charter

THE CITY OF CRANSTON

ORDINANCE OF THE CITY COUNCIL

ESTABLISHING CHAPTER 16D OF THE CODE OF THE CITY OF CRANSTON, 1970, ENTITLED "SECURITY ALARM SYSTEMS"

Passed July 28, 1997

No 97-39

Peter T. Pastore, Jr *Council President*

Approved
July 28, 1997

Michael A Traficante *Mayor*

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Chapter 16D of the Code of the City of Cranston, 1970, entitled, "Security alarm systems" is hereby established by adding the following

Sec. 16D-1. DECLARATION OF POLICY.

The Cranston City Council has determined that the number of false or needless security alarms being generated in the City of Cranston are causing a drain on both the manpower and the resources of the Cranston Police and Fire Departments, as well as having a negative impact on the delivery of Safety Services to the citizens of the city In order to reduce this drain, the Council has drafted and passed this chapter

Sec. 16D-2. PURPOSE AND SCOPE.

A The purpose of this chapter is to set standards for the use of alarm systems, as defined herein, in the City of Cranston, to encourage the proper care and maintenance of alarm systems, and to ease the potential of injury to firefighters, police officers or the public as a result of response to a false alarm

B. This chapter shall apply to all alarm systems, as defined herein, located on commercial, industrial or residential real property

Sec. 16D-3. DEFINITIONS.

Unless the context clearly indicates otherwise, the words and phrases used in this chapter shall have the following meanings

A **Alarm Business** - The business of any individual, partnership, corporation or other entity engaged in the sale, lease, maintenance, service, repair, alteration, replacement, moving or installation of any alarm system or in causing any alarm system to be sold, leased, maintained, serviced, repaired, altered, replaced, moved or installed in or on any building, structure or facility in the City of Cranston

B **Alarm System** - Any assembly of equipment or devices, whether mechanical, electrical or otherwise, located on real property within the City of Cranston, which said equipment or devices are arranged to signal the presence of a hazard, requiring the urgent attention and to which the Police or Fire Departments are expected to respond In this chapter the term "alarm system" shall include, but not be limited to, the terms "automatic holdup alarm systems", "burglar alarm systems", "holdup alarm systems", and "audible-visible alarm systems". This definition shall not include "fire alarm systems" as defined by RIGL 23-28.25-1, et seq

C. **Alarm User** - The person, firm, partnership, association, corporation, company or organization of any kind in control of any building, structure or facility or portion thereof wherein an alarm system is maintained

D **Appeal Officer** - The Chief of Police or an individual designated by the Chief of Police to act in the capacity as an impartial arbitrator to review appeals related to the enforcement of this chapter

E **Audible-Visible Alarm (local alarm)** - Any alarm system which generates an external audible bell, horn, siren or other sound, or flashing light, or both, when activated

F. **False or Nuisance Alarms** - The activation of an alarm system to which the Police and/or Fire Department responds which is not caused by,

1 Fire, a criminal act or other emergency,

2 An act of nature such as earthquake, tornado, hurricane or other severe weather conditions,

3. Circumstances occurring off the protected property and not within the control of the alarm user, the alarm business or answering service, including, but not limited to, electrical failure or telephone line malfunctions,

4 A person motivated solely by criminal, malicious or mischievous intent.

Sec. 16D-4. ITEMS NECESSARY FOR ALARM SYSTEMS.

A All alarm systems shall have a backup power supply that will become effective in the event of a power failure or outage in the source of electricity from the utility company.

B All audible-visible alarm systems excepting fire alarm systems as defined in RIGL 23-28 25-1, et seq., shall be equipped with an automatic shut-off device which will de-activate the alarm system within fifteen (15) minutes of activation All alarm users with audible-visible alarm systems shall install and maintain such automatic shut-off device within ninety (90) days of the effective date of this chapter

Sec. 16D-5. RESPONSE TO ALARM-DETERMINATION AND VALIDITY.

A Whenever an alarm is activated in the city, thereby requiring an emergency response to the location by the Police or Fire Departments, and said department does respond, a Police Officer on the scene of the activated alarm system shall inspect the area protected by the system and shall determine whether the emergency response was, in fact, required as indicated by the alarm system or whether, in some way, the alarm system malfunctioned and thereby activated a false alarm

B. Should the Police Officer at the scene of the activated alarm system determine the alarm to be false, said Officer shall make a report of the false alarm, a notification of which shall be mailed or delivered to the alarm user, at the address of the said alarm system installation location, advising the alarm user of the false alarm

Sec. 16D-6. FALSE ALARM ASSESSMENT SCHEDULE.

After the Chief of Police or his designee has recorded three (3) separate false alarms from a security alarm system of one (1) user within any twelve month period, then the alarm user will be notified by the Chief of Police, by certified mail of such facts and require the alarm user to submit within ten (10) workings days of receipt of such notice, a report describing the alarm user's efforts to discover and eliminate the cause or causes of the false alarms This notice shall further contain the dates and times of each alleged false alarm After three (3) false alarms in any twelve month period the alarm system shall be inspected and certified by a licensed alarm business

If the Chief of Police is satisfied based on the report submitted by the user, that the action taken will substantially reduce the likelihood of further false alarms, the Chief of Police will notify the alarm user in writing that no assessment will be made at that time However, the alarm user will be subject to assessment proceedings on the next false alarm signal transmitted

In the event that the Chief of Police determines that a report submitted in accordance with the preceding paragraph is unsatisfactory or that the alarm user has failed to show by the report that responsible steps have been taken to eliminate or reduce false alarms, then the Chief of Police will inform the alarm user by certified mail that subsequent false alarms will cause the alarm user to be assessed penalties as follows

4th false alarm in any twelve month period	$ 50 00
5th false alarm in any twelve month period	$ 75 00
6th and any subsequent false alarms in any twelve month period	$100 00

The City shall not charge any fee for responding to or answering any security alarm

The provisions of this section shall not apply to security alarm systems owned and/or operated by agencies of the City of Cranston, State of Rhode Island or the United States of America

Sec. 16D-7. APPEALS.

Any alarm user who is aggrieved by a decision of the Chief of Police may, within five (5) working days of the issuance of the Chief's decision, appeal said decision to the Cranston Municipal Court

The only grounds for appealing a decision of the Chief of Police are

a Proof that a false alarm was caused by a violent condition of nature or actions of the telephone company

b. Written verification from the alarm user and the alarm business that all necessary steps have been taken to upgrade, improve and insure the accuracy of the security alarm system

Sec. 16D-8. PENALTIES.

Failure to obey an order of the Chief of Police to discontinue use of a security alarm system after exhaustion of the right to appeal and/or failure to pay two (2) or more consecutive penalties as set forth in Sec. 16D-6 of this chapter within sixty (60) days from the date of assessment shall constitute a violation of this chapter punishable by a fine of up to Two Hundred and 00/100 Dollars ($200 00)

Sec. 16D-9. REGULATIONS.

The Chief of Police shall promulgate such regulations as may be necessary for the implementation of this chapter

Sec. 16D-10. SEVERABILITY.

The invalidity of any section or sections or parts of any section or sections shall affect the validity of the remainder of this chapter

SECTION 2. This Ordinance shall take effect upon its final adoption

Approved as to form and legality:

Resolved, That

WHEREAS, the City of Cranston, Rhode Island (the "City") has entered into a Wastewater Treatment System Lease and Service Agreement (the "Lease and Service Agreement") dated March 7, 1997, between the City and Triton Ocean State, LLC ("Triton") pursuant to which Triton is obligated to lease, operate and maintain the City's wastewater treatment system (the "System") and to design and finance certain improvements to the System in exchange for monthly fees payable by the City, and

WHEREAS, pursuant to the Lease and Service Agreement, Triton will be providing the City with a $48,000,000 up-front contract payment, a portion of which will be employed by the City to retire $4,258,000 of the City's Bond Anticipation Notes due August 28, 1997, and

WHEREAS, it is advantageous to the City for Triton to utilize tax-exempt financing through the Rhode Island Clean Water Finance Agency (the "Agency") pursuant to R I Gen Laws §§ 46-12 2-1 et seq , as amended, in order to provide the City with a portion of the contract payment and to finance certain System improvements at a tax-exempt rate (the "Project"), and

WHEREAS, the Agency may loan monies only to a local government unit such as the City, and

WHEREAS, the City desires to borrow from the Agency up to $30,000,000 to in turn be lent to Triton for the Project on a non-recourse basis

NOW, THEREFORE, the City Council resolves as follows and adopts the following Loan Order

1 Borrowing Authorized In connection with the Agency issuing its up to $30,000,000 Wastewater Treatment System Revenue Bonds (City of Cranston/Triton Ocean State LLC Project) Series 1997 Bonds (the "Agency Bonds"), there is hereby authorized the issuance and sale of up to $30,000,000 principal amount of City of Cranston, Rhode Island Revenue Bonds, Series 1997 (the "City Revenue Bonds") The City Revenue Bonds shall be in such form, of such denominations, maturities and interest rates and subject to such further terms and conditions as are provided by the Authorized Officers, as defined below, of the City The City Revenue Bonds shall be payable from monies to be received from

Triton and shall have such additional security provisions as the Authorized Officers shall determine The City Revenue Bonds shall be limited obligations payable solely from funds, assets and revenues pledged therefor and shall not constitute general obligations of the City for which the full faith and credit or the ad valorem taxing power of the City are pledged

2 Authorization of the Loan The loan of the proceeds of the City Revenue Bonds to Triton for the Project is hereby authorized Said loan shall be pursuant to a Loan Agreement between the City and the Triton upon such terms as may be approved by the Authorized Officers

3 Agreements Authorized In connection with the issuance of the City Revenue Bonds, the Authorized Officers are hereby authorized to execute, approve and/or deliver the following documents

(a) A Bond Purchase Agreement (the "Bond Purchase Agreement") by and among the Agency and PaineWebber, Incorporated, as representative of the underwriters (the "Underwriters"), and such other entities as may be parties to the Bond Purchase Agreement,

(b) A Preliminary Official Statement (the "Preliminary Official Statement") to be employed in connection with the sale of the Agency Bonds,

(c) A Final Official Statement (the "Official Statement") to be employed in connection with the sale of the Agency Bonds,

(d) A City Loan Agreement by and between the City and the Agency (the "City Loan Agreement"),

And the Lessor and Lessee, in consideration of the covenants and agreements of the other herein contained, do hereby mutually covenants and agree with respect to the covenants applicable to them respectively, as follows

1 The Lessor will be responsible for all bills for heat, electricity, fuel, water and other utilities and commodities consumed by Lessee upon said premises

2 The Lessor shall be responsible for the sound maintenance of the parking lot, heating and air conditioning, and electrical and plumbing systems of the building including the demised premises, and for all repairs thereto The Lessee shall pay the Lessor for any and all damages to water or gas fixtures, heating apparatus, plumbing connections and electrical fixtures or lights caused by Lessee's negligence The Lessor shall not be liable to the Lessee for any damage to any property from any cause whatsoever while on the demised premises, unless resulting from the unlawful acts or negligence on the part of the Lessor, its agents and servants

3 The Lessee shall keep the interior of the said premises in good repair and order as the same are at the commencement of the term hereof or may be put in thereafter, including the replacement of glass in windows and doors, but excepting ordinary wear and tear or damages by fire or other casualty The Lessor shall be responsible for the maintenance and repair of the exterior of said premises

4. The Lessee shall not make any alterations or additions to the demised premises without first obtaining the written consent of the Lessor, which consent shall not be unreasonably withheld The Lessee after said consent is obtained shall at its own expense make said alterations or additions

5 The Lessee shall use the premises for a full time visiting nurse facility No other use shall be allowed during the term of this agreement

6 The Lessee shall commence to refinish the interior of the building within 30 days of the execution of this Lease after consent is obtained, as per Number 4 above The Lessee shall have the right to erect a sign on the front lawn of the property subject to obtaining Lessor's consent as to the size and location of the sign, which consent shall not be unreasonably withheld

7 The Lessee shall not assign this Lease nor sublet the premises or any parts thereof without obtaining the prior approval of Lessor which shall not be unreasonably withheld or delayed At the expiration or sooner termination of this Lease, the Lessee shall quietly and peaceably surrender up possession of said premises in as good repair, order and condition as they now are or may be put in, ordinary wear and tear and unavoidable casualties and damages by the elements excepted

8 Having examined the demised premises, the Lessee hereby acknowledges that the building, improvements and any equipment on or in the leased premises are now in good condition, and will be properly maintained by the Lessee during its period of occupancy, except for those items for which Lessor is responsible to maintain as set forth herein

9 The Lessee upon the payment of the rent herein reserved and upon the performances of all the terms of this Lease shall at all times during the lease term and during any extension or renewal term peaceably and quietly enjoy the leased property without any disturbance from the Lessor or from any other person claiming through the Lessor, or for any other tenant

10 The Lessee shall at its sole expense conduct its business so as to comply with all laws, orders and regulations of Federal, State and Municipal authorities, and with any direction of any public officer, pursuant to law, which shall impose any duty upon the Lessor or the Lessee with respect to the use of the demised premises, provided, however, that it shall be the Lessor's responsibility to insure that the

leased premises comply with the Americans with Disabilities Act and Regulations promulgated thereunder

11 It is mutually agreed by and between said parties that in case the building in which the demised premises are located shall be damaged by fire, a just abatement of the rent (provided that such damage renders the leased premises untenantable in whole or in part) shall be made until the same shall be repaired by the Lessor, provided, however, that if the cost of repairing said damage shall exceed forty (40%) per cent of the then fair market value of said building and the Lessor elects not to repair the same, this Lease shall terminate at the time of such damage, and provided further that it if shall take longer than thirty (30) days to restore the premises to the condition they were in at the commencement of the term, Lessee may terminate this Lease at any time prior to the completion of such restoration

12. The Lessee also agrees to indemnify and save the Lessor harmless from and against any and all claims, suits, actions, damages and/or cause of actions for any personal injury, loss of life and/or damage to property sustained in or about the leased premises and arising from Lessee's negligence, during the term of this lease, and from and against all costs, counsel fees, expenses, expenses and liabilities incurred in connection therewith, the investigation thereof and the defense of any action or proceeding brought thereon and from and against any orders, judgments and/or decrees of Court that may be entered thereon The Lessee shall also keep in effect at all times, and present to the Lessor upon execution of said lease and annually thereafter a certificate of general liability insurance in the amount of Five Hundred Thousand ($500,000.00) Dollars

13 The Lessee shall not do anything which will make void or voidable any policies of insurance against loss by fire, or which will prevent the renewal, without a premium increase, of the existing fire insurance policy that has been issued to the Lessor Property insurance on contents shall be the sole responsibility of the Lessee

14 The various rights, powers and remedies herein contained and reserved to the Lessor shall not be considered as exclusive of any other right, power or

remedy, but shall be construed as cumulative No delay or omission of the Lessor to exercise any right, power or remedy shall be construed as a waiver of any such default or any acquiescence therein

15 The term "Lessor" and the "Lessee" shall include the successors and assigns of the respective parties wherever the context requires or permits such construction, and all of the covenants and conditions of this Lease shall be binding upon and inure to the benefit of the successors and assigns of the parties

16 The parties agree that if City Council approval is necessary for this lease to take effect, it shall operate as a condition precedent to the effective date of this lease.

17 All notices to the Lessor shall be sent by certified or registered mail addressed to The Division of Contract and Purchase, 869 Park Avenue, Cranston, Rhode Island 02910, or such other address as Lessor shall hereafter from time to time designate in writing All notices to the Lessee shall be sent by certified or registered mail addressed to the Lessee, or such other address as Lessee shall hereafter from time to time designed in writing All notices properly addressed shall be deemed served upon the date of their registration with the postal authorities

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals as of the day and year first above written

THE CITY OF CRANSTON

ORDINANCE OF THE CITY COUNCIL

IN AMENDMENT OF CHAPTER 2 OF THE CODE OF THE CITY OF CRANSTON, 1970, ENTITLED "ADMINISTRATION"

Passed *No*

Council President

Approved

Mayor

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Chapter 2 of the Code of the City of Cranston, 1970, entitled, "Administration" is hereby amended by adding thereto, the following new article

ARTICLE IV-N REAL ESTATE NONUTILIZATION TAX

A. Purpose.

1. There are numerous vacant and abandoned properties throughout the city of Cranston

2. The existence of vacant and abandoned properties within the city contributes to the deterioration of its viable real estate

3. Vacant and abandoned properties sometimes place a greater demand on essential city services such as police and fire protection than do occupied properties comparably assessed for real estate tax purposes.

4. The owners of vacant and abandoned properties do not always contribute a fair share of the costs of providing the foregoing essential city services financed in part by real estate tax revenues, which revenues are solely based on the assessed value of properties.

5. Some properties are deliberately left vacant by their owners in the hope that real estate values will increase, thereby enabling the owners to sell these properties at a substantial profit without making any of the required repairs or improvements to the property.

6. The nonutilization of property whether for profit speculation, tax benefit, or any other purposes is the making use of that property and as such, is a privilege incident to the ownership of the property

7. Owners of vacant properties must be encouraged to use the properties in a positive manner to stop the spread of deterioration and to increase the stock of viable real estate within the city.

8. Owners of vacant and abandoned properties must be required, through the city's power to tax, to pay a fair share of the cost of providing certain essential city service.

B. Definitions.

1. The following words, terms, and phrases, when used in this section, shall have the meanings ascribed to them in this section, except in those instances where the context clearly indicates a different meaning.

a. "Actively marketed" means good faith efforts by the owner of the property to obtain one or more occupants of the property. These good faith efforts may include, without limitation, one or more of the following.

i. making substantial financial expenditures in comparison with the value of the property, or

ii. listing the property for sale or lease, or both, with one or more real estate brokers, for a price and on terms, or for a rental that is realistic considering the fair market value or fair market rental value of the property, or

iii. advertising, using one or more signs on the property and at least one other medium, the availability of the property for sale or rental for a price and on terms, or at a rental that is realistic considering the fair market value or fair market rental value of the property.

Sporadic attempts to sell or lease the property during the privilege year may be viewed as not constituting a good faith marketing effort.

b. "Continuously unoccupied" means any property which is listed during the entire privilege year as vacant in the records of the city's division of minimum housing shall be deemed continuously unoccupied during the privilege year.

SECTION 1. Chapter 2, of the Code of the City of Cranston, 1970, entitled, "Administration" is hereby amended by adding thereto, the following new article

Article IV-I EXEMPTIONS FOR TECHNOLOGY RELATED PROPERTY

Sec. 2-33.43 Findings.

The Administration and the City Council find that providing an incentive for new investments in Technology Property as authorized by RIGL 44-3-3 1 will help attract and maintain local businesses, stabilize the tax rate and will promote public welfare

Sec. 2-33.44 Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning

A "Qualifying Taxpayer" - Any business (other than as set forth herein), in whatever form operated, that currently owns or leases or anticipates owning or leasing property in the city for use in conducting such business The phrase does not include a business that has less than thirty (30) full time employees in the city or a business that is principally engaged in the city or elsewhere in making retail sales, extracting minerals or other raw materials, distributing merchandise or other goods Qualifying Taxpayer shall mean professional or similar services which shall include but not be limited to financial management, health related services (such as medical, dental surgical, nursing or diagnostic services), legal, accounting, engineering, drafting, architectural, real estate brokers and benefits consulting services To be treated as a Qualifying Taxpayer, a business must currently employ or establish that it reasonably anticipates within twelve (12) months that it will employ within the city at least one (1) full time employee for every two hundred fifty (250) square feet of office space and at least one (1) full time employee for every four hundred fifty (450) square feet of manufacturing and other non-office space that it owns or leases in the city The number of full time employees of a business shall be determined using the rules set forth in RIGL 42-64 5-2 to determine the number of "full time equivalent active employees" of the business A business leasing property to a Qualifying Taxpayer during a fiscal year will be treated as a Qualifying Taxpayer for that period if the lessee of such property qualifies as a "Qualifying Taxpayer" and the certification or recertification requirements set forth herein are otherwise satisfied

B "Technology Property" - Any investment in (i) main frame computers, main frame computers or PC based area wide networks or PC based local area networks that includes at least twenty (20) workstations and (ii) research and development equipment to the extent such equipment would qualify for the sales and use tax exemption available in RIGL 44-18-30 (43)

C "Eligible Property" - Any Technology Property as hereinabove described which has been submitted to and classified by the Tax Assessor in accordance with RIGL 44-5-15 shall be entitled to this incentive exemption in the following tax year and in any subsequent tax year as long as an annual recertification request is filed with and classified by the Tax Assessor Technology Property located in the City prior to the adoption of this ordinance does not qualify for the property tax exemption provided for in this article

Sec. 2-33.45 Administration and Compliance.

No business shall be entitled to the exemptions herein authorized without first filing an application with the Tax Assessor The Tax Assessor shall promulgate all certification and annual recertification applications within the requirements of this article and shall set forth the due dates for the filing of all such applications The Tax Assessor shall respond to any completed request for certification or annual request for recertification by submitting his or her recommendation for the approval or denial of said request to the City Council within thirty (30) business days after the completed request has been received in the office of the Tax Assessor The Tax Assessor, to insure continued compliance with the requirements set forth herein, shall deny the exemption for Eligible Property that would otherwise be available to a Qualifying Taxpayer in any calendar year if the taxpayer fails to file a timely accounting for such year as required pursuant to RIGL 44-5-15 and to provide in connection with that filing such information as the Tax Assessor may request to establish that the taxpayer is entitled to the exemption claimed for such year If the taxpayer can not establish for that year that it met or continued to meet the employment requirements set forth herein, but it can establish for such year that it met at least ninety (90%) percent of those requirements, it shall be entitled for such year to a proportionate part of the exemption

Sec. 2-33.46 Appeals.

Appeals of decisions of the Tax Assessor under this article shall be made in accordance with RIGL 44-5-26.

Sec. 2-33.47 Technology Property Exemption.

A Eligible Property which is owned by a Qualifying Taxpayer during a calendar year shall be exempt from property tax on said property This exemption shall not apply to any other liability against the property due the city, including but not limited to water assessment, sewer assessment, real estate tax assessment or other tangible personal property assessment This exemption shall also not apply to the property tax liability attributable to subsequent periods unless the property retains its classification as Eligible Property In addition, this exemption shall be forfeited by the owner of property who shall be delinquent in the payment of this or any other tax or other liability due the to the city, whether said tax or other liability is assessed against this property or other property owned by said business in the City of Cranston This exemption shall be reinstated in the fiscal year following the payment of said delinquent taxes

B Notwithstanding any provision in this article to the contrary, the tax exemption herein provided shall not be available to any business relocating from another community in the State of Rhode Island to the City of Cranston In addition, a Qualifying Taxpayer shall be entitled to the property tax exemption provided for herein for a maximum period of five (5) years

SECTION 2. This ordinance shall expire December 31, 1999, as to any new applications that have not been filed and acted upon All applications that have been approved in accordance with this section shall have the benefit of the full five (5) year tax incentive The City Council shall begin its review of this Tax Incentive Program on July 1, 1999

b. New or expanding industrial facilities or other qualified business facilities must apply for designation under this Tax Incentive Program for the new or expanded construction on or after January 1, 1997 and prior to June 30, 1999. Further, the new or expanding business must have obtained approval for eligibility for participation in this program prior to the receipt of a Certificate of Occupancy from the Building Inspector, which said certificate shall not be issued subsequent to December 31, 1999. New businesses must provide proof that they are not relocating from another city or town within the State of Rhode Island. Application forms will be available at the offices of the Building Inspector, Tax Assessor, City Planning and Economic Development.

c. Eligibility for participation in this Tax Incentive Program shall be determined jointly by the Building Inspector, Tax Assessor, City Planner or their designees, and the City Council.

d. At the time of application, each new business or expanding business must declare its intent to retain the same employment level as currently exists or to increase said employment level for a minimum period of three (3) years.

e. All participating businesses either new or expanding are required to comply with all Federal, State and Municipal rules and regulations regarding job safety, affirmative action, etc.

f. All new or expanding businesses, including any and all subsidiaries, affiliates, subdivisions, parents or other entities of said businesses with ten percent (10%) or more common ownership, unless otherwise approved by the City Council, must provide proof that all municipal taxes, fees and other assessments are paid and current and have been current for the last three (3) years in order for said business to be eligible under this Tax Incentive Program.

g. Notwithstanding any vote and findings by the City Council, the property shall be assessed for and shall pay that portion of the tax if any assessed by the City in which the real property is located, for the purpose of paying the indebtedness of the City and the indebtedness of the State or any political subdivision thereof to the extent assessed upon or apportioned to the City, and the interest thereon, and for appropriation to any sinking fund of the City, which portion of the tax shall be paid in full, and the taxes so assessed and collected shall be kept in a separate account and used only for that purpose.

h. The City Planner, the Tax Assessor, the Building Inspector and the Director of Economic Development shall promulgate with City Council approval such rules and regulations and provide suitable documents necessary to effect the purpose of this article.

i. Annually with his budget presentation, the Mayor shall submit to the City Council an annual report prepared by the City Planner, the Tax Assessor and the Director of Economic Development which will identify all businesses participating in this Tax Incentive Program and shall include the amount of incentive granted to each business, the number of jobs and/or the amount of expansion created by said new businesses, and the remaining term for said incentive program for each business. Said annual report shall also include the assessed value, the taxes generated and the taxes defeased as a result of participation in the Tax Incentive Program for each participating business.

j. Any default in payment of taxes by a participating business for any three (3) month period during a consecutive twelve (12) month period shall result in the termination of all tax incentives to said business and further, said business shall reimburse the City of Cranston the tax savings for said period of default. Reinstatement of eligibility for the Tax Incentive Program shall be subject to City Council approval. Any failure of a participating business to pay any tax due to the City of Cranston on any property situated

in the City of Cranston, owned by said business, including any and all subsidiaries, affiliates, subdivisions, parents or other entities with ten percent (10%) or more common ownership, shall result in termination of all tax incentives to said business

THE CITY OF CRANSTON

ORDINANCE OF THE CITY COUNCIL

IN AMENDMENT OF CHAPTER 2 OF THE CODE OF THE CITY OF CRANSTON, 1970, ENTITLED "ADMINISTRATION"

Passed September 22, 1997

No 97-52

Kevin J McAllister Vice *Council President*

Approved September 22, 1997

Michael A Traficante *Mayor*

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Chapter 2 of the Code of the City of Cranston, 1970, entitled, "Administration" is hereby amended by adding thereto, the following new article

ARTICLE IV-N. REAL ESTATE NONUTILIZATION TAX

A. Purpose.

1 There are numerous vacant and abandoned properties throughout the city of Cranston

2 The existence of vacant and abandoned properties within the city contributes to the deterioration of its viable real estate.

3. Vacant and abandoned properties sometimes place a greater demand on essential city services such as police and fire protection than do occupied properties comparably assessed for real estate tax purposes.

4 The owners of vacant and abandoned properties do not always contribute a fair share of the costs of providing the foregoing essential city services financed in part by real estate tax revenues, which revenues are solely based on the assessed value of properties.

5. Some properties are deliberately left vacant by their owners in the hope that real estate values will increase, thereby enabling the owners to sell these properties at a substantial profit without making any of the required repairs or improvements to the property.

6. The nonutilization of property whether for profit speculation, tax benefit, or any other purposes is the making use of that property and as such, is a privilege incident to the ownership of the property

7. Owners of vacant properties must be encouraged to use the properties in a positive manner to stop the spread of deterioration and to increase the stock of viable real estate within the city.

8. Owners of vacant and abandoned properties must be required, through the city's power to tax, to pay a fair share of the cost of providing certain essential city service.

B. Definitions.

1 The following words, terms, and phrases, when used in this section, shall have the meanings ascribed to them in this section, except in those instances where the context clearly indicates a different meaning.

a. "Actively marketed" means good faith efforts by the owner of the property to obtain one or more occupants of the property These good faith efforts may include, without limitation, one or more of the following

i. making substantial financial expenditures in comparison with the value of the property, or

ii. listing the property for sale or lease, or both, with one or more real estate brokers, for a price and on terms, or for a rental that is realistic considering the fair market value or fair market rental value of the property, or

iii. advertising, using one or more signs on the property and at least one other medium, the availability of the property for sale or rental for a price and on terms, or at a rental that is realistic considering the fair market value or fair market rental value of the property

Sporadic attempts to sell or lease the property during the privilege year may be viewed as not constituting a good faith marketing effort.

b "Continuously unoccupied" means any property which is listed during the entire privilege year as vacant in the records of the city's division of minimum housing shall be deemed continuously unoccupied during the privilege year.

c. "Privilege year" means the twelve (12) month period corresponding to the calendar year.

d. "Vacant and abandoned property" means any property which has.

i. remained continuously unoccupied during the privilege year,

ii.

a In the case of property containing one or more buildings used in whole or in part for one or more dwelling units immediately prior to the time the property became vacant, been under continuous designation as vacant by the city's division of minimum housing during the privilege year, or

b. In the case of property containing one or more buildings none of which were used in whole or in part for one or more dwelling units immediately prior to the time the property became vacant, been under continuous citation by an agency of the city for violation of minimum housing code provisions relating to the health or safety of citizens during the privilege year.

C. Imposition of tax.

The city of Cranston hereby imposes a tax upon the privilege of utilizing property as vacant and abandoned property within the city during any privilege year commencing with the privilege year beginning January 1, 1997, and every privilege year thereafter. The tax shall be in addition to any other taxes authorized by the general or public laws Further, the imposition of this tax shall immediately extinguish any and all other tax exemptions currently allowed to the property including but not limited to homestead exemption, residential improvement exemption, elderly exemption and veteran's exemption, etc.

D. Rate of tax.

The tax imposed by this section shall be measured by the assessed value of the real estate at the rate of Ten and 00/100 Dollars ($10.00) for each One Hundred and 00/100 Dollars ($100.00) of the assessed value of the real estate as most recently returned by the tax assessor of the city.

E. Date on which taxes due.

The tax imposed under this section shall be due and payable in the same manner as other municipal taxes are due in the city.

F. Appeals.

1. In any appeal from the imposition of the tax set forth in this section, the board of tax assessment review of the city shall find in favor of an appellant who shows that the property assessed.

a. was actively marketed during the privilege year, or

b was occupied for substantial portions of the privilege year, notwithstanding its designation by the division of minimum housing.

2. Nothing contained in this section shall be deemed to enlarge or diminish any other right of appeal that an appellant may possess pursuant to the general or public laws or city ordinances.

G. Severability.

The provisions of this section are severable and if any provision, sentence, clause, section, or part thereof shall be held illegal, invalid, unconstitutional, or inapplicable to any person, circumstance, or time period, that illegality, invalidity, unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, sentences, clauses, sections, or parts of the section or its application It is hereby declared to be the legislative intent of the city council that this section would have been adopted had those provisions not been included or that person, circumstance, or time period been expressly excluded from its coverage.

SECTION 2. This Ordinance shall take effect upon its final adoption

Approved as to form and legality

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Chapter 2, of the Code of the City of Cranston, 1970, entitled, "Administration" is hereby amended by adding thereto, the following new article

Article IV-I EXEMPTIONS FOR TECHNOLOGY RELATED PROPERTY

Sec. 2-33.43 Findings.

The Administration and the City Council find that providing an incentive for new investments in Technology Property as authorized by RIGL 44-3-3 1 will help attract and maintain local businesses, stabilize the tax rate and will promote public welfare

Sec. 2-33.44 Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning

A "Qualifying Taxpayer" - Any business (other than as set forth herein), in whatever form operated, that currently owns or leases or anticipates owning or leasing property in the city for use in conducting such business The phrase does not include a business that has less than thirty (30) full time employees in the city or a business that is principally engaged in the city or elsewhere in making retail sales, extracting minerals or other raw materials, distributing merchandise or other goods Qualifying Taxpayer shall mean professional or similar services which shall include but not be limited to financial management, health related services (such as medical, dental surgical, nursing or diagnostic services), legal, accounting, engineering, drafting, architectural, real estate brokers and benefits consulting services To be treated as a Qualifying Taxpayer, a business must currently employ or establish that it reasonably anticipates within twelve (12) months that it will employ within the city at least one (1) full time employee for every two hundred fifty (250) square feet of office space and at least one (1) full time employee for every four hundred fifty (450) square feet of manufacturing and other non-office space that it owns or leases in the city The number of full time employees of a business shall be determined using the rules set forth in RIGL 42-64 5-2 to determine the number of "full time equivalent active employees" of the business A business leasing property to a Qualifying Taxpayer during a fiscal year will be treated as a Qualifying Taxpayer for that period if the lessee of such property qualifies as a "Qualifying Taxpayer" and the certification or recertification requirements set forth herein are otherwise satisfied

B "Technology Property" - Any investment in (i) main frame computers, main frame computers or PC based area wide networks or PC based local area networks that includes at least twenty (20) workstations and (ii) research and development equipment to the extent such equipment would qualify for the sales and use tax exemption available in RIGL 44-18-30 (43)

C "Eligible Property" - Any Technology Property as hereinabove described which has been submitted to and classified by the Tax Assessor in accordance with RIGL 44-5-15 shall be entitled to this incentive exemption in the following tax year and in any subsequent tax year as long as an annual recertification request is filed with and classified by the Tax Assessor Technology Property located in the City prior to the adoption of this ordinance does not qualify for the property tax exemption provided for in this article

Sec. 2-33.45 Administration and Compliance.

No business shall be entitled to the exemptions herein authorized without first filing an application with the Tax Assessor The Tax Assessor shall promulgate all certification and annual recertification applications within the requirements of this article and shall set forth the due dates for the filing of all such applications The Tax Assessor shall respond to any completed request for certification or annual request for recertification by submitting his or her recommendation for the approval or denial of said request to the City Council within thirty (30) business days after the completed request has been received in the office of the Tax Assessor The Tax Assessor, to insure continued compliance with the requirements set forth herein, shall deny the exemption for Eligible Property that would otherwise be available to a Qualifying Taxpayer in any calendar year if the taxpayer fails to file a timely accounting for such year as required pursuant to RIGL 44-5-15 and to provide in connection with that filing such information as the Tax Assessor may request to establish that the taxpayer is entitled to the exemption claimed for such year If the taxpayer can not establish for that year that it met or continued to meet the employment requirements set forth herein, but it can establish for such year that it met at least ninety (90%) percent of those requirements, it shall be entitled for such year to a proportionate part of the exemption

Sec. 2-33.46 Appeals.

Appeals of decisions of the Tax Assessor under this article shall be made in accordance with RIGL 44-5-26

Sec. 2-33.47 Technology Property Exemption.

A Eligible Property which is owned by a Qualifying Taxpayer during a calendar year shall be exempt from property tax on said property This exemption shall not apply to any other liability against the property due the city, including but not limited to water assessment, sewer assessment, real estate tax assessment or other tangible personal property assessment This exemption shall also not apply to the property tax liability attributable to subsequent periods unless the property retains its classification as Eligible Property In addition, this exemption shall be forfeited by the owner of property who shall be delinquent in the payment of this or any other tax or other liability due the to the city, whether said tax or other liability is assessed against this property or other property owned by said business in the City of Cranston This exemption shall be reinstated in the fiscal year following the payment of said delinquent taxes

B Notwithstanding any provision in this article to the contrary, the tax exemption herein provided shall not be available to any business relocating from another community in the State of Rhode Island to the City of Cranston In addition, a Qualifying Taxpayer shall be entitled to the property tax exemption provided for herein for a maximum period of five (5) years

SECTION 2. This ordinance shall expire December 31, 1999, as to any new applications that have not been filed and acted upon All applications that have been approved in accordance with this section shall have the benefit of the full five (5) year tax incentive The City Council shall begin its review of this Tax Incentive Program on July 1, 1999

SECTION 3. This Ordinance shall take effect upon its final adoption

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Chapter 2 of the Code of the City of Cranston, 1970, entitled, "Administration" is hereby amended by adding thereto, the following new article:

ARTICLE IV-J. ECONOMIC DEVELOPMENT TAX INCENTIVE PROGRAM FOR INDUSTRIALLY ZONED PROPERTY.

Sec. 2-33.48. FINDINGS.

It is the intention of the Administration and the City Council to offer a tax incentive to new businesses locating in industrially zoned property within the City of Cranston, as well as to offer said incentive to existing businesses which are expanding, in an effort to retain, strengthen, expand and increase its work force within the City After public hearing and pursuant to RIGL 44-3-9, the City Council has determined that

1 Granting of the exemption will inure to the benefit of the City by reason of (A) the willingness of manufacturing concerns or other qualified businesses to locate in the City, or (B) the willingness of a manufacturing firm or other qualified business to expand facilities with an increase in employment or the willingness of a manufacturing concern or other qualified business to retain its facility in the City and not reduce substantially its work force in the City, or (C) an improvement of the physical plant of the City which will result in a long-term economic benefit to the City and State, or

11 Granting of the exemption will inure to the benefit of the City by reason of the willingness of a manufacturing firm or other qualified business or property owner to replace, reconstruct, convert, expand, retain or remodel existing buildings or facilities with modern buildings or facilities resulting in an increase or maintenance in plant investment by the firm or property owner in the City

ORDINANCE OF THE CITY COUNCIL

IN AMENDMENT OF CHAPTER 2 OF THE CODE OF THE CITY OF CRANSTON, 1970, ENTITLED "ADMINISTRATION"

No 97-55

Passed
September 22, 1997

Kevin J. McAllister Vice- *Council President*

Approved
September 22, 1997

Michael A. Traficante *Mayor*

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Chapter 2 of the Code of the City of Cranston, 1970, entitled, "Administration" is hereby amended by adding thereto, the following new article

ARTICLE IV-K. ECONOMIC DEVELOPMENT TAX INCENTIVE PROGRAM FOR BREWERY SITE

Sec. 2-33.51. FINDINGS

The Administration and the City Council find that an aggressive and diverse incentive program is necessary to attract and provide facilities and accommodations for all types of business entities and commercial enterprises for the purposes among others of generating tax revenue by enlarging its tax base, increasing commercial building investment, and generally expanding employment and employment opportunities in the State of Rhode Island and for the residents of the City of Cranston

Sec. 2-33.52. GOALS AND OBJECTIVES.

The Administration and City Council are desirous of assisting the owners in attracting quality companies to the brewery site, so-called, for the following reasons

1. To promote the diversification and expansion of the commercial and manufacturing base

2. To expand employment opportunities with competitive wages and safe quality working environments.

3. To attract new businesses to the City of Cranston so as to create a strong, stable economy.

4. To encourage quality companies to relocate to said site and who will create job opportunities for area residents

Sec. 2-33.53. PROGRAM DESCRIPTION.

This Tax Incentive Program is intended to encourage the construction of new industrial and commercial facilities within the brewery site, so-called It provides attractive tax incentives for new businesses locating or expanding to said brewery site. It is envisioned that this program will lead to the creation of new and expanded employment opportunities for the City of Cranston while providing for the long term expansion of the City's tax base

This Tax Incentive Program provides for a ~~three~~ five (5) year freeze and phase-in of tax assessments on buildings which currently exist on said site and which are renovated, as well as a phase-in of new tax assessments that result from new construction of industrial and/or commercial facilities. Property taxes are brought to one hundred percent (100%) at the end of the scheduled phase-in period. This Tax Incentive Program shall be for a period not exceeding ten (10) years and shall be subject to the following terms and conditions.

a. Eligible projects shall include.

i. Total new construction of industrial and/or commercial facilities within the brewery site, or

ii. Renovation of a vacant building within the brewery site, with minimum construction cost of $100,000.00.

b. New or expanding industrial and/or commercial facilities within the brewery site must apply for designation under this Tax Incentive Program for the new or expanded construction on or after January 1, 1997 and prior to June 30, 1999. Further, the new or expanding business must have obtained approval for eligibility for participation in this program prior to the receipt of a Certificate of Occupancy from the Building Inspector, which said certificate shall not be issued subsequent to December 31, 1999. New businesses must provide proof that they are not relocating from another city or town within the State of Rhode Island. Existing businesses must provide proof that they have been in operation within the City of Cranston for a period of one (1) year. Application forms will be available at the offices of the Building Inspector, Tax Assessor, City Planning and Economic Development.

c. Eligibility for participation in this Tax Incentive Program shall be determined jointly by the Building Inspector, Tax Assessor, City Planner or their designees, and the City Council.

d. At the time of application, each new business or expanding business must declare its intent to retain the same employment level as currently exists or to increase said employment level for a minimum period of three (3) years.

e. All participating businesses either new or expanding are required to comply with all Federal, State and Municipal rules and regulations regarding job safety, affirmative action, etc.

f. All new or expanding businesses, including any and all subsidiaries, affiliates, subdivisions, parents or other entities of said businesses with ten percent (10%) or more common ownership, unless otherwise approved by the City Council, must provide proof that all municipal taxes, fees and other assessments are paid and current and have been current for the last three (3) years in order for said business to be eligible under this Tax Incentive Program.

g. Notwithstanding any vote and findings by the City Council, the property shall be assessed for and shall pay that portion of the tax if any assessed by the City in which the real property is located, for the purpose of paying the indebtedness of the City and the indebtedness of the State or any political subdivision thereof to the extent assessed upon or apportioned to the City, and the interest thereon, and for appropriation to any sinking fund of the City, which portion of the tax shall be paid in full, and the taxes so assessed and collected shall be kept in a separate account and used only for that purpose.

h. The City Planner, the Tax Assessor, the Building Inspector and the Director of Economic Development shall promulgate with City Council approval such rules and regulations and provide suitable documents necessary to effect the purpose of this article.

i. Annually with his budget presentation, the Mayor shall submit to the City Council an annual report prepared by the City Planner, the Tax Assessor and the Director of Economic Development which will identify all businesses participating in this Tax Incentive Program and shall include the amount of incentive granted to each business, the number of jobs and/or the amount of expansion created by said new businesses, and the remaining term for said incentive program for each business. Said annual report shall also include the assessed value, the taxes generated and the tax [illegible]

j Any default in payment of taxes by a participating business for any three (3) month period during a consecutive twelve (12) month period shall result in the termination of all tax incentives to said business and further, said business shall reimburse the City of Cranston the tax savings for said period of default Reinstatement of eligibility for the Tax Incentive Program shall be subject to City Council approval Any failure of a participating business to pay any tax due to the City of Cranston on any property situated in the City of Cranston, owned by said business, including any and all subsidiaries, affiliates, subdivisions, parents or other entities with ten percent (10%) or more common ownership, shall result in termination of all tax incentives to said business

k The real property to which this Tax Incentive Program applies shall be known as the brewery site and is described as follows

That certain tract or parcel of land situated on the northerly side of Cranston Street and the southerly side of Cranston Street and the westerly side of Garfield Avenue in the City of Cranston, County of Providence, State of Rhode Island, laid out and designated as Lot Nos 1 (one), 90 (ninety), 91 (ninety-one), 92 (ninety-two), 93 (ninety-three), 94 (ninety-four), 95 (ninety-five), 99 (ninety-nine), 100 (one hundred), 105 (one hundred five), 106 (one hundred six), 111 (one hundred eleven), 112 (one hundred twelve), 113 (one hundred thirteen), 114 (one hundred fourteen), 115 (one hundred fifteen), 116 (one hundred sixteen), 117 (one hundred seventeen), 711 (seven hundred eleven), 1109 (one thousand one hundred nine), 2263 (two thousand two hundred sixty-three), 2438 (two thousand four hundred thirty-eight), 2439 (two thousand four hundred thirty-nine), 2440 (two thousand four hundred forty), 2441 (two thousand four hundred forty-one), 2442 (two thousand four hundred forty-two), 2443 (two thousand four hundred forty-three), 2453 (two thousand four hundred fifty-three), 2454 (two thousand four hundred fifty-four), 2455 (two thousand four hundred fifty-five), 3084 (three thousand eighty-four), 3224 (three thousand two hundred twenty-four), 3649 (three thousand six hundred forty-nine), 3673 (three thousand six hundred seventy-three), 3674 (three thousand six hundred seventy-four), 3675 (three thousand six hundred seventy-five), 3731 (three thousand seven hundred thirty-one) and 3734 (three thousand seven hundred thirty-four) on Plat 7 (seven) as the same was laid out in the office of the Tax Assessor for the City of Cranston as of December 31, 1996

AMENDING CHAPTER 2 OF THE CODE OF THE CITY OF CRANSTON, 1970, ENTITLED "ADMINISTRATION"

Passed *No*

Peter T. Pastore, Jr. *Council President*

Approved

Michael A. Traficante *Mayor*

It is ordained by the City Council of the City of Cranston as follows

SECTION 1. Chapter 2 of the Code of the City of Cranston, 1970, entitled "Administration" is hereby amended by deleting in its entirety Section 2-27 3 and substituting in its entirety the following

SECTION 2-27.3 - Establishment of Guidelines for the Waiver of Interest on Delinquent Taxes

WHEREAS, the City of Cranston recognizes that its local revenues are primarily based on the assessment and collection of taxes and not on the assessment and collection of penalties and interest, and

WHEREAS, the City has also recognized that the assessment of an interest penalty for late payment of taxes is necessary to serve as an inducement to citizens to make prompt payment of taxes, and that prompt payment of taxes should be a responsible act by citizens rather than an undue burden, and

WHEREAS, the City of Cranston has always considered the collection of interest as the norm; and

WHEREAS, the City recognizes that on occasion taxes are paid late through no fault of the taxpayer, and that assessment of interest could cause a further hardship to the citizen, and

WHEREAS, studies have shown that in the past when interest payments have been waived, the waivers have been for small amounts and made in behalf of taxpayers whose taxes were small, and

WHEREAS, government must therefore be compassionate with those citizens who can demonstrate a compelling reason for late payment of taxes, insuring that all citizens are treated fairly and equitably in the application of reasonable standards for waiver of interest, and

WHEREAS, from time to time the best interests of the City and all its taxpayers will be served by not pressing to collect all or part of the interest due on a late tax, or payment of the late tax in lump sum, in order to collect the tax itself

NOW, THEREFORE, BE IT ORDAINED

1. The City Treasurer, following the review and authorization of the City Council, may waive payment of all or a fraction of the amount of interest or penalty due on delinquent taxes provided he or she has received satisfactory proof presented by the taxpayer that late payment is being made because of one of the following

   a Recent death in the immediate family
   b Hospitalization contributing to the late payment
   c. Waiver is in the best interest of the City (City Treasurer must record the reasons for this determination prior to submitting the recommendation to the City Council)
   d Hardship causing late payment (City Treasurer must specify the hardship reasons to the City Council prior to their acting on the Treasurer's recommendations)

2. The City Treasurer shall maintain a proper form in his or her office upon which taxpayers may file for waivers of interest.

3. A log of interest or penalty waived shall be maintained by the City Treasurer for inspection upon request during normal business hours by any member of the public This log shall be organized generally alphabetically by taxpayer names and shall include the following information

   a Name of taxpayer and account number
   b Date of waiver
   c Amount of taxes due
   d Amount of penalty waived
   e Reason for waiver

Records of such information shall be administered consistent with all the provisions of the Rhode Island Statute governing "open records"

4 Interest will not be assessed for taxes received within a five business day processing period following each respective due date

This Ordinance shall take effect upon its final adoption, and will apply to all tax bills due on or after July 15, 1997.

EXHIBIT "A"

LEASE

THIS INDENTURE OF LEASE entered into on this day of , 1997 by and between the City of Cranston, a municipal corporation, hereinafter referred to as Lessor and Louis Feinstein Alzheimer Day Care Center, a Rhode Island non-profit corporation, hereinafter referred to as Lessee.

WITNESSETH:

That the Lessor, for the consideration and upon the terms and conditions hereinafter stated, located in the City of Cranston, County of Providence, State of Rhode at 25 Brayton Avenue, Cranston, Rhode Island 02920, all of said property bounded by a fence shall be considered to be the demised premises.

TO HAVE AND TO HOLD said premises for and during the term of ten (10) years from the day of ,1997 to the 31st day of , 2007.

Both the Lessor and Lessee are aware that the special legislative act that gave rise to the building of the center on the Brayton Avenue site specifically restricts the use of the property to creation and operation of a day care center for alzheimer victims. The Lessor and Lessee understand that the providing of this dimension of the adult day care is part of the mission of the City of Cranston through the Department of the Senior Services.

The Lessee is hereby given an option for three (3) additional terms of ten (10) years each from and after the expiration of the original term under the same conditions. Provided that the Lessee is not in default of any of the terms and provisions of this Lease, at the time of the exercise of the option, and provided further that the Lessee shall give to the Lessor at least ninety (90) days written notice by registered mail or certified mail before the expiration date of the original term of this Lease or of a previously exercised option term of its intention to exercise its option for an additional term.

The annual rental in each of the terms shall not be a monthly set fee, but rather the Lessee will be responsible for all costs connected with its use of the building including, but not limited to, payment of all utilities such as sewer, electric,

heat, gas, water, etc. and internal maintenance of the building such as cleaning and proper care of floors, walls, other surfaces, wear and tear The Lessee will also be responsible for providing for the repair of damage caused by clients, staff or others connected to the center whether by accident or neglect. The Lessee shall be responsible for waste removal and the maintenance of all of the leased premises, as well as the shoveling of sidewalks and other entrances to the building Further, the maintenance of all internal structures, such as cooling systems, heating systems, furnaces, etc will be the responsibility of the Lessee in lieu of a monthly rent. Lessee will obtain a maintenance contract on all internal systems mentioned herein. The building will continue to be carried on the City's master insurance policy for fire etc as at present

And the Lessor and Lessee, in consideration of the covenants and agreements of the other herein contained, do hereby mutually covenants and agree, more specifically, with respect to the conditions applicable to them respectively, as follows

1 The Lessor will be responsible for the care and maintenance of the lawns, plowing including the circular drive and any access road leading to same The Lessee shall be responsible for the trimming of the shrubs and maintenance of the flower beds

2 The Lessor is responsible for the maintenance of sidewalks and parking lot

3. The Lessor shall be responsible for the major structural repairs and integrity of the building and physical plant and will be responsible for all major repairs to same, such as roof damage, etc

4. The Lessee shall keep the interior of said premises in good repair and order as the same are at the commencement of the term hereof or may be put in thereafter, including the replacement of glass and windows and doors, but excepting ordinary wear and tear or damages by fire or other casualty. The Lessee shall maintain a policy of insurance to cover loss of same The Lessee shall also maintain

a liability insurance policy The Lessor shall be responsible for the maintenance and repair of the exterior of said premises.

5 The Lessee shall not make any alterations or additions to the demised premises without first obtaining the written consent of the Lessor, which consent shall not be unreasonably withheld The Lessee, after said consent is obtained, shall at its own expense make said alterations or additions.

6 The Lessee shall use the premises for a full time day care facility for the treatment of alzheimers disease and related disorders

7. The Lessee shall not assign this Lease nor sublet the premises or any parts thereof without obtaining the prior approval of Lessor which shall not be unreasonably withheld or delayed At the expiration or sooner termination of this Lease, the Lessee shall quietly and peaceably surrender up possession of said premises in as good repair, order and condition as they now are or may be put in, ordinary wear and tear and unavoidable casualties and damages by the elements excepted

8 Having examined the demised premises, the Lessee hereby acknowledges that the building, improvements and any equipment on or in the leased premises are now in good condition, and will be properly maintained by the Lessee during its period of occupancy, except for those items for which Lessor is responsible to maintain as set forth herein

9 The Lessee upon the payment of the expenses outlined elsewhere herein being paid in lieu of specific monthly rental and upon the performances of all the terms of this Lease shall, at all times during the lease term and during any extension or renewal term, peaceably and quietly enjoy the leased property without any disturbance from the Lessor or from any other person claiming through the Lessor, or for any other tenant.

10 The Lessee shall at its sole expense conduct its business so as to comply with all laws, orders and regulations of Federal, State and Municipal authorities, and with any direction of any public officer, pursuant to law, which shall impose any

duty upon the Lessor or the Lessee with respect to the use of the demised premises, provided, however, that it shall be the Lessor's responsibility to insure that the leased premises comply with the Americans with Disabilities Act and Regulations promulgated thereunder

11 It is mutually agreed by and between said parties that in case the building in which the demised premises are located shall be damaged by fire, a just abatement of the rent (provided that such damage renders the leased premises untenantable in whole or in part) shall be made until the same shall be repaired by the Lessor; provided, however, that if the cost of repairing said damage shall exceed forty (40%) per cent of the then fair market value of said building and the Lessor elects not to repair the same, this Lease shall terminate at the time of such damage, and provided further that it if shall take longer than thirty (30) days to restore the premises to the condition they were in at the commencement of the term, Lessee may terminate this Lease at any time prior to the completion of such restoration

12 The Lessee also agrees to indemnify and save the Lessor harmless from and against any and all claims, suits, actions, damages and/or cause of actions for any personal injury, loss of life including medical malpractice and/or damage to property sustained in or about the leased premises or elsewhere and/or arising from Lessee's negligence, during the term of this lease, and from and against all costs, counsel fees, expenses, expenses and liabilities incurred in connection therewith, the investigation thereof and the defense of any action or proceeding brought thereon and from and against any orders, judgments and/or decrees of Court that may be entered thereon. The Lessee shall also keep in effect at all times, and present to the Lessor upon execution of said lease and annually thereafter a certificate of general liability insurance in the amount of One Million ($1,000,000 00) Dollars and excess liability of another One Million ($1,000,000 00) Dollars, this is not meant to limit the liability of the Lessee and/or limit the aforementioned indemnification

13 The Lessee shall not do anything which will make void or voidable any

policies of insurance against loss by fire, or which will prevent the renewal, without a premium increase, of the existing fire insurance policy that has been issued to the Lessor Property insurance on contents shall be the sole responsibility of the Lessee.

14 The various rights, powers and remedies herein contained and reserved to the Lessor shall not be considered as exclusive of any other right, power or remedy, but shall be construed as cumulative. No delay or omission of the Lessor to exercise any right, power or remedy shall be construed as a waiver of any such default or any acquiescence therein.

15 The term "Lessor" and the "Lessee" shall include the successors and assigns of the respective parties wherever the context requires or permits such construction, and all of the covenants and conditions of this Lease shall be binding upon and inure to the benefit of the successors and assigns of the parties.

16 The parties agree that if City Council approval is necessary for this lease to take effect, it shall operate as a condition precedent to the effective date of this lease

17. All notices to the Lessor shall be sent by certified or registered mail addressed to The Division of Contract and Purchase, 869 Park Avenue, Cranston, Rhode Island 02910, or such other address as Lessor shall hereafter from time to time designate in writing All notices to the Lessee shall be sent by certified or registered mail addressed to the Lessee, or such other address as Lessee shall hereafter from time to time designed in writing All notices properly addressed shall be deemed served upon the date of their registration with the postal authorities

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals as of the day and year first above written

AMENDING CHAPTER 2 OF THE CODE OF THE CITY OF CRANSTON, 1970, ENTITLED "ADMINISTRATION"

Passed November 24, 1997

No 97-65

Peter T. Pastore, Jr *Council President*

Approved
November 24, 1997 Michael A. Traficante *Mayor*

It is ordained by the City Council of the City of Cranston as follows

SECTION 1 Chapter 2 of the Code of the City of Cranston, 1970, entitled "Administration" is hereby amended by deleting in its entirety Section 2-27 3 and substituting in its entirety the following

SECTION 2-27.3 - Establishment of Guidelines for the Waiver of Interest on Delinquent Taxes.

WHEREAS, the City of Cranston recognizes that its local revenues are primarily based on the assessment and collection of taxes and not on the assessment and collection of penalties and interest; and

WHEREAS, the City has also recognized that the assessment of an interest penalty for late payment of taxes is necessary to serve as an inducement to citizens to make prompt payment of taxes, and that prompt payment of taxes should be a responsible act by citizens rather than an undue burden, and

WHEREAS, the City of Cranston has always considered the collection of interest as the norm, and

WHEREAS, the City recognizes that on occasion taxes are paid late through no fault of the taxpayer, and that assessment of interest could cause a further hardship to the citizen, and

WHEREAS, studies have shown that in the past when interest payments have been waived, the waivers have been for small amounts and made in behalf of taxpayers whose taxes were small; and

WHEREAS, government must therefore be compassionate with those citizens who can demonstrate a compelling reason for late payment of taxes, insuring that all citizens are treated fairly and equitably in the application of reasonable standards for waiver of interest, and

WHEREAS, from time to time the best interests of the City and all its taxpayers will be served by not pressing to collect all or part of the interest due on a late tax, or payment of the late tax in lump sum, in order to collect the tax itself

NOW, THEREFORE, BE IT ORDAINED:

1. The City Treasurer, following the review and authorization of the City Council, may waive payment of all or a fraction of the amount of interest or penalty due on delinquent taxes provided he or she has received satisfactory proof presented by the taxpayer that late payment is being made because of one of the following

   a. Recent death in the immediate family
   b. Hospitalization contributing to the late payment
   c Waiver is in the best interest of the City (City Treasurer must record the reasons for this determination prior to submitting the recommendation to the City Council)
   d. Hardship causing late payment (City Treasurer must specify the hardship reasons to the City Council prior to their acting on the Treasurer's

2 The City Treasurer shall maintain a proper form in his or her office upon which taxpayers may file for waivers of interest.

3. A log of interest or penalty waived shall be maintained by the City Treasurer for inspection upon request during normal business hours by any member of the public. This log shall be organized generally alphabetically by taxpayer names and shall include the following information

a. Name of taxpayer and account number
b. Date of waiver
c. Amount of taxes due
d. Amount of penalty waived
e Reason for waiver

Records of such information shall be administered consistent with all the provisions of the Rhode Island Statute governing "open records".

4 Interest will not be assessed for taxes received within a five business day processing period following each respective due date.

This Ordinance shall take effect upon its final adoption, and will apply to all tax bills due on or after July 15, 1997.

EXHIBIT "A"

LEASE

THIS INDENTURE OF LEASE entered into on this day of , 1997 by and between the City of Cranston, a municipal corporation, hereinafter referred to as Lessor and Louis Feinstein Alzheimer Day Care Center, a Rhode Island non-profit corporation, hereinafter referred to as Lessee.

WITNESSETH:

That the Lessor, for the consideration and upon the terms and conditions hereinafter stated, located in the City of Cranston, County of Providence, State of Rhode at 25 Brayton Avenue, Cranston, Rhode Island 02920, all of said property bounded by a fence shall be considered to be the demised premises.

TO HAVE AND TO HOLD said premises for and during the term of ten (10) years from the day of ,1997 to the 31st day of , 2007.

Both the Lessor and Lessee are aware that the special legislative act that gave rise to the building of the center on the Brayton Avenue site specifically restricts the use of the property to creation and operation of a day care center for alzheimer victims. The Lessor and Lessee understand that the providing of this dimension of the adult day care is part of the mission of the City of Cranston through the Department of the Senior Services.

The Lessee is hereby given an option for three (3) additional terms of ten (10) years each from and after the expiration of the original term under the same conditions. Provided that the Lessee is not in default of any of the terms and provisions of this Lease, at the time of the exercise of the option, and provided further that the Lessee shall give to the Lessor at least ninety (90) days written notice by registered mail or certified mail before the expiration date of the original term of this Lease or of a previously exercised option term of its intention to exercise its option for an additional term.

The annual rental in each of the terms shall not be a monthly set fee, but rather the Lessee will be responsible for all costs connected with its use of the building including, but not limited to, payment of all utilities such as sewer, electric,

heat, gas, water, etc and internal maintenance of the building such as cleaning and proper care of floors, walls, other surfaces, wear and tear The Lessee will also be responsible for providing for the repair of damage caused by clients, staff or others connected to the center whether by accident or neglect. The Lessee shall be responsible for waste removal and the maintenance of all of the leased premises, as well as the shoveling of sidewalks and other entrances to the building. Further, the maintenance of all internal structures, such as cooling systems, heating systems, furnaces, etc. will be the responsibility of the Lessee in lieu of a monthly rent. Lessee will obtain a maintenance contract on all internal systems mentioned herein. The building will continue to be carried on the City's master insurance policy for fire etc. as at present.

And the Lessor and Lessee, in consideration of the covenants and agreements of the other herein contained, do hereby mutually covenants and agree, more specifically, with respect to the conditions applicable to them respectively, as follows.

1. The Lessor will be responsible for the care and maintenance of the lawns, plowing including the circular drive and any access road leading to same. The Lessee shall be responsible for the trimming of the shrubs and maintenance of the flower beds

2. The Lessor is responsible for the maintenance of sidewalks and parking lot

3. The Lessor shall be responsible for the major structural repairs and integrity of the building and physical plant and will be responsible for all major repairs to same, such as roof damage, etc

4. The Lessee shall keep the interior of said premises in good repair and order as the same are at the commencement of the term hereof or may be put in thereafter, including the replacement of glass and windows and doors, but excepting ordinary wear and tear or damages by fire or other casualty. The Lessee shall maintain a policy of insurance to cover loss of same The Lessee shall also maintain

a liability insurance policy. The Lessor shall be responsible for the maintenance and repair of the exterior of said premises.

5. The Lessee shall not make any alterations or additions to the demised premises without first obtaining the written consent of the Lessor, which consent shall not be unreasonably withheld. The Lessee, after said consent is obtained, shall at its own expense make said alterations or additions.

6. The Lessee shall use the premises for a full time day care facility for the treatment of alzheimers disease and related disorders.

7. The Lessee shall not assign this Lease nor sublet the premises or any parts thereof without obtaining the prior approval of Lessor which shall not be unreasonably withheld or delayed. At the expiration or sooner termination of this Lease, the Lessee shall quietly and peaceably surrender up possession of said premises in as good repair, order and condition as they now are or may be put in, ordinary wear and tear and unavoidable casualties and damages by the elements excepted.

8. Having examined the demised premises, the Lessee hereby acknowledges that the building, improvements and any equipment on or in the leased premises are now in good condition, and will be properly maintained by the Lessee during its period of occupancy, except for those items for which Lessor is responsible to maintain as set forth herein.

9 The Lessee upon the payment of the expenses outlined elsewhere herein being paid in lieu of specific monthly rental and upon the performances of all the terms of this Lease shall, at all times during the lease term and during any extension or renewal term, peaceably and quietly enjoy the leased property without any disturbance from the Lessor or from any other person claiming through the Lessor, or for any other tenant.

10. The Lessee shall at its sole expense conduct its business so as to comply with all laws, orders and regulations of Federal, State and Municipal authorities, and with any direction of any public officer, pursuant to law, which shall impose any

duty upon the Lessor or the Lessee with respect to the use of the demised premises; provided, however, that it shall be the Lessor's responsibility to insure that the leased premises comply with the Americans with Disabilities Act and Regulations promulgated thereunder.

11. It is mutually agreed by and between said parties that in case the building in which the demised premises are located shall be damaged by fire, a just abatement of the rent (provided that such damage renders the leased premises untenantable in whole or in part) shall be made until the same shall be repaired by the Lessor; provided, however, that if the cost of repairing said damage shall exceed forty (40%) per cent of the then fair market value of said building and the Lessor elects not to repair the same, this Lease shall terminate at the time of such damage, and provided further that it if shall take longer than thirty (30) days to restore the premises to the condition they were in at the commencement of the term, Lessee may terminate this Lease at any time prior to the completion of such restoration

12. The Lessee also agrees to indemnify and save the Lessor harmless from and against any and all claims, suits, actions, damages and/or cause of actions for any personal injury, loss of life including medical malpractice and/or damage to property sustained in or about the leased premises or elsewhere and/or arising from Lessee's negligence, during the term of this lease, and from and against all costs, counsel fees, expenses, expenses and liabilities incurred in connection therewith, the investigation thereof and the defense of any action or proceeding brought thereon and from and against any orders, judgments and/or decrees of Court that may be entered thereon. The Lessee shall also keep in effect at all times, and present to the Lessor upon execution of said lease and annually thereafter a certificate of general liability insurance in the amount of One Million ($1,000,000 00) Dollars and excess liability of another One Million ($1,000,000.00) Dollars, this is not meant to limit the liability of the Lessee and/or limit the aforementioned indemnification

13. The Lessee shall not do anything which will make void or voidable any

policies of insurance against loss by fire, or which will prevent the renewal, without a premium increase, of the existing fire insurance policy that has been issued to the Lessor. Property insurance on contents shall be the sole responsibility of the Lessee

14 The various rights, powers and remedies herein contained and reserved to the Lessor shall not be considered as exclusive of any other right, power or remedy, but shall be construed as cumulative. No delay or omission of the Lessor to exercise any right, power or remedy shall be construed as a waiver of any such default or any acquiescence therein.

15. The term "Lessor" and the "Lessee" shall include the successors and assigns of the respective parties wherever the context requires or permits such construction, and all of the covenants and conditions of this Lease shall be binding upon and inure to the benefit of the successors and assigns of the parties

16. The parties agree that if City Council approval is necessary for this lease to take effect, it shall operate as a condition precedent to the effective date of this lease.

17 All notices to the Lessor shall be sent by certified or registered mail addressed to The Division of Contract and Purchase, 869 Park Avenue, Cranston, Rhode Island 02910, or such other address as Lessor shall hereafter from time to time designate in writing. All notices to the Lessee shall be sent by certified or registered mail addressed to the Lessee, or such other address as Lessee shall hereafter from time to time designed in writing All notices properly addressed shall be deemed served upon the date of their registration with the postal authorities.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals as of the day and year first above written

((10) Billboard. An outdoor advertising structure with a sign or signs not pertinent to a use on the premises

(97) Sign Any outdoor sign located within the view of persons passing on a street whether a separate structure object or device or attached to or painted on another structure, object or device, bearing an advertisement or announcement relating to the premises on which such sign is located. except that the following shall in no case be considered as signs (a) any sign designed to be read solely by persons on the premises, (b) any sign less than 100 square inches in area

(98) Sign. Ground. Any sign other than a pole sign, placed upon or supported by the ground independent of any other structure

(99) Sign. Pole A sign that is mounted on a free standing pole or other support so that the bottom edge of the sign face is 8 feet or more above grade

(100) Sign, Portable A sign that is not permanently affixed to a building structure or the ground.

(101) Sign. Temporary A sign or advertising display constructed of cloth, canvas, plywood or other light material and designed or intended to be displayed for a short period of time but not to include the following (1) temporary signs or displays located within a structure, (2) real estate signs in accordance with section 30-18(R).)

Section 2 **Section 30-3 of the Code of the City of Cranston, 1970, Entitled 'Definitions' is hereby amended by adding thereto the following.**

Sign Definitions and Interpretation Words and phrases used in this ordinance shall have the meanings set forth in this section. Words and phrases not defined in this section but defined in the zoning ordinance of the city shall be given the meanings set forth in such ordinance. Principles for computing sign area and sign height are contained in Section 3. All other words and phrases shall be given their common, ordinary meaning, unless the context clearly requires otherwise. Section headings or captions are for reference purposes only and shall not be used in the interpretation of this ordinance.

Balloons Any inflated or inflatable object, with or without copy.

Banner Any sign of lightweight fabric or similar material that is permanently mounted to a pole or a building by a permanent frame at one or more edges. National flags, state or municipal flags, or the official flag of any institution or business shall not be considered banners.

Beacon Any light with one or more beams directed into the atmosphere or directed at one or more points not on the same zone lot as the light source, also, any light with one or more beams that rotate or move.

Building marker Any sign indicating the name of a building and date and incidental information about its construction, which sign is cut into a masonry surface or made of bronze or other permanent material.

Commercial Message Any sign wording, logo, or other representation that, directly or indirectly, names, advertises, or calls attention to a business, product, service, or other commercial activity.

Director The Zoning Enforcement Officer of the City or his or her designee.

Flag Any fabric, banner, or bunting containing distinctive colors, patterns, or symbols, used as a symbol of a government, political subdivision, or other entity.

Marquee Any permanent roof-like structure projecting beyond a building or extending along and projecting beyond the wall of the building, generally designed and constructed to provide protection from the weather.

Pennant Any lightweight plastic, fabric, or other material, whether or not containing a message of any kind, suspended from a rope, wire, or string, usually in series, designed to move in the wind.

Person Any association, company, corporation, firm, organization, or partnership, singular or plural, of any kind.

Principal Building The building in which is conducted the principal use of the zone lot on which it is located. Zone lots with multiple principal uses may have multiple principal buildings, but storage buildings, garages, and other clearly accessory uses shall not be considered principal buildings.

Sign Any device, fixture, placard, or structure that uses any color, form, graphic, illumination, symbol, or writing to advertise, announce the purpose of, or identify the purpose of a person or entity, or to communicate information of any kind to the public.

Sign, Animated Any sign that uses movement or change of lighting to depict action or create a special effect or scene.

Sign, Billboard Any sign erected outdoors, often freestanding, that displays copy which is generally not pertinent to the primary use of the premises.

Sign, Building Any sign attached to any part of a building, as contrasted to a freestanding sign.

Sign, Canopy Any sign that is a part of or attached to an awning, canopy, or other fabric, plastic, or structural protective cover over a door, entrance, window, or outdoor service area. A marquee is not a canopy.

Sign, Changeable Copy A sign or portion thereof with characters, letters, or illustrations that can be changed or rearranged without altering the face or the surface of the sign. A sign on which the message changes more than eight times per day shall be considered an animated sign and not a changeable copy sign for purposes of this ordinance. A sign on which the only copy that changes is an electronic or mechanical indication of time or temperature shall be considered a "time and temperature" portion of a sign and not a changeable copy sign for purposes of this ordinance.

Sign, Freestanding Any sign supported by structures or supports that are placed on, or anchored in, the ground and that are independent from any building or other structure.

Sign, Incidental A sign, generally informational, that has a purpose secondary to the use of the zone lot on which it is located, such as "no parking," "entrance," "loading only," "telephone," and other similar directives. No sign with a commercial message legible from a position off the zone lot on which the sign is located shall be considered incidental.

Sign, Marquee Any sign attached to, in any manner, or made a part of a marquee.

Sign, Nonconforming Any sign that does not conform to the requirements of this ordinance.

Sign, Political Any sign which has the purpose of advertising, promoting, or displaying a political party, platform , referenda or candidate for office, and/or a promotion of its ideals, beliefs or philosophy.

Sign, Portable Any sign not permanently attached to the ground or other permanent structure, or a sign designed to be transported, including, but not limited to, signs designed to be transported by means of wheels, signs converted to A or T-frames, menu and sandwich board signs, balloons used as signs, umbrellas used for advertising, and signs attached to or painted on vehicles parked and visible from the public right-of-way, unless said vehicle is used in the normal day-to-day operations of the business.

Sign, Projecting Any sign affixed to a building or wall in such a manner that its leading edge extends more than six inches beyond the surface of such building or wall.

Sign, Residential Any sign located in a district zoned for residential uses that contains no commercial message except advertising for goods or services legally offered on the premises where the sign is located.

if offering such service at such location conforms with all requirements of the zoning ordinance.

Sign, Real Estate Any sign erected for the purpose of informing the public that a certain parcel, property, dwelling or structure(s) is for sale, rent, lease or to be auctioned.

Sign, Roof Any sign erected and constructed wholly on and over the roof of a building, supported by the roof structure, and extending vertically above the highest portion of the roof.

Sign, Integral Roof Any sign erected or constructed as an integral or essentially integral part of a normal roof structure of any design, such that no part of the sign extends vertically above the highest portion of the roof and such that no part of the sign is separated from the rest of the roof by a space of more than six inches.

Sign, Suspended A sign that is suspended from the underside of a horizontal plane surface and is supported by such surface.

Sign, Temporary Any sign that is used only temporarily and is not permanently mounted.

Sign, Wall Any sign attached parallel to, but within six inches of, a wall, painted on the wall surface of, or erected and confined within the limits of an outside wall of any building or structure, which is supported by such wall or building, and which displays only one sign surface.

Sign, Window Any sign, pictures, symbol, or combination thereof, designed to communicate information about an activity, business, commodity, event, sale, or service, that is placed inside a window or upon the window panes or glass and is visible from the exterior of the window.

Street A strip of land or way subject to vehicular traffic (as well as pedestrian traffic) that provides direct or indirect access to property, including, but not limited to, alleys, avenues, boulevards, courts, drives, highways, lanes, places, roads, terraces, trails, or other thoroughfares.

Street Frontage The distance for which a lot line of a zone lot adjoins a public street, from one lot line intersecting said street to the furthest distant lot line intersecting the same street.

Zone Lot A parcel of land in single ownership that is of sufficient size to meet minimum zoning requirements for area, coverage, and use, and that can provide such yards and other open spaces as required by the zoning regulations.

Section 3 **Section 30-18 of the Code of the City of Cranston, 1970, entitled "Specific Performance Standards" is hereby amended by deleting therefrom the following**

(Section 30-18 (R) "Signs and Billboards" in its entirety)

and by substituting therefore the following

(R) Signs

(1) **Purposes.** The purposes of these sign regulations are, to encourage the effective use of signs as a means of communication in the City, to maintain and enhance the aesthetic environment and the City's ability to attract sources of economic development and growth, to improve pedestrian and traffic safety, to minimize the possible adverse effect of signs on nearby public and private property, and to enable the fair and consistent enforcement of these sign restrictions. This sign ordinance is adopted under the zoning authority of the city in furtherance of the more general purposes set forth in the zoning ordinance.

(2) **Applicability-Effect.** A sign may be erected, placed, established, painted, created, or maintained in the city only in conformance with the standards, procedures, exemptions, and other requirements of this ordinance.

(a) The effect of this ordinance as more specifically set forth herein, is.

(1) To establish a permit system to allow a variety of types of signs in commercial and industrial zones, and a limited variety of signs in other zones, subject to the standards and the permit procedures of this ordinance.

(2) To allow certain signs that are small, unobtrusive, and incidental to the principal use of the respective lots on which they are located, subject to the substantive requirements of this ordinance, but without a requirement for permits.

(3) To provide for temporary signs without commercial messages in limited circumstances in the public right-of-way.

(4) To prohibit all signs not expressly permitted by this ordinance, and

(5) To provide for the enforcement of the provisions of this ordinance.

(3) Computations. The following principles shall control the computation of sign area and sign height.

(a) Computation of Area of Individual Signs. The area of a sign face (which is also the sign area of a wall sign or other sign with only one face) shall be computed by means of the smallest square, circle, rectangle, triangle, or combination thereof that will encompass the extreme limits of the writing, representation, emblem, or other display, together with any material or color forming an integral part of the background of the display or used to differentiate the sign from the backdrop or structure against which it is placed, but not including any supporting framework, bracing, or decorative fence or wall when such fence or wall otherwise meets zoning ordinance regulations and is clearly incidental to the display itself.

(b) Computation of Area of Multifaced Signs. The sign area for a sign with more than one face shall be computed by adding together the area of all sign faces. When two identical sign faces are placed back to back, the sign area shall be computed by the measurement of two (2) times the area of one face.

(c) Computation of Height. The height of a sign shall be computed as the distance from the base of the sign at normal grade to the top of the highest attached component of the sign. Normal grade shall be construed to be the lower of (1) existing grade prior to construction or (2) the newly established grade after construction, exclusive of any filling, berming, mounding, or excavating solely for the purpose of locating the sign. In cases in which the normal grade cannot reasonably be determined, sign height shall be computed on the assumption that the elevation of the normal grade at the base of the sign is equal to the elevation of the nearest point of the crown of a public street or the grade of the land at the principal entrance to the principal structure on the zone lot, whichever is lower.

(d) Computation of Maximum Total Permitted Sign Area for a Zone Lot. The permitted sum of the area of all individual signs on a zone lot shall be computed by applying the formula contained in Table 4B, Maximum Total Sign Area, to the lot frontage, building frontage, or wall area, as appropriate, for the zoning district in which the lot is located. Lots fronting on two or more streets are allowed the permitted sign area for each street frontage.

However, the total sign area that is oriented toward a particular street may not exceed the portion of the lot's total sign area allocation that is derived from the lot, building, or wall area frontage on that street.

Structures in a C-3 zoning district which house five (4) or more businesses shall be allowed to exceed the Zone Lot Signage Maximum detailed in Table 4B, subject to the following conditions.

(1) Each business having a separate and distinct store front shall be allowed signage area equivalent to two and one-half (2.5) percent of the gross floor area of their unit. In no case shall the signage allowed be less than thirty (30) square feet per unit, nor shall it exceed more than two-hundred (200) square feet per unit.

(a) Signage on these structures shall be directly related to the business-fronts they are attached to.

Structures in a C-4 zoning district which house five (5) or more businesses shall be allowed to exceed the Zone Lot Signage Maximum detailed in Table 4B, subject to the following conditions.

(1) Each business having a separate and distinct store front shall be allowed signage area equivalent to two and one-half (2.5) percent of the gross floor area of their unit. In no case shall the signage allowed be less than thirty (40) square feet per unit, nor shall it exceed more than two-hundred (200) square feet per unit.

(a) Signage on these structures shall be directly related to the business-fronts they are attached to.

(4) Signs Allowed on Private Property With and Without Permits. Signs shall be allowed on private property in the city in accordance with, and only in accordance with, Table 4A. If the letter "A" appears for a sign type in a column, such sign is allowed without prior permit approval in the zoning districts represented by that column. If the letter "S" appears for a sign type in a column, such sign is allowed only with prior permit approval in the zoning districts represented by that column. Special conditions may apply in some cases. If the letter "P" appears for a sign type in a column, such a sign is prohibited from the zoning districts represented by that column under any circumstances.

(a) **Although permitted under the previous paragraph, a sign designated by an "S" or "A" in Table 4A shall be allowed only if.**

(1) The sum of the area of all building and freestanding signs on the zone lot conforms with the maximum permitted sign area as determined by the formula for the zoning district in which the lot is located as specified in Table 4B.

(2) The size, location, and number of signs on the lot conform with the requirements of Tables 4C and 4D, which establish permitted sign dimensions by sign type, and with any additional limitations listed in Table 4A.

(3) The characteristics of the sign conform with the limitations of Table 4E, Permitted Sign Characteristics, and with any additional limitations on characteristics listed in Table 4A.

(5) **Permits Required.** If a sign requiring a permit under the provision of this ordinance is to be placed, constructed, erected, or modified on a zone lot, the owner of the lot shall secure a sign permit prior to the construction, placement, erection, or modification of such a sign in accordance with the requirements of Section 12.

Furthermore, the property owner shall maintain in force, at all times, a sign permit for such sign in accordance with Section 13.

No signs shall be erected in the public right-of-way except in accordance with Section 8.

No sign permit of any kind shall be issued for an existing or proposed sign unless such sign is consistent with the requirements of this ordinance (including those protecting existing signs) in every respect and with the Master Signage Plan or Common Signage Plan in effect for the property.

(6) **Design, Construction, and Maintenance.** All signs shall be designed, constructed, and maintained in accordance with the following standards.

(a) All signs shall comply with applicable provisions of Chapter 5 of the Building Code of the City at all times.

(b) Except for banners, flags, temporary signs, and window signs conforming in all respects with the requirements of this ordinance, all signs shall be constructed of permanent materials and shall be permanently attached to the ground, a building, or another structure by direct attachment to a rigid wall, frame, or structure.

(c) All signs shall be maintained in good structural condition, in compliance with all building and electrical codes, and in conformance with this code, at all times.

(7) **Master or Common Signage Plan.** No permit shall be issued for an individual sign requiring a permit unless and until a Master Signage Plan or a Common Signage Plan for the zone lot on which the sign will be erected has been submitted to the Director and approved by the Director as conforming with this section.

(a) **Master Signage Plan.** For any zone lot on which the owner proposes to erect one or more signs requiring a permit, unless such zone lot is included in a Common Signage Plan, the owner shall submit to the Director a Master Signage Plan containing the following.

(1) An accurate plot plan of the zone lot, at such scale as the Director may reasonably require.

(2) Location of buildings, parking lots, driveways, and landscaped areas on such zone lot.

(3) Computation of the maximum total sign area, the maximum area for individual signs, the height of signs and the number of freestanding signs allowed on the zone lot(s) included in the plan under this ordinance, and

(4) An accurate indication on the plot plan of the proposed location of each present and future sign of any type, whether requiring a permit or not, except that incidental signs need not be shown.

(b) **Common Signage Plan.** If the owners of two or more contiguous (disregarding intervening streets and alleys) zone lots or the owner of a single lot with more than one building (not including any accessory building) file with the Director for such zone lots a Common

Signage Plan conforming with the provisions of this section, a 15 percent increase in the maximum total sign area shall be allowed for each included zone lot. This bonus shall be allocated within each zone lot as the owner(s) elects.

(c) **Provisions of Common Signage Plan.** The Common Signage Plan shall contain all of the information required for a Master Signage Plan and shall also specify standards for consistency among all signs on the zone lots affected by the Plan with regard to:

(1) Color scheme,
(2) Lettering or graphic style,
(3) Lighting,
(4) Location of each sign on the buildings,
(5) Material, and
(6) Sign proportions.

(d) **Showing Window Signs on Common or Master Signage Plan.** A Common Signage Plan or Master Signage Plan including window signs may simply indicate the areas of the windows to be covered by window signs and the general-type of the window signs (e.g., paper affixed to window, painted, etched on glass, or some other material hung inside window) and need not specify the exact dimension or nature of every window sign.

(e) **Limit on Number of Freestanding Signs Under Common Signage Plan.** The Common Signage Plan, for all zone lots with multiple uses or multiple users, shall limit the number of freestanding signs to a total of one for each street on which the zone lots included in the plan have frontage and shall provide for shared or common usage of such signs.

(f) **Other Provisions of Master or Common Signage Plans.** The Master or Common Signage Plan may contain such other restrictions as the owners of the zone lots may reasonably determine.

(g) **Consent.** The Master or Common Signage Plan shall be signed by all owners or their authorized agents in such form as the Director shall require.

(h) **Procedures.** A Master or Common Signage Plan shall be included in any development plan, site plan, planned unit development plan, or other official plan required by the city for the proposed development and shall be processed simultaneously with such other plan.

(i) **Amendment.** A Master or Common Signage Plan may be amended by filing a new Master or Common Signage Plan that conforms with all requirements of the ordinance then in effect.

(j) **Existing Signs Not Conforming to Master or Common Signage Plan.** If any new or amended Common Signage Plan is filed for a property on which existing signs are located, it shall include a schedule for bringing into conformance, within three years, all signs not conforming to the proposed amended plan or to the requirements of this ordinance in effect on the date of submission.

(k) **Binding Effect.** After approval of a Master or Common Signage Plan, no sign shall be erected, placed, painted, or maintained, except in conformance with such plan, and such plan may be enforced in the same way as any provision of this ordinance. In case of any conflict between the provisions of such a plan and any other provision of this ordinance, the ordinance shall control.

(8) **Signs in the Public Right-of-Way.** No signs shall be allowed in the public right-of-way, except for the following:

(a) **Permanent Signs.** Permanent signs, including:

(1) Public signs erected by or on behalf of a governmental body to post legal notices, identify public property, convey public information, and direct or regulate pedestrian or vehicular traffic,

(2) Bus stop signs erected by a public transit company,

(3) Informational signs of a public utility regarding its poles, lines, pipes, or facilities, and

(4) Awning, projecting, and suspended signs projecting over a public right-of-way in conformity with the conditions of Table 4A of this ordinance.

(b) **Emergency Signs.** Emergency warning signs erected by a governmental agency, a public utility company, or a contractor doing authorized or permitted work within the public right-of-way.

(c) **Other Signs Forfeited** Any sign installed or placed on public property, except in conformance with the requirements of this section, shall be forfeited to the public and subject to confiscation. In addition to other remedies hereunder, the city shall have the right to recover from the owner or person placing such a sign the full costs of removal and disposal of such sign.

(9) **Signs Exempt from Regulation Under This Ordinance.** The following signs shall be exempt from regulation under this ordinance.

(a) Any public notice or warning required by a valid and applicable federal, state, or local law, regulation, or ordinance.

(b) Any sign inside a building, not attached to a window or door, that is not legible from a distance of more than three feet beyond the lot line of the zone lot or parcel on which such sign is located.

(c) Works of art that do not include a commercial message.

(d) Holiday lights and decorations with no commercial message, but only between November 15 and January 15, and

(e) Traffic control signs on private property, such as Stop, Yield, and similar signs, the face of which meet Department of Transportation standards and which contain no commercial message of any sort.

(10) **Signs Prohibited Under this Ordinance** All signs not expressly permitted under this ordinance or exempt from regulation hereunder in accordance with the previous section are prohibited in the city. Such signs include, but are not limited to,

Beacons, Pennants, Strings of lights not permanently mounted to a rigid background, except those exempt under the previous section, and Inflatable signs and tethered balloons

(11) **General Permit Procedures.** The following procedures shall govern the application for, and issuance of, all sign permits under this ordinance, and the submission and review of Common Signage Plans and Master Signage Plans.

(a) **Applications.** All applications for sign permits of any kind and for approval of a Master or Common Signage Plan shall be submitted to the Director on an application form or in accordance with application specifications published by the Director.

(b) **Fees.** Each application for a sign permit or for approval of a Master or Common Signage Plan shall be accompanied by the applicable fees, which shall be established by the governing body of the city from time to time by resolution.

(c) **Completeness.** Within five days of receiving an application for a sign permit or for a Common or Master Signage Plan, the Director shall review it for completeness. If the Director finds that it is complete, the application shall then be processed. If the Director finds that it is incomplete, the Director shall, within such five-day period, send to the applicant a notice of the specific ways in which the application is deficient, with appropriate references to the applicable sections of this ordinance.

(d) **Action** Within seven days of the submission of a complete application for a sign permit, the Director shall either,

(1) Issue the sign permit, if the sign(s) that is the subject of the application conforms in every respect with the requirements of this ordinance and of the applicable Master or Common Signage Plan, or

(2) Reject the sign permit if the sign(s) that is the subject of the application fails in any way to conform with the requirements of this ordinance and of the applicable Master or Common Signage Plan In case of a rejection, the Director shall specify in the rejection the section or sections of the ordinance or applicable plan with which the sign(s) is inconsistent.

(e) **Action on Plan** On any application for approval of a Master Signage Plan or Common

Signage Plan, the Director shall take action on the applicable one of the following dates.

Fourteen days after the submission of a complete application if the application is for signs for existing buildings, or

On the date of final action on any related application for building permit, site plan, or development plan for signs involving new construction.

On or before such applicable date, the Director shall either,

(1) Approve the proposed plan if the sign(s) as shown on the plan and the plan itself conforms in every respect with the requirements of this ordinance, or

(2) Reject the proposed plan if the sign(s) as shown on the plan or the plan itself fails in any way to conform with the requirements of this ordinance. In case of a rejection, the Director shall specify in the rejection the section or sections of the ordinance with which the plan is inconsistent.

(12) Permits to Construct or Modify Signs Signs identified as "A" or "S" on Table 4A shall be erected, installed, or created only in accordance with a duly issued and valid sign construction permit from the Director. Such permits shall be issued only in accordance with the following requirements and procedures.

(a) Permit for New Sign or for Sign Modification. An application for construction, creation, or installation of a new sign or for modification of an existing sign shall be accompanied by detailed drawings to show the dimensions, design, structure, and location of each particular sign, to the extent that such details are not contained on a Master Signage Plan or Common Signage Plan then in effect for the zone lot. One application and permit may include multiple signs on the same zone lot.

(b) Inspection The Director shall cause an inspection of the zone lot for which each permit for a new sign or for modification of an existing sign is issued during the sixth month after the issuance of such permit or at such earlier date as the owner may request. If the construction is not substantially complete at the time of inspection, the permit shall lapse and become void. If the construction is complete and in full compliance with this ordinance and with the building and electrical codes, the Director shall affix to the premises a permanent symbol identifying the sign(s) and the applicable permit by number or other reference. If the construction is substantially complete but not in full compliance with this ordinance and applicable codes, the Director shall give the owner or applicant notice of the deficiencies and shall allow an additional 30 days from the date of inspection for the deficiencies to be corrected. If the deficiencies are not corrected by such date, the permit shall lapse. If the construction is then complete, the Director shall affix to the premises the permanent symbol described above.

(13) Sign Permits-Continuing. The owner of a zone lot containing signs requiring a permit under this ordinance shall at all times maintain in force a sign permit for such property. Sign permits shall be issued for individual zone lots, notwithstanding the fact that a particular zone lot may be included with other zone lots in a Common Signage Plan.

(a) Initial Sign Permit. An initial sign permit shall be automatically issued by the Director covering the period from the date of the inspection of the completed sign installation, construction, and/or modification.

(b) Sign Permits, Subsequent. With the exception of temporary signs, sign permits shall be issued for an indefinite period.

(c) Lapse of Sign Permit. A continuing sign permit shall lapse automatically if the business license for the premises lapses, is revoked, or is not renewed. A sign permit shall also lapse if the business activity on the premises is discontinued for a period of 180 days or more and is not renewed within 30 days of a notice from the city to the last permittee, sent to the premises, that the sign permit will lapse if such activity is not renewed.

(d) Assignment of Sign Permits. A valid sign permit shall be freely assignable to a successor as owner of the property or holder of a business license for the same premises, subject only to filing such application as the Director may require and paying any applicable fee. The assignment shall be accomplished by filing and shall not require approval.

(14) Temporary Sign Permits (Private Property). Temporary signs on private property shall be allowed only upon the issuance of a Temporary Sign Permit, which shall be subject to the following

requirements.

(a) **Term.** A temporary sign permit shall allow the use of a temporary sign for a specified 20-day period.

(b) **Number.** Only two temporary sign permits shall be issued to the same business license holder on the same zone lot in any calendar year.

(c) **Other Conditions.** A temporary sign shall be allowed only in districts with a letter "S" for "Temporary Signs" on Table 4A and subject to all of the requirements for temporary signs as noted therein.

(15)**Political and Pre-election Sign Permits.** Political and pre-election signs shall be allowed subject to the following requirements.

(a) **Term** Political and pre-election signs are permitted to be erected no more than 60 days prior to the designated election day and shall be removed within 10 days after the election. The candidate for office or his/her designee shall have the responsibility for removal of signs advertising the candidacy.

(b) **Size.** The size of such signs shall be restricted to 6 square feet in a residential zone and 20 square feet in a non-residential zone.

(c) **Other Conditions.** Political and pre-election signs shall be allowed only in districts with a letter "A" for "Political Signs" on Table 4A. No such signs, may be posted on trees, utility poles, traffic or regulating signs of any nature.

(16)**Billboard Sign Permits** Billboard signs shall be allowed in M-1 and M-2 zoning districts subject to the following requirements.

(a) **M-1 Zone.** Billboards in an M-1 zone are not to exceed 12 feet in height and 300 square feet in surface area. Additionally, they shall not be within 500 feet of an abutting residential zoning district boundary, nor shall they be within 500 feet of an existing billboard.

(b) **M-2 Zone.** Billboards in an M-2 zone are not to exceed 25 feet in height and 500 square feet in surface area. Additionally, they shall not be within 500 feet of an abutting residential zoning district boundary(with the exception of those areas immediately adjacent to limited access highways, ie. Route 95, 295, 10, P-37), nor shall they be within 500 feet of an existing billboard.

(17)**Time of Compliance. Nonconforming Signs and Signs Without Permits.** Except as otherwise provided herein, the owner of any zone lot or other premises on which exists a sign that does not conform with the requirements of this ordinance or for which there is no current and valid sign permit shall be obligated to remove such sign or, in the case of a nonconforming sign, to bring it into conformity with the requirements of this ordinance.

(a) **Nonconforming Existing Signs, Permits and Terms.** A change in the information on the face of an existing nonconforming sign is allowed. However, any nonconforming sign shall either be eliminated or made to conform with the requirements of this Section when any proposed change, repair, or maintenance would constitute an expense of more than 25 percent of the lesser of the original value or replacement value of the sign.

(18)**Violations.** Any of the following shall be a violation of this ordinance and shall be subject to the enforcement remedies and penalties provided by this ordinance, by the zoning ordinance, and by state law.

(a) To install, create, erect, or maintain any sign in a way that is inconsistent with any plan or permit governing such sign or the zone lot on which the sign is located.

(b) To install, create, erect, or maintain any sign requiring a permit without such a permit.

(c) To install, create, erect, or maintain any sign in a way that is inconsistent with any plan or permit governing such sign or the zone lot on which sign is located.

(d) To fail to remove any sign that is installed, created, erected, or maintained in violation of this ordinance, or for which the sign permit has lapsed, or

(e) To continue any such violation. Each such day of a continued violation shall be considered a separate violation when applying the penalty portions of this ordinance.

(f) Each sign installed, created, erected, or maintained in violation of this ordinance shall be considered a separate violation when applying the penalty portions of this ordinance.

(19)**Enforcement and Remedies.** Any violation or attempted violation of this ordinance or of any condition or requirement adopted pursuant hereto may be restrained, corrected, or abated, as the case may be, by injunction or other appropriate proceedings pursuant to state law. A violation of this ordinance shall be considered a violation of the zoning ordinance of the city. The remedies of the city shall include the following.

(a) Issuing a stop-work order for any and all work on any signs on the same zone lot.

(b) Seeking an injunction or other order of restraint or abatement that requires the removal of the sign(s) or the correction of the nonconformity.

(c) Imposing any penalties that can be imposed directly by the city under the zoning ordinance.

(d) Seeking in court the imposition of any penalties that can be imposed by such court under the zoning ordinance, and

(e) In the case of a sign that poses an immediate danger to the public health or safety, taking such measures as are available to the city under the applicable provisions of the zoning ordinance and building code for such circumstances.

(f) The city shall have such other remedies as are and as may from time to time be provided for or allowed by state law for the violation of the zoning ordinance.

(g) All such remedies provided herein shall be cumulative. To the extent that state law may limit the availability of a particular remedy set forth herein for a certain violation or a part thereof, such remedy shall remain available for other violations or other parts of the same violation.

A = Allowed without sign permit S = Allowed only with sign permit P = Prohibited

a. *This column does not represent a zoning district. It applies to institutional uses permitted under the zoning ordinance in residential zoning districts. Such uses may include, but are not necessarily limited to, churches, schools, funeral homes, and cemeteries.*

b. *No commercial message allowed on sign, except for a commercial message drawing attention to an activity legally offered on the premises.*

c. *No commercial message of any kind allowed on sign if such message is legible from any location off the zone lot on which the sign is located.*

d. *Only address and name of occupant allowed on sign.*

e. *May include only building name, date of construction, or historical data on historic site, must be cut or etched into masonry, bronze, or similar material.*

f. *No commercial message of any kind allowed on sign.*

g. *If such a sign is suspended or projects above a public right of way, the issuance and continuation of a sign permit shall be conditioned on the sign owner obtaining and maintaining in force liability insurance for such a sign in such form and such amount as the Director may reasonably from time to time determine, provided that the amount of such liability insurance shall be at least $500,000 per occurrence per sign.*

h. *The conditions of Section 14 of this ordinance apply.*
